I, for myself, my executor, administrator and assignees, do hereby release and agree to hold blameless, the Florida Suncoast Trailblazers Motorcycle Club, Inc., the Florida Trail Riders, Inc. (FTR), the Southeastern Enduro and Trail Riders Association (SE&TRA), the American Motorcyclist Association (AMA), the Florida Division of Forestry and the officers, directors, officials, representatives, agents and employees of all of the above from all liability, loss, claims and demands that may occur from any loss, damage or injury (including death) to my person or property in any way resulting from or arising in connection with this event, whether while engaged in the competition or preparation thereof, or while upon entering or departing from said event for any cause whatsoever. I have voluntarily entered an FTR/SE&TRA/AMA co-sanctioned event, the Orange State Enduro on September 28, 2008. An FTR/SE&TRA/AMA co-sanction indicates that this event is listed in the organization's official calendar. The officials for this event have not been trained or accredited by the FTR, SE&TRA or the AMA. Motor sports are dangerous. You should take part in this event on you own assessment of your or your child's abilities. The event will traverse public land and roads. The promoter is not responsible for their conditions or the actions of other individuals using these premises. You are responsible for the condition of you or your child's motorcycle and protective apparel. We urge you not to compete in motor sports without adequate personal medical coverage as the promoter does not provide medical insurance coverage. The Suncoast Trailblazers M/C, FTR, SE&TRA, AMA and the Division of Forestry are not experts in laying out and sponsoring an Enduro I know the risk and danger to myself, so I voluntarily and in reliance upon my own judgment and ability, assume all risk for loss, damage or injury (including death) to myself and my property from any cause whatsoever. The course is dangerous. Not all obstacles may be marked, so ride carefully.
