Trelleborg 945 Sandmaster

"The Trelleborg 945 gives excellent bite in horrible conditions. The widely spaced knobs hook up almost as well as a Dunlop 990 but seem to hold up better under abuse from rocks and roots that cause the knobs on other tires to chunk. At \$78.95 the tire is priced right, gives good bite and lasts a long time." Reprinted from May 88 Dirt Rider. **The best sand/mud tire available period. Will not chunk knobs in rough conditions. Trelleborg Sandmaster comes in sizes 500-18, 300-18 and 300-21**

EDITOR'S NOTE

This monthly magazine is published and distributed to the FTR membership to officially inform them of FTR events and business. It is also a medium for expressing personal views, venting frustrations, sharing good times, reporting the efforts of a individual or group or just a good story. The amount of articles received from you, the membership of the FTR, will directly effect the content of each months magazine. Your contributions are needed to directly reflect the interests and opinions of our organization. Your articles can be in any form that you feel like sending us. Pictures are also needed! They should be black and white although some color photos with high contrast can be used. As the editors of the magazine we will do our best to publish a timely, up to date, quality magazine for you, . . . but without your help it will be impossible.
Sharon & Jack Huffman - Editors

Thoughts from the Prez:

Item number one: Thanks to all my loyal supporters out there who took the time to fill out a ballot and mail it. We know that there are at least fifty people in the FTR who have twenty-five cents. Seriously, folks, even though it was an uncontested election, other people see our magazine. How does it look when only fifty people out of over eight hundred take time to vote? Think about it.

Item number two: A little about myself for the people who don't know me. I am 46 years old, and married to the best pit tootsie in town, Mary Lynn Braden, who is also my sponsor. I started riding motorcycles as a teenager in 1958 and entered my first sanctioned enduro in 1969, the Tomoka Enduro. I have also ridden in observed trials and presently contest both hare scrambles and enduros with FTR.

So if you see an old guy on an IT200 or YZ250 with green plates #13B, say "Hi!"
See you in the woods. Kirk Braden

More Adjustments to the Competition Schedule!

Heads up HARE SCRAMBLES riders, there has been another change to the current Florida Trail Riders event schedule. A letter from the Central Florida Trail Riders, elsewhere in this magazine, will officially inform you of the CANCELLATION of their February 24, 1991 Hare Scrambles. At the present time the Sarasota Area Dirt Riders Association has negotiated to pick up the CFTR's sanction, but will not be able to promote the race on February 24. SADRA's plans are have the event near Sarasota on May 12, 1991. With this schedule swap, the Hare Scrambles series will still have 12 races of which a rider can count 8 races for "Year End Championship Points."

The **ENDURO** schedule has a modification in that it has been questionable whether the Daytona Dirt Riders "BIG SCRUB" Enduro could be run this year due to the land changing owners. Mark Badger, Secretary-Treasurer of DDR, called to inform the magazine that DDR has been granted permission to use the land and the enduro would be promoted on Sunday May 19, 1991, not on May 18th as erroneously listed in the FTR Magazine. The conformation of this enduro brings the total enduros for this season to 8 with a rider counting his 6 best scores for "Year End Awards."

UP TO DATE SCORES

On the following pages you will find Enduro and Hare scrambles scores as they stand at this time*. Please take a good look at your scores and if you feel there are any mistakes with any of this information then you should contact the respective scorekeeper to have it corrected as soon as possible (NOW). The information you will need to contact the Scorekeeper is list on the inside back cover of this magazine.

* With the exception of "The New Years Hare Scrambles" on January 20, 1991 and events after that one.

Late Enduro News

1990 F.T.R. Enduro Champion, Joey Hopkins, fell and broke his collarbone while competing in the S. E. T. R. A. sanctioned 22nd Annual Sumter Enduro, January 27, 1991. We talked with Joey and he feels that he will be able to compete in the Alligator Enduro on March 7th and hopes to be back up to speed for the Azalea City/ Ocala National Forest FTR/SETRA event the following Sunday. It was also learned that National Champion, Randy Hawkins possibly broke his thumb at the Sumter Enduro. Lets hope that both of these fine riders have a speedy recovery and get back to doing what they like to do best real soon.

New Years Hare Scrambles

by
John
Thomas

The Suncoast Trail Blazers promoted the seventh race in the twelve race Florida Trail Riders Championship Series on Sunday January 20th. Originally the event date was set for January 13th, but because of a possible conflict with the Orlando Supercross they changed their date so any FTR member who wanted to could attend the Super X without having to worry about racing the next day. I'm sure many riders appreciated the consideration of the Suncoast members decision to make the schedule change.

The "New Years Hare Scrambles" was held on the "Rocking V Ranch" near Plant City. This is the site of many a great FTR race and is always a fun filled weekend, this week end would be no different. While I'm sure that many club members helped in making sure the event was a successful race, the primary motivator was as usual Mat Smith who has for years been the master mind of some of FTR's most liked and most successful Hare Scrambles. Again Mat, with the help of many Suncoast Trail Blazer members created a very different course. The 14 mile plus route, that most riders thought as super, would have very few palmettos and no nasty palmetto sections, in their place were many miles of Cypress swamps. Now riding in a swamp doesn't sound like the thing you would want to do for fun, but these swamps, had dried up and for the most part the trails were lots of fun, but very technical. On Saturday the pre-riders found one trail that they thought was to soft for the next days race and this area was removed for Sundays competition. Most riders that come to a Suncoast event look forward to the extra activities the club always seem to have time to promote along with the points event. At this race they provided a All Terrain Bicycle race, a Hay Ride and a 14 Mile Poker Run for 2, 3, and 4 wheel ATV's and M/C's on Saturday. (A report on these activities is being written by Nancy O. Hernandez)

At eight o'clock on Sunday the riders were allowed to get on the track for one lap of practice. The first riders out were in for a surprise. The heavy wind and rain storm that had blown through had toppled a few trees across the course causing some road blocks. These were taken care of rather quickly and everyone that wanted to got in their lap of look and see what they would have to race on in their race. The races started in the same area as always and took somewhat the same trail leading to the jumps at the close by spectator area. Here is where many riders get to strut their stuff and some just get stuffed. During the Super Senior B race some riders got tangles up and went down, for a while it looked like the accident would be serious, but both riders eventually mounted their bike and continued on. During the noon race some riders thrilled the spectators here with some great moves when they got airborne.

Marvin Williams set up a new Suzuki RMX and took the first place in Super Senior A making him the first FTR rider to collect Suzuki \$\$\$'s in their RMX Contingency program. Second went to Don Thrasher (Hon), 3rd to John White (KTM) 4th Lionel Hernandez (Suz) and 5th to Tom Missimer (Kaw) Marvin had a 2 minute lead on 2nd place but 2nd through 5th were only separated by 16 seconds. Tom Heinrick won the Senior B race with Glenn Forester second by one second.

At noon the A and B riders started their 3 lap race. Before one lap was completed it was evident that A-250 rider Robbie Possehl was having a good day. He had got a jump on all the 250's, passed all the open bikes and was cruising after AA rider Kenny Keylon. At the end of one lap Keylon lead the race, but Robbie was only 48 seconds behind, meaning he was in High Point position. At the end of lap 2 Possehl was leading followed by Mike Phillips, but no Keylon. The word going through the pits was Kenny had run out of gas. Later it was learned that Kenny had just got a new bike during the week and didn't have time to make all the preparations to it he would have liked to. He figured that he could squeak out two laps of racing before he had to gas. The gamble didn't work and the tank dried up. Robbie went on to win his first FTR Hare Scrambles High Point. In the same race two friends rode a hard fought race for 42 mile and about a quarter of a mile from the finish Dwayne Allgire passed Mose Howard for first place in the A-125 Class by 1 second.

Art Whitney had a bad scare during practice when he had bike problems. Somehow, with help from friends he was able to get it back together for the race. He took the 4-Stroke-A class win with a minute to spare. The cover photo for this magazine came from the C-race. Just when it looked like the rider would clear the "Mud Pond", just before the finish, a clump of saw grass stopped the bike and the unlucky rider kept going. He did a front flip over the handle bars and landed on his feet running. I was so surprised I don't even know if he ever did fall down. There were about 100 or so spectators there and they all clapped and cheered for the rider who bowed for them to show his appreciation. In C-250 Bruce Hadley found the course to his liking and pull out to a 2 minute lead over Mark Nichols who took the 3rd place rider Greg Alspaugh by 4 seconds.

Taking a page from the "Old Days" Suncoast awarded a big four poster to Robbie Possehl for High Point and had three 3 poster trophies for A-High Point - Mike Phillips, B-High Point - Danny Williams and Bruce Hadley for winning C-High Point.

Lots of people are looking forward to the March Suncoast race.

SUNCOAST TRAIL BLAZERS PRESENTS ATB-RACE, HAYRIDE, POKER RUN

by Nancey O. Hernandez

Saturday afternoon January 19, 1991 the Suncoast Trail Blazers put on some pretty spectacular events.

Beginning at 3:00 in the afternoon was the "ATB" Mountain bike race. It was an enduro type start, with riders taking off one minute apart. Ages ranged from 21 to 54. The course was just a little over 9 miles long for one lap, with dirt roads, palmetto's, green pastures, up & down hills, cypress stumps, mud and cows! Yes, COWS! I heard that Mario Rivera knows how to talk to them too.

If you think this course sounds demanding for a motorcycle, try riding it on a mountain bike.

The riders were to go two laps, but some of them didn't make it; they decided to stop after one lap. Don't get me wrong, they aren't wimps. One lap was an absolute workout.

The five guys that went out for lap #2 are some serious riders. This takes some major lung and leg power.

We seemed to be having a very close race for High Point between Brad Zimmerman, Todd Sandoval and Mark Ratcliff. After their completion of the first lap, they were all within 2 minutes of each other.

Brads bike broke halfway thru his 2nd lap and he was very disappointed. Mark finished and was proud of his ride. He later told me that this was his first ever off rode bike race and boy what a workout.

Todd Sandoval High Pointed the event. Yes, the fastest rider of the day with a very impressive ride. He was the last rider to take off and the first rider to finish. He seemed to have as much energy at the end as he did at the start. Todd says he rides everyday. It paid off as he had an 8 minute lead over the 2nd place finisher. I thought he was just kidding when he told Grame Davies that he was gonna catch him & pass him. (Grame started a couple min. ahead of Todd). By the way, Todd also had to ride the hare scrambles the next day on Sunday.

Kathie Frank was the lone women rider, but her times were right up there with the guy's. Don't need to cut her any slack because she is very competitive. All seemed to enjoy and wanted to know when the next race was gonna be. Course layout by Frank Truluck and Richard Lovely. Thanks to all who rode.

HAY RIDE ————— YEAH!!!!!!

About 6:30 Perry Varn began a hayride. I lost count of how many went out. A good time made for both kids and adults. We want to thank Perry for taking the time so that friends can get together and make a full evening of fun.

NIGHT POKER RUN!

8:00 began our night poker run. Some finishing after a 2 1/2 hour ride. We were just wondering why some of you came in covered in mud and some were as clean & dry as when they went out.

The night riders rode the full Hare Scrambles 14.8 mile course. 10:30 rolled around and all were waiting for 4 riders that hadn't come in yet, until finally the course marshall's told us those guy's went out for a 2nd lap. "Thanks a lot Bruce, we were waiting for you, get ya next time."

At trophy presentation we couldn't find the 1st place winner. She didn't have any idea how she had finished, got tired of waiting and went to bed. But her friends went to her motorhome, drug her out of bed so she could be presented with her trophy. Congratulations Elizabeth Turner 1st place overall!

SADRA applied for a sanction after April (if a date opens up)

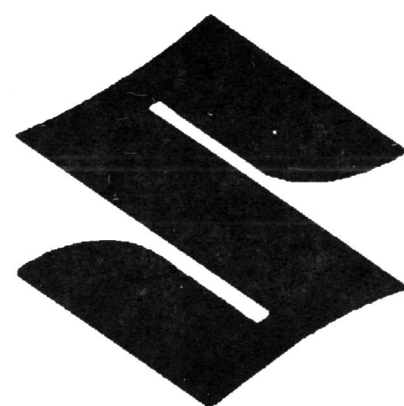

A - Old Business - voting on rules presented at previous Hare Scrambles meetings.

- To reward rider turnout: DNF's will not be given as long as a rider completes 1 lap. This rider gets last place points. In cases where more than 1 rider falls into this category, riders completing the most laps will be scored and riders completing the same number of laps will be scored by finishing order. — passed
- Four Stroke Classes (A&B) will start at noon, they start on the row after the last A class (A-200). — passed
- Clubs shall reallocate trophies to give deeper presentation to the larger classes, more directly correlating class size and trophy depth, using data readily available on average class size. This will replace the old 3, 4, 5 guideline in the rule book. Joe presented a sample chart. — passed
- H/S promotions shall be determined by an objective system of advancement points similar in concept to that used in Enduro's. This system shall use rider's average lap time compared to that of higher class (Riders getting "X" (4, 5, #=one less than 50% the number of races, #=50% of races) Advancement points within the competition year move immediately to the upper division class, taking 90% of his/her lower division points into the upper class. Additional options - 1 added pt for class winner — 1 added pt for high point) "X" = variables to be determined. Joe and Tom will work with it's variables are presented in its final form by the sanction meeting.
Joe explained that the committee will not officially use this system to promote this year, but will work with/on it so it's ready to be in effect for start of 91/92 season.
Committee passed the concept. Tom and Joe will work with the system and present a finished version for final ratification by the sanction meeting. — passed
- Clubs shall be required to post scores with times, for all riders competing, during the 30 minute protest period — 7 for, 2 against — passed
- a. The referee will contact the clubs due to send a Assistant Referee (pre-rider) at least 2 weeks before their event. — Will be put into rulebook under duties of Referee - Passed
- b. No pre-rider, (fine as in rulebook) then no sanction will be given next year if fine is not paid. — To the rule concerning fines for not sending a pre-rider, add: No sanction will be granted for following years until fine is paid.
- Rider age shall be confirmed for anyone moving to a specialty class where age is a requirement (Senior, Super Senior, Junior, Mini, Masters). — Passed
— They will show this proof at the sign-up table at the 1st race they enter.
— We suggest that the person handling the number book do this.
— We discussed that if voted in that flyer have this age warning.
- That no one will run a big bore kitted bike in a larger displacement class. — passed
- That a Super Senior "C" class be formed — passed Also: — Super Senior "C" will start after Senior C to prevent congestion at the 10 o'clock race, the Senior B, Super Senior B will be started on the same row (after Senior A, Super Senior A) — H/S Committee will notify those riders now in the Super Senior B that will be eligible for the Super Senior C.
- To keep a rider # (bike #), members must renew their FTR membership in July. — passed
- A rider classed as A or B including specialty classes and 4-Stroke cannot move down without petitioning the Hare Scrambles Committee, regardless of elapsed time since previous racing. — passed

B. New Business

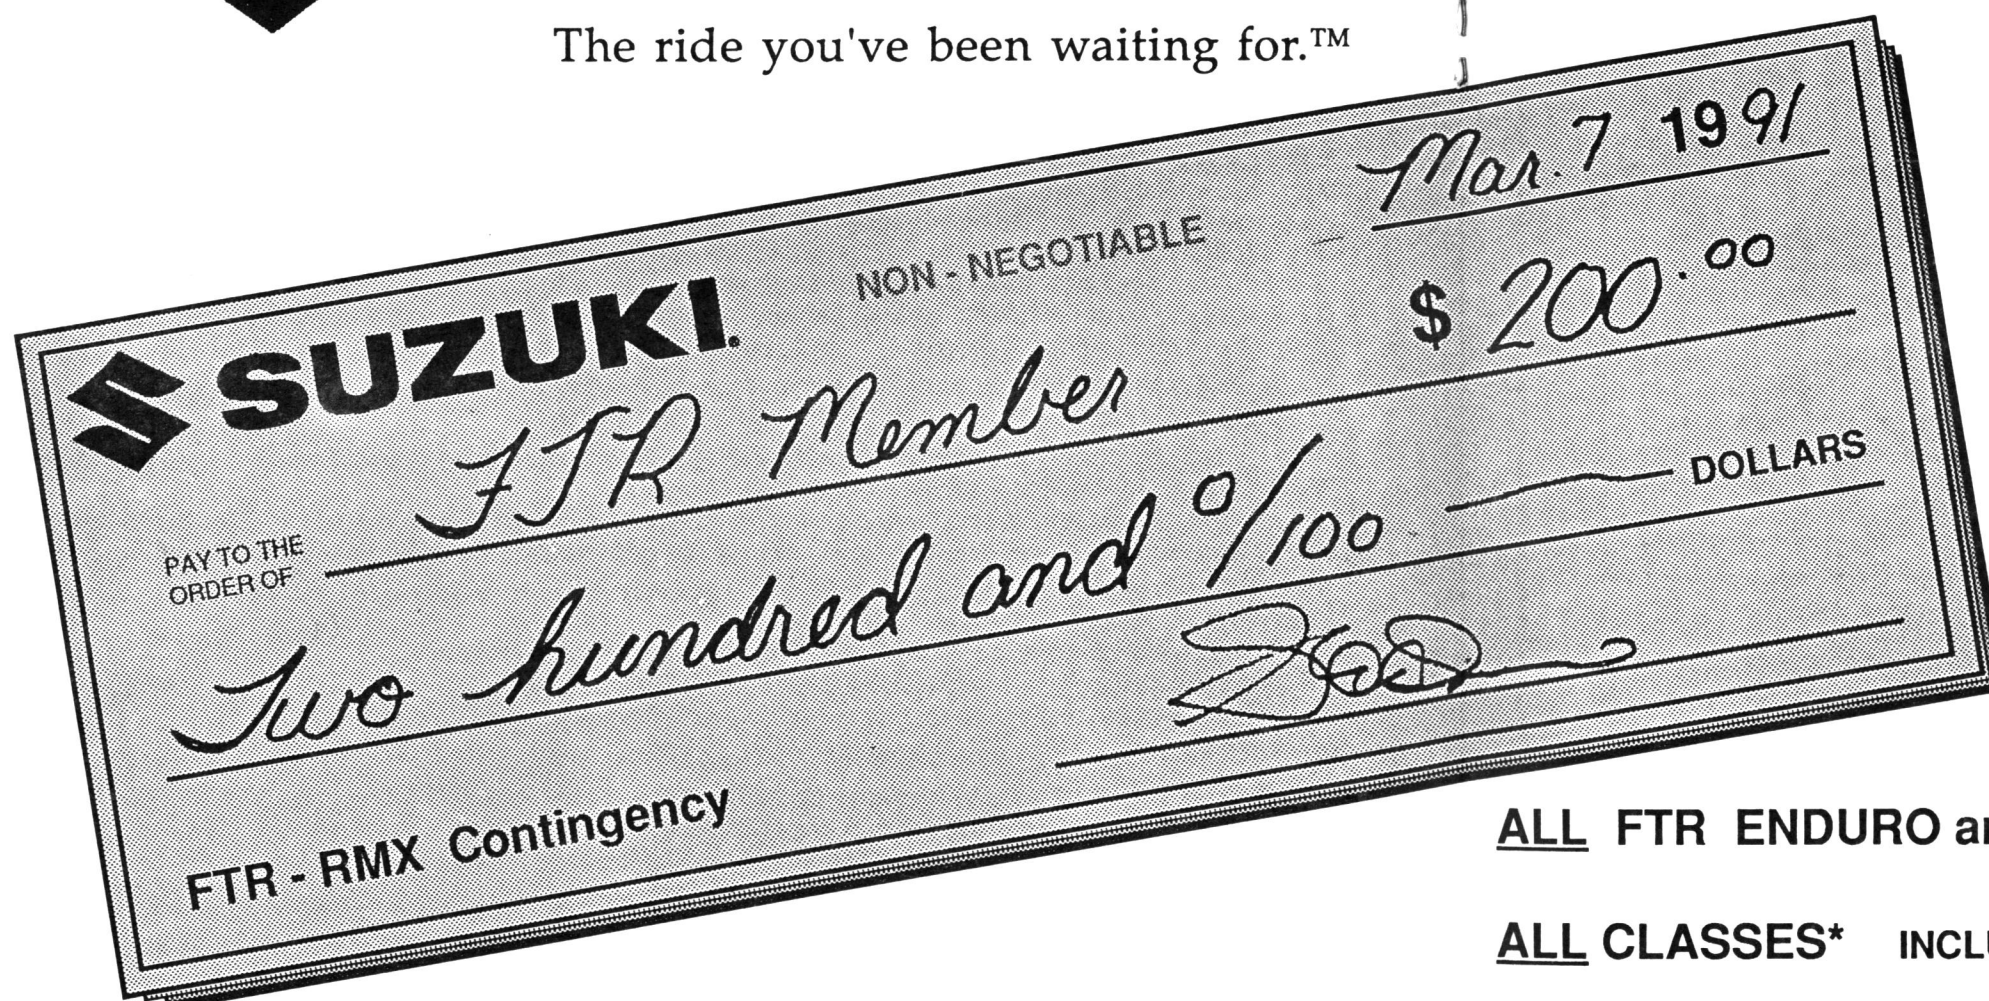

- Immediate promotions: Phil Ross-C to B Maynard Patterson-B to A Andy Justesen-C to B
Ricky Patterson-C to B Otto Perez-C to B Corey Simpson-4 Stroke B to A
Lee Herrox-Master B to A Mark Cassels-4 Stroke B to A Wade Spitzer-Supr Sr. B to A
- The potential DQ of a large portion of the A & B classes at the 11/11/90 H/S was discussed. The acting assistant referee removed himself from the vote taken on 11/11 thus, there was no official trio (FTR Referee, Club Referee, & Assist Referee) at the race itself. Thus, the committee itself would make the vote at this 12/8 meeting. The discussion came down to on one hand looking only at the double arrow rule and on the other that FTR and the clubs involved had not fully fulfilled their responsibilities namely no prerider was sent and that the section in question wasn't adequately marked or supervised. Also discussed was the large number of riders involved at the severe penalty for a DQ & the cost seemed to out weigh the benefits to the riders and FTR. It was decided that there would be no DQ's in this instance. This should in no way be taken as a lessening of the importance of the double arrow rule. Simply put, in this single instance other factors outweighed it.

Meeting adjourned at 7:55 p.m.

SUZUKI®

The ride you've been waiting for.™

If you are currently riding a **RMX 250**, Suzuki wants to put some cash in your pocket! If you are not on a **RMX 250**, you need to see the closest **SUZUKI-FTR** Dealer and move up to the **RMX** today. After all, isn't this the ride you've been waiting for?

FLORIDA MOTOCROSS NEWSLETTER

FLORIDA COUNTRY FUN Orange County Raceway 19442 E. Colonial Dr. Orlando, FL 32820

Orange County Raceway has offered off-road activities since 1969, it's not unusual to have three events going on at the same time on a Saturday evening. A spectator is welcomed at any and all events for the single entrance price, \$8.00 for adults, children under twelve free with an adult.

Every Saturday evening is a motocross evening, gate open at 5:00 pm, practice starts at 6:00 pm and racing at 8:00 pm, your usually out by 11:00 pm. Going into 1991 there will be four separate ten race series with the best six of the ten races scored for the series.

Every second and fourth Saturday night both the clay banked oval track and the clay flat-track will be running. Their time schedule is the same as the motocross track's.

On the third Saturday evening the mud bogs and the sand drag strip are running. This is a very unique example of Florida Country Fun. The drag strip time trials start at 6:00 pm and events run at 8:00 pm. The mud bog events start at 8:00 pm.

It's expected that both the banked oval track and the sand drags will extend their racing schedule to every Saturday evening in the near future, the interest buildup is very high.

The facility is open for practice every Wednesday from 4:00 pm to 9:00 pm, the lights are turned on at twilight. Practice is a great way to experience motocross without pressure.

Orlando - Supercross

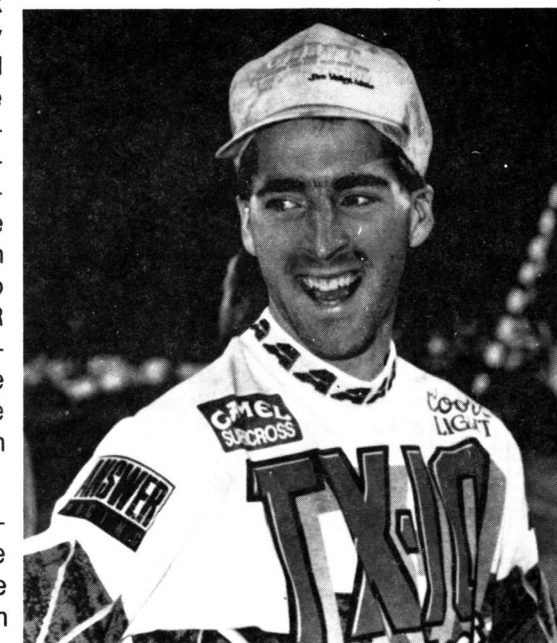

Saturday night, January 12th, the worlds most talented motocross riders, riding the best motocross equipment the leading manufacturers could engineer, develop and manufacture were on hand to compete in round number one of the 1991 Supercross Series. The opening round of this competition traditionally has been held in Anaheim California. This year the "Coors Light Challenge" and "Camel Supercross Series" sponsored competition, promoted by FTR Associate members Bill and Jerry West of Supersports, opened in Orlando. This race brought the welcomed return of Supercross to the Central Florida area after a five year absence. During the week the Citrus Bowl playing field, that just a few weeks earlier had hosted the "New Years Day" Georgia Tech vs Nebraska football game before 72 thousand screaming and stomping spectators, was transformed into a challenging and demanding race course that would challenge the best rider while at the same time allow them to showcase their talents for the spectators. The work started on the track on Wednesday and 500 truck loads of dirt and many man-hours later the race course was completed. Supersports had offered the FTR membership a special deal that had included group seating and while many members took them up on their offer many others wanted to watch from some where else. FTR members could be seen everywhere. It is estimated that there were over 400 FTR members there to take in the excitement and watch the action.

Around 7:30 PM the nights activities started with a salute to all the armed service personal in the middle East, the National Anthem was played and then on to the racing. As you watch these riders break out of the starting gate all aimed at the much narrower first turn the excitement starts to build. I don't think it matters if this is your first time watching a supercross or if you have been to many of them, you never quite are ready for the explosion of riders as they hit the ramp of the triple jump and then become airborne as though they were shot out of a cannon, it sure is spectacular.

The night started with qualifying heats for the two final races of the night. The first heat races were for the new PRO-125 series and this was followed by the 250cc Supercross heats. Next there was an intermission. During this time there were some give away promotions one of which was a drawing for a New 1991 Suzuki DRL 250 dual purpose dirt/street bike donate by FTR Magazine advertiser Mitch Marqui from Cycle

Riders Suzuki of Orlando. The neat blue bike was won by some lucky dude in Melbourne.

Around 9:30 the Pro-125 riders lined up to do battle in what turned out to be the best race of the night. Right out of the starting gate Kawasaki Team Green rider Ryan Hughes, from California, went down and when he got restarted he was dead last. In the mean time Brian Swink, riding for Honda's 125cc Pro Support MX team which is being run out Pro Circuit Racing with additional sponsorship from Peak Antifreeze and Splitfire spark plugs, jumped into the lead. Hughes started slowly working his way towards the front runners. Lap after lap Brian picked off rider after rider till he was in third place going for the second place rider. The crowd was roaring, stomping their feet and going crazy. After a couple of unsuccessful, almost disastrous, attempts to get in to second place Hughes finally succeeded and had Swink zeroed in, but unfortunately and to the dismay of many of the

Two time National Supercross Champion, Jeff Stanton, is happy about winning the opening round.

cheering spectators Brian and his Honda were able to hold him off at the finish by about a half a bike. Once again most spectators though this was the best race of the night.

Now it was time for the race of the night. The factory pro's had the best 250's in the world in the starting gate and the starter had the board up. In a flash they left the line with Florida rider Ronnie Tichenor in the lead. "Ronnie T" as the announcer called him stayed out front for four or five laps. In the mean time Jeff Ward (KAW) had made a charge on him and went down and Jeff Stanton (HON), Damon Bradshaw (YAM) followed by Jean-Michel Bayle (HON) were closing. Then in a split second Stanton took Tichenor and then Badshaw and Bayle got by with Bayle putting a move on Damon for second place. At around 10 laps into the 20 lap main event the distances between

the first three places were about the same with Bayle trying to close on Staton and Bradshaw trying to do the same to Bayle. Showing that he had trained hard during the off season Stanton was able to hold off both of the hard charging riders behind him for a opening round victory in his challenge for a repeat for the Blue # 1 number plate he proudly displays on his bike.

If you didn't get a chance to go to this race you have two more chances coming up in the next few months. Make plans to go March 9th at the Daytona Speedway or on April 6th in St. Petersburg at the Florida Suncoast Dome. If you need more information about tickets to these great races you can call 813-821-3355.

The above election results were submitted by the Election Committee as the official documentation of this years election. The ballots were opened and read by Don Thrasher of Sarasota and Bruce Steinberger from Palm Bay. Tabulation of votes was made by Tom Russell of Clearwater. The ballot count was witnessed by Kirk Braden and Jack Huffman.

A total of 52 ballots were received, 2 ballots were disallowed because of being received much after the cutoff date.

A SPECIAL THANKS

The following members took the time to vote. The fact that they did entitles them to be recognized for their part in supporting the Florida Trail Riders.

BEACH BASH '91

L/R Doug Dubach, Jeff Emig, Damon Bradshaw and Tim Buffaloe

Beach Sportcycles would like to thank Keith McCarty-Yamaha and everyone who helped make the BEACH BASH '91 SUPERCROSS KICK-OFF PARTY a huge success. Those who attended enjoyed talking with Team Yamaha riders Damon Bradshaw, Jeff Emig, and Doug Dubach and Team Mechanics Brian Lunnis and Steve Butler. A sincere thank you goes out to the Factory Reps who donated their time and products for door prizes, John Fullerton-THOR Racing, Blaine Birchfield-Fox Racing, Rod Anastasia-AXO Sport, Michael Gande/Doug Brumiester-Splitfire Spark Plugs, Steve Plotkin/Lisa Biggs-O'Neal /PMP, Mark Dwryer-Cagiva N.A. Jeff Gordon/Cliff Hedlund/Rich Pick-Dunlop/Motorcycle Stuff, Flip Page-Parts Unlimited, Bill, Jerry and Rebecca West-Super Sports, Mike Adair-Cycle News and Jack Huffman-F.T.R. for pictures and articles. Hoping you all have a successful season and looking forward to next years Beach Bash '92.

Thanks, The Staff of Beach Sportcycles

Attention Hare Scrambles Riders

11 January, 1991
Magazine Editor

Subject: Cancellation of the CFTR February Hare Scramble

Due to the unpredictable condition of the property used for the last two events, we have elected to relinquish our date for possible use by the Sarasota Area Dirt Riders Association (SADRA). Tom Russell has been in contact with me on behalf of SADRA and is aware of this change. Please print a notice to this effect in the next Florida Trail Riders magazine.

Very truly yours,

CENTRAL FLORIDA TRAIL RIDERS
David G. Leckle, Vice President

Letter To The Editor,

FTR New Year Resolutions

The start of the New Year presents a chance for a clean start and real progress for FTR. I think one thing we could all do (at least those of us greater than 17 years of age) is to register to vote. Voting is one of our most powerful tools and unfortunately one we seldom wield. Does anyone know that Charles Bennett, William Lehman, Harry Johnston, Bill Nelson, and Lawrence Smith all supported land closure bill HR 780? I hope some members voted against these bozos in the last election.

Writing letters is another good habit to get into for the New Year. This quote from a political paper says it all. "Congressional staffers have told us that just 25 letters on a single issue will get any Congressman's attention. One hundred letters is a major event!"

Set a better example and improve our image in 1991. The worst infraction I saw last year was an FTR member throwing his Budweiser can from his truck in heavy traffic - I wonder how many people saw that.... and saw the dirt bike in the back of the truck.

Do your part to keep the sport alive in the New Year!

Keith H. Allen

To The Editor,

I would like to take the time to respond to your November 1990 issue of your fine magazine. This letter is in response to a letter titled "ATV SERIES".

I have only been a member of FTR for only a few short months, but I feel I must speak my mind. I too feel the need for a point series for ATV's. There is no doubt in my mind, the turnout would be tremendous. As four wheelers, we have been treated un-fairly for many years now. If a point series were ever to be started, now would be a perfect time. The need for it is now!

Once the word got out, I am almost positive we could out number dirt bikes two to one. We need this, and the fans need the excitement as well. I think you will be surprised by both the turnout and enthusiasm that an ATV point series will bring.

What we need is a representative, some one who can speak out on our behalf and get us recognized. After all, we are out there, and we want to have just as much fun as everyone else.

I have attended the Saturday afternoon hare scrambles that have popped up from time to time. From what I can see, there would be no problem in getting the large turnout that we so desperately need.

What I am trying to say is, let us have our moment in the sun. We deserve it. We've come a long way. Thank you.

Sincerely,
Brian Jaqua
Brandon, Florida

Brian, Thank you for your letter. Your idea is not a new one. Many times the same idea has surfaced, petitions have been circulated and signed only to lose interest and fade away. You must remember that the Florida Trail Riders is basically a motorcycle organization with motorcycle interests. We have never claimed to be anything else. This doesn't mean that the FTR has a closed mind when it comes to ATV's or their activities. Many members own them and most clubs use them to layout their competition courses, but at the present time there isn't enough volunteers or time to get the job done with all the motorcycle competitions we have now let alone the addition of a ATV points Series. The reason for the FTR Enduro and Hare Scrambles Series is that Motorcycle Clubs are willing to promote sanctioned M/C events. I am sure that if the FTR Executive Committee is approached by a group of established ATV clubs that are willing to promote ATV events and to take care of all the necessary work for a series, they (the FTR Executive Committee) will be more than happy to listen to any proposal aimed at having a "ATV Series".

I have voluntarily entered myself and/or my child in an American Motorcyclist Association & Daytona Dirt Riders Association event on March 7, 1991. The entrant releases the AMA, the Daytona Dirt Riders Ass'n and persons acting on their behalf from liability (including landowners & officers of the above organizations). Entrants accept all liability for injuries or damages suffered by the entrant during practice for or the running of this event. The entrant recognizes that the AMA or the Daytona Dirt Riders Ass'n can't protect Entrant from suffering injuries or damages in this event due to the inherently dangerous nature of off road motorcycle racing. Even if harm or damages to Entrant results from the negligence of the AMA or the Daytona Dirt Riders Ass'n (for example, if Entrant is not warned of a dangerous condition in or near the race course). Entrant must pay for any injuries or damages suffered by Entrant in this event. Entrant certifies that he or she has medical insurance which will pay for any medical expenses arising from injuries suffered in this event. Motorsports are inherently dangerous. You and/or your child should take part in this event based on your assessment of you or your child's abilities. You are responsible for your and/or your child's equipment & protective apparel. The Daytona Dirt Riders are not expert in laying out trails or sponsoring events. Not all obstacles or hazards may be marked. This course is dangerous so ride at your own risk! Entrant agrees that he or she and/or heirs, executors, administrators & assignees will not seek to recover from the American Motorcyclist Ass'n, Daytona Dirt Riders Ass'n, Landowners or any person acting on it's behalf any expenses incurred as the result of injuries or damages, including death, to myself or my child sustained in this event.
