EDITOR'S NOTE

This monthly magazine is published and distributed to the FTR membership to officially inform them of FTR events and business. It is also a medium for expressing personal views, venting frustrations, sharing good times, reporting the efforts of a individual or group or just a good story. The amount of articles received from you, the membership of the FTR, will directly effect the content of each months magazine. Your contributions are needed to directly reflect the interests and opinions of our organization. Your articles can be in any form that you feel like sending us. Pictures are also needed! They should be black and white although some color photos with high contrast can be used. As the editors of the magazine we will do our best to publish a timely, up to date, quality magazine for you, . . . but without your help it will be impossible.

PALM
BEACH

Gator Farm Hare Scrambles

On March 1, 1992 Palm Beach Track & Trail Riders held its first race in over a year on the Russell Ranch Gator Farm in Osteen, Florida.

The weekend began with a Vintage race at one p.m., on Saturday, for pre-1974 and 1975-1982 A, B, and C classes. There were approximately 12 riders and trophies were awarded. At 4 p.m. a poker run was held with 68 riders participating. Trophies were also awarded for this event.

On Saturday night three boy's decided to walk the trail and didn't make it back until well after dark. (They say it gets dark in them there woods once the sun goes down.) Allen Scott, Kerry Simpson and their dads found them and brought them back to their camp. The kids said next time they'll probably bring a flashlight and a jacket.

Sunday arrived right on time and brought excellent weather with it. The track was a little wet because Mother Nature dumped four inches of rain on our previously dry course just a few days earlier. I was diligently working my butt off at scoring when I heard there was a monster mud hole that developed; I know you guys and gals love mud and I'm sure everyone got through fine. (Some of you remember our lake beds at Youth Camp it could of been worse.) The track was a little over 12 miles long and had a variety of fast and slow sections. There was also a fun/technical section along the river.

Turnout was excellent and included some out of state riders. Due to our efforts to keep speeds relatively low we had only a few minor injuries.

With hard work from Herm Stevens, Sue Craig and others scoring was completed quickly and trophies were awarded soon after the last of the "C" riders got in.

Kenny Keylon collected the Hi-Point trophy and our Trail Boss Randy Rash got his first class win in C-Open. (He told me he only rode the track during practice, honest.)

While putting on a long distance race presented a few problems we felt we had a good event. We hope you all had fun to.

In closing I would like to thank the crew of Palm Beach Track & Trail Riders. I'm sure all of you modest guys and gals would like to see your names in print but forget it. You know who you are and I for one greatly appreciate all of your hard work. I also want to thank the Central Florida Trail Riders who worked with

us on this track and helped in locating medical and bathroom necessities.

Thank you to Ron Hawk for finding the land. Most of all Thanks to Ms. Russell who allowed us to have so much fun on her land.

See Ya!
Richard Giuffreda
President PBT&TR

Dorsey Bennett won the Vintage class on Saturday and Sundays Senior-B race by riding a 1979 Malco twin shock bike.

Hey...HOW DO I SCORE ???

Got your attention, I hope... At this time of year there are always a lot of questions about how the year end trophies are awarded. It has been suggested that this information be printed in the magazine to help you understand how the process works.

There are two rules that affect your outcome in each series. The first rule states **you must have points in at least 50% of the scheduled events for a series to qualify for year end awards** in that series. Baring any changes in the FTR schedule the finale count will end up with 8 Enduros and 10 Hare Scrambles. This means you had to have scores for* 4 enduros or 5 hare scrambles to even have your points looked at for a year end award. * **one (1) worked run can be considered as part of the 50% needed to qualify.** So now start counting! Will you have enough events to qualify for year end trophies by the end of the year? **If you don't there are still two enduros and hares scrambles left to go ride and get scores.** Remember your points will not be considered if you don't get past the 50% rule, even if your 1st in your class... On to rule 2. Each series (Enduro and Hare Scrambles) counts only 70% of the scheduled events for the final points. If you are competing in the enduro series, this year because we have 8 enduros, your 6 best events will be counted (70% of 8 = 5.6 rounded up = 6) and if you race hare scrambles, that series will count 7 races (70% of 10 races) for their year end points total. So now you know **the most points you can count, this year, are your best 6 enduro's and/or your best 7 hare scrambles.** At this time of year it is important when looking at total scores that you check to see how many scores the riders in your class are counting to get the placement they have. Quite possibly it could look like your in first place beating 2 or 3 guys bad and your counting 8 or 9 scores and they are only counting 6 or 7. In reality you are getting beat when the series ends. Watch out for that "Worked" it will count as a score when the series is over and it always raises the total points.

Lets talk about a **worked run credit**, there seems to be a lot of confusion about just how that score is derived. In all but a few cases a worked run credit will increase a riders year end points and improve their position in the overall series standings. This is how it is figured: your best scores up to the maximum counted 6 enduros or 7 hare scrambles are added together and then divided by the max number of scores allowed for that division (6 or 7) the result is your average score. This score then replaces your lowest score counted in the original total and you now have a new total (always higher than the old one 99.5% of the time). **What if you don't have 6 or 7 scores to add up?** You add what you have, divide that total by 6, if enduro scores or 7 if H/S scores, and then add the answer in your division to your original total for your new series total. The most common error made with worked run credit is the rider divides their total by the number of events he has counted not the number he can count. Remember if you **don't have the max scores**, you just add the score to the total and replace nothing.

DAYTONA 1992

Daytona

Speed Week is truly the

MECCA of motorcycle activities of all the world. No where are so many types of competition contested by the best riders in the U. S. and in some cases the best in the world all in one period of time and one place.

Daytona Beach the first week in March! If you didn't get to go or have never been start planning for next years "Daytona" now. While perhaps the main interests

of the majority of those that attend Speed Week may not be dirt bikes or dirt bike activities, the number of those that are attending to compete in the multitude of dirt bike events is on the rise. The most famous of the off road events has to be the Alligator Enduro. This years Enduro had to be moved from the speedway area due to land use problems. The new area was liked by most and many who are not used to the

Florida terrain and woods gained a large respect for the area just to the right and left of the trail, lots of stumps. FTR member and current FTR Enduro Series Champion, Joey Hopkins from Aiken, SC. was the overall winner with a score of "1". This makes the second time the Team Green rider has won the "Gator". Second Overall went to another FTR Member KTM rider Allen Gravitt who dropped only 3 points. Allen was followed by

George Waller from

Alabama to make it an all South sweep of the 42nd running of the Alligator Enduro.

The riders who finished right behind these three make up a list of who's who in Enduro riding. 4th was Kevin Hines former National Enduro Champ. Next was current Enduro Champ Jeff Russell followed by Larry Roeseler, Jeff Fredette and 3 time National Champion Randy Hawkins.

Approximately 100 FTR members entered the enduro and took home around 35 trophies. Congratulations to you all. Because we though you would like to see how you did we have printed the results for FTR riders only on the next page.

On Friday there was a Hare Scrambles race on the now popular Russell Ranch. While the promoter of the race has not made the results available to us at this time, we can tell you that FTR

Hare Scrambles Champion Kenny Keylon took second to another Team Green rider Duane Connor from Washington, PA. While Kenny was 2nd by just seconds, he beat Honda sponsored Scott Summers the current National Hare Scrambles Champion who took 3rd. Randy Hawkins was 4th. Randy's ISTE rider friend Jon Hrehor from Czechoslovakia came in 5th.

"FLORIDA'S RACE HEADQUARTERS"

LETTERS TO THE EDITOR

Dear FTR:

I've come to the astounding conclusion life is like a hare scrambles series!!! When you've run all of your races and the series is over, you think back of performances. Some races that you have won, some you just did your best and did not win, some you couldn't win due to equipment, some you just couldn't "get there from here", some you worked for average; hopefully God will mark off your worst runs, too.

The Osborn Family would like to thank each and every one for their help getting them home from the last race at Gator Farm. Mr. Baggett & Mr. Cassidy for helping push, even when their sons were on the line to start their race - two fine young men who went ten miles to get transmission fluid and brought it back to us while stranded on the sand road - (I also would like to apologize to the people who blew their horns at us to get out of their way - I'm sure they did not realize how bad our situation was) - thanks to all the ones who passed and asked if they could help - thanks to the Ross men for stopping as we limped along just to see if they could do anything - a big super thank you to Bobby Barton for towing our trailer home and following us while smelling all the burning fluid (we poured 21 quarts of transmission fluid in our two hour trip) and helping lane changes as needed - thanks to the other Winter Haven riders who offered to tow or do anything they could to help.....you are all wonderful and we are so thankful for fellow FTR riders..

I know God will mark off some of your bad runs.

Sincerely,
Nancy I. Osborn

Florida Trail Riders,

Hello, from the Gannon's. We have not been with you on the weekends, but we have been keeping up on all of you, from the Trail Riders Magazine. Thank you, for sending us the magazine. We have been in Las Vegas for the past year. But we are coming back to Orlando in June. Alex's is going to M.M.I.

You Are The Best

Hello to Tim Buffaloe and family. See you in the woods.

Alex & Suzanne Gannon

RIDERS' NOTES from Joe Steidl, Hare Scrambles Chairman, 3/5/92

Our next Hare Scrambles Committee meeting will be at 5 pm Saturday, April 12, at the Lake Wales Hare Scrambles. Look for my blue and white Ranger (#466). Among other things, we'll be looking at starting orders. Now's the time to give me your input. I'm especially interested in hearing comments on the AA/A's on one row idea.

** Also Note: This meeting will be the Sanction Meeting for next season. All clubs must send a representative with the date(s) your club is interested in.**

Elsewhere in this issue you will find information on Florida MX Clubs upcoming May 10, 1992 Muscular Dystrophy Association benefit race, hosted by Damon Bradshaw.

Dear Editor;

I am writing this letter to thank all the people who either helped or showed concern in the February 16 Hare Scramble prerace crash which left me with a grade 3 dislocated shoulder, a fractured right knee and other cuts and bruises and a broken ego. First I would like to say thanks to the riders and there family and friends who came running to help as I don't remember anything about the crash, one minute I'm riding next minute I'm looking up to strangers wanting to help. Next I would like to thank Ron Richardson and his wife in helping in taking care of my injury's, (even though I'm one of Ron's competitors). Then I would like to say thanks "MOM", to I believe Suzanne Dick's mother, for talking me out of racing that day or putting the fear in me. She told me of her daughter who crashed at Deer Park race and all they went thru and that there's always more races. Last but not least I have to thank my girlfriend Erin and Bob Torbitt for driving me home and listening to 4 hours of moaning and complaining from me.

Thanks; and see you next race

Mark Davis #115 C-OPEN

P.S. I only wished this was a AMA sanctioned race, because I have riders insurance which would helped in my losses. But FTR is still the best and keep up the good work.

SUZUKI. Contingency Program Announcement

The Florida Trail Riders magazine has received a copy of Suzuki Advertising Bulletin # 24-92 dated March 16, 1992, titled "1992 OFF-ROAD CONTINGENCY PROGRAM ANNOUNCEMENT". This Bulletin did not bring good news to RMX Riders. Just before taking this magazine to the printers we were contacted by Joey Peterson Florida's District Sales Manager for Suzuki. Joey asked that the contents of the bulletin not be printed because there had been some changes in the information contained in it. The Suzuki FTR Contingency program and policies were being re-evaluated and there is a possibility that the outlook for FTR contingencies is going to be better than first reported. While he could not be specific about what was going on he did state he would get back with us as soon as he had any word. Hopefully we will have some information to include in the May magazine about this for you.

SCHOLARSHIP TIME

In accordance with the Florida Trail Riders Constitution and By laws a \$500.00 scholarship is offered each year to a member or immediate family member of a FTR member selected from those who have submitted application for the scholarship. The winner of the scholarship will be selected by a selection committee and will be announced at the banquet this year, August 1st.

The Selection Committee for this scholarship is made up of professional people, all FTR members, who understand the importance of education and the benefits that can be derived from attaining a college education. The selection process is complex and uses a points system that awards the scholarship to the most needy rather than the most popular.

Applications can be obtained by writing to FTR SCHOLARSHIP, P. O. Box 5141, Titusville, FL 32783-5141. If you have any other questions you can call 407-264-0559 for information.

The DEADLINE for returning completed applications is July 1, 1992.

DAMON BRADSHAW'S MOTHER'S DAY MOTOCROSS FOR MUSCULAR DYSTROPHY ASSOCIATION

DATE: May 10, 1992
TIME: Racing Starts at 10:00 a.m.
LOCATION: MotoCross of Marion County, near Ocala
ADDTL' INFO: Ken Rudd 904/399-0213
Ken Blackburn 904/591-2050

The Florida Motocross Club is proud to announce that on May the 10th, 1992 at MotoCross of Marion County in Reddick, Florida, Team YAMAHA's Damon Bradshaw will host his first annual Mother's Day Motocross for the Muscular Dystrophy Association.

Damon's sponsor list is a who's who of Motocross: AXO, Dunlop, YAMAHA, Shoel, Pro-Circuit, Smith, and Uni will be providing contingencies to help raise funds for Jerry's kids!

We are pleased to report that many Florida area retailers, through their advertising dollars, are helping us put together a sizeable pro-purse. This should ensure an exciting day of racing for the masses of spectators expected from all over the south.

MotoCross Action Magazine, Cycle News and Moto World are scheduled to be on hand to cover the outpouring of Motocross support for M.D.A.

Because of the interest demonstrated by other motorcycle organizations, such as Florida Trail Riders, several chapters of the Gold Wing Club, BMW Clubs, Harley Davidson touring clubs, Corvette Clubs and so on and so on, Florida Motocross decided to sanction this event as a "District 8 AMA Motorcycle Fun Day" so that all types of motorcycling could join in and help raise funds for Jerry's kids.

If this sounds like a good time, we hope you will join us. We will have on hand the MDA poster child for North East Florida to help us kick off the activities; Damon Bradshaw to give away prizes and sign autographs and some of the South's finest high flyin' motocross racers to provide the excitement.

So for Damon Bradshaw and his mom Marcia, Florida Motocross Club, MotoCross of Marion County and all of Jerry's kids - See you on Mother's Day!

Oklawaha Pictures

These are the folks that manned the checks at 20 and 24 miles on the course. The checks were at the same location 20 feet apart. No one zeroed either check. As you can see by the flip card on the left the 1st rider is already 9 minutes late.

(Right) John Franklin, from Lake Placid, takes on some gas at the last reset. John is 15 years old and competing in his first year of enduro riding. He won the C-125 Class with a score of 61.

(Right) FTR President, Robert Possehl, gets checked into check #4. Robert ended up 3rd place in the A-250 class with a score of 14 points.

(Above) The picture say it all. Joey Hopkins loses 4 points at check # 5. Despite this loss Joey was the High Point at the Oklawaha Enduro. This win made it two overall trophies in four days for the super fast Team Green rider.

(Left) Former National Enduro Champion Kevin Hines cruises into the last reset on his Husky sponsored 4 Stroke.

HOT LINE

For Enduro, Hare Scrambles
and
Membership information

The Florida Trail Riders will increase its service to the membership by providing a Membership Hot Line. The information number is 407-264-0559. This new line will provide two means of information to you but you will have to talk to an answer machine. The first will be for membership information. This service is basically for non members who are interested about the FTR and how to join. However, Address changes, lost FTR card reports, new ideas, and passing along or requesting information can be left at the sound of the beep. The second service and the one FTR members will be interested in the most will be for Race and Enduro information. The message will tell you when, where and the phone number for additional information for the next hare scrambles or enduro. You'll need to have paper and something to write with ready so you can capture that number when you hear it. This information will be updated after each event or as any changes take place. This new number will be activated the first part of January '92. Another addition to the FTR services is a FAX number. That number will be 407-383-1666 and will be in service from 7:00 AM to 9:00 PM.

CENTRAL FLORIDA TRAIL RIDERS HARE SCRAMBLES

by David Leckie

For the third time in two weeks the Russell Ranch, Osteen, hosted several hundred racers and fans at the Central Florida Trail Riders (A&I Promotions) sponsored Hare Scrambles on March 15. Nearly ideal weather conditions greeted over two hundred riders as they tested their skills on a well watered course. Spectators found several good spots to watch their favorite competitors navigate a combination of open pasture, churned up mud holes, tight woods and fast fire road sections spread over a nine mile circuit. There were few surprises in the results column as the fast guys (particularly Mr. Fast Guy, Kenny Keylon) found the quickest lines around the Maynard Patterson and Cliff Golby plotted course.

The speed of the racers on the course was a welcome contrast to the delays many entrants endured at Sunday morning sign-up. A combination of a low number of pre-entries and the extra steps associated with the AMA sanction created some delays. Also, the extra dollar being collected by club treasurer Dianna Rawls as part of the entry fee in lieu of a gate fee caught several riders by surprise and added to the hold up (CFTR matched the extra dollar, and provided the two dollar per rider fee to the Russell's to repair the damage done to the grassy fields). Finally, due at least in part to the exhortations of the assembled crowd, sign up chief Dan George got everyone entered in time for them to have a shot at a practice lap if not a trophy. Events were right on schedule as Referee Leon Rawls waved the Senior A's off the line at 10 o'clock to start a full day of hard racing.

Although the racers were as fast as ever, the scoring team put together by Larry Walls was more than adequate for the task. Relying on the talents of several volunteers under the direc-

tion of his special guest scorers (the Powell's and the Boughan's), Larry had the official results posted in near record time. As a result, the formality of trophy presentations was gotten out of the way directly following the protest period and the real entertainment of the weekend got started.

Those who stayed around until the end of the day were treated to some of the most exciting and talented motoring action seen anywhere: dozens of motor homes slipping, sliding and spinning on the slick mud in an attempt to thread

their way through the hole in the fence and out of the camp area. Fortunately, with everyone pitching in to lend a hand, no one was left behind and the tractor provided by the landowner was not needed.

The Russell Ranch has become a hotbed of off road motorcycle racing of late. In addition to the PBT&T, Hawk Brothers and CFTR sponsored events, a night Easter Egg Hunt run is planned for April. And, the word is that the Russell's are looking forward to regular racing events on the property. Some of the clan are also competing in the events and

others are planning on joining in. Given the attitudes of our hosts, the central location, and the good racing conditions available, this property is a real find.

The Central Florida Trail Riders, in conjunction with A&I Promotions, would like to offer our thanks to The Russell Ranch, the riders and, especially, the volunteers who helped us put on this event. Without your help there's no way we could have done it. Thank you and CFTR looks forward to seeing you at the Richloam Enduro on May 31.

Kenny Keylon on the way to his 7th High Point this season and his 4th Florida Trail Rider Hare Scrambles Series Championship.

SOUTHWEST FLORIDA TRAIL RIDERS FEBRUARY 16 HARE SCRAMBLES

BY BOB THORP

FTR Hare Scramble riders ventured south the weekend of February 15th and 16th for the sixth meet of the 1991/92 season. The event promoted by the Southwest Florida Trail Riders, their first, began Saturday as riders from across the state slowly drifted in to sign up and unpack their gear. Saturday afternoon saw three and four wheel competition as twenty ATV's began practice and took the start at four o'clock. SWFTR's own Jeremy Hauser took the lead and the win on his Suzuki Quadracer some six minutes ahead of the competition. Congratulations Jeremy!!! Despite a first turn crash and pile up the seven mile course took it's toll on riders more than machines. Dust, thirst, and fatigue left most riders worst for wear by the end of the race. Tired and dirty those quad racers were still smiling. Congratulations everyone!!

Sunday morning came early, and so did FTR racers. One hundred and one entrants made their way through the early morning fog to the sign up tables. Twenty two, first time riders, joined the ranks of the FTR as well. When the final numbers were tallied two hundred sixty four riders took part in the days events. The hare scramble course having taken threeweekends to lay out was seven miles in length and consisted of a series of short, fast straights that lead riders into tight wooded sections. What had started out as a fast, sandy course by noon had turned into a much more technical trail demanding more finesse of riders. Suddenly palmetto roots and ruts appeared at every turn. Two o'clock "C" classes had been scheduled to run four laps were reduced to three in the interest of safety and time. Senior and Master riders remarked that they hadn't seen a course like this in years having enjoyed it. Younger racers found it challenging and tiring.

One racer who had no problems with sand or palmettos was high point winner Kenny Keylon. Riding the "color of money" Kenny rode off with top honors, Congratulations Kenny!! Days end brought the presentation of awards and accompanying contingencies to class winners. SWFTR's Rich Green working with area bike shops put together an awesome contingency program with local businesses donating apparel, helmets, tires, tee shirts, hats, you name it and Rich gave it away. Throughout the day Rich raffled off, awarded class winners, and simply gave away gifts and prizes to countless FTR members. A special thanks to Rich and those area shops who contributed to the success of the event and to all the FTR members who made the trek south, Thank you! See you all next year !!
