## \* CLASS CHAMPIONS – READ THIS!!!

Listen Up! If you are listed as a class champion in the hare scrambles or enduro, or MX series, you will be receiving a jacket at the Awards Banquet. Since you did not supply your jacket size as part of your membership application, we cannot order your jacket until we know what size you wear. We need all class winners to send an email to the appropriate Committee Chairman (Hare Scrambles, Enduro or MX) telling us what size you need. If we do not hear from you, you will look really weird wearing a Small size jacket. Look at the overall results today. ***If you are a class champion, send us your size immediately.*** We need to order the jackets by early July so we can have your name embroidered on it before the banquet.
