##### **Change to:**

2. A rider can register only one number per class per competition year. The rider will be scored only under that registered number during the competition year. To keep a rider number (bike #), members must renew their FTR membership in **before July 1st.**

---

A motion was made by Deborah Broderick to accept the proposal and it was seconded by Bill Jenkins.

The motion PASSED and will be published in the magazine and presented for a second vote at a subsequent committee meeting.

---

##### **Petition for demotion #1:**

Mr. Dario Mazzitelli petitioned the committee, through an interpreter, to be allowed to race the "C" division (Sun.) after having raced one race in the "B" division. Apparently Dario is a new racer and does not speak English very well. Somebody talked him into entering the "B" division without his full understanding of what he was getting into.

A motion was made by Allen Pearce and was seconded by Donny Richardson to allow Dario to enter the "C" division effective immediately. The motion PASSED.

---

##### **Petition for demotion #2:**

Mr. Chris Wise petitioned the committee, through a letter, to be allowed to race the Evo-B class after self promoting and having raced two races in the Evo-A class over the last two years. He does not now feel he can be competitive in the new class and desires to race with "his peers" in the Evo-B class.

There was some discussion among the committee and the majority felt like only two races over the last two years was not sufficient data to allow a demotion at this time.

A motion was made by Allen Pearce and was seconded by Troy Stainbrook to dis-allow Chris the demotion at this time. The motion PASSED.

The committee wanted Chris to know that he is welcome to resubmit the request after another few races.

The meeting was adjourned at 7:45pm    Mike Belle (HSC Chairman)
