They should be black and white although some color photos with high contrast can be used. As the editors of the magazine we will do our best to publish a timely, up to date, quality magazine for you, . . . but without your help it will be impossible.

THE PREZ BOX

When you sit down and give it some thought, it just doesn't seem like the competition season could be coming to an end so soon. With the first event beginning in August and the last one in June, why do those ten months seem like weeks. 'Cause it's like they say, "Time flies when you're having fun."

A situation came up at a Hare Scrambles event not too long ago that probably could have easily been spotted before a disqualification happened. It seems that promoting clubs used to have a kind of inspection as riders went out for practice. All that would be checked were correct color number plates and correct class letters on plates. A simple inspection done before anybody got on the track, takes seconds to do and eliminates any chance after the event for a protest. Which also means everybody goes home a little earlier. Everybody wins in this situation. It's not a rule but maybe it should be. If by chance it does not become a rule for next season, then it should be a courtesy by the promoting club to do for everybody's favor.

1. Do you travel a long way to get to the races?
2. Do you look forward to a good night's sleep at a hotel?
3. Do you have trouble finding a hotel in the area of a race?

If you answered yes to these three questions, there usually is a reason for finding it hard to land a hotel. Ever noticed that when you are looking at the flyer for an event that there are no hotels listed on it. This is not left off on purpose, just overlooked or not thought about.

Having two or three hotels listed sure is convenient for a rider and/or family putting in a reservation early to help ensure no impromptu camping in the trusty van or pickup. So, as promoters of an event, lets all try to put a hotel listing on our clubs event flyer so everybody sleeps soundly.

The Florida Trail Riders have started on the legal road to try and become the off road motorcycle user group necessary to form the Symms Trails Fund Committee.

Phone calls have been made, letters have been sent, and contacts have been made to help make FTR the organization for motorcycle off road opinion when it comes down to dividing up the Symms Trail Fund monies. It is all still in the due process and a lot of time and commitment will pass before the state finalizes anything. So we will keep all the FTR members posted of future movements.

OFFICIAL INFORMATION

This is important stuff....Commit it to memory because there might be a test on it at a later date.

Probably the question in many Florida Trail Rider members minds lately is... **WHERE IS THE BANQUET GOING TO BE?...** What date is it?...Who is doing it?... And the answers are!... The 1992/93 Florida Trail Riders Championship Awards Banquet will be at the **RADISSON RESORT** on Cocoa Beach (actually Cape Canaveral). The Radisson Convention Center is capable of seating 600 people comfortably, so there should be no crowding problem. The date is **AUGUST 14, 1993**. National Hare Scrambles Champion Scott Summers will be the **guest speaker**. The dinner will be a buffet. At the present time menus are being gone over to get the best and biggest variety of food for the membership. Because it seems that more people dance longer when we use D. J.'s, Jerry Bradshaw has been hired to provide the music. Many will remember Jerry as the DJ at the Orlando banquet a few years back. He was great. The **Apollo Motorcycle Club** will be the host club. Thanks to suggestions by the Apollo club membership and the leg work of club Vice President Lee Daley the above information is available at this time.

Room Rates will be \$59.00 per night. You will need to mention the **Florida Trail Riders Banquet to get this rate**. The address is: Radisson Resort at the Port, 8701 Astronaut Boulevard, Cape Canaveral, FL. 32920. Their phone number is (407) 784-0000. This is a very popular resort in the area so make your reservations early and then you won't have to sweat getting them at the last minute.

Donations of equipment, merchandise or awards for the banquet: Elaina Reynolds has volunteered to take care of donations, gifts and contributions. If you or your business would like to contribute to the banquet please get in touch with Elaina at 904-245-3359 or write her % Mike's Cycles, 6675 SE 110th Street, Bellview, FL. 34420.

If you have any ideas or suggestions on how to make the banquet be more fun and go smoother?
Call the FTR at 407-264-0559 or write FTR, Box 5141, Titusville, FL. 32783-5141 with your suggestions.

CENTRAL FLORIDA TRAIL RIDERS HARE SCRAMBLES APRIL 4, 1993

BY RANDY STONE

Round one of the 1992/93 FTR Hare Scrambles series finally took place April 4. Only seven months late and 100 miles away from the originally scheduled site.

The Central Florida Trail Riders sponsored event was originally scheduled to take place at Russell Ranch on September 13. Unfortunately, high water forced a postponement and the subsequent loss of the property threatened it altogether. When the Ocala Motorsports Complex and the April date became available, the CFTR decided to try it again. Only this time, in addition to a full slate of motorcycle racing on Sunday, the club also provided Vintage, Super Vintage, and Pee Wee motorcycle and ATV races on Saturday afternoon. As if this wasn't enough, a combination poker run and Easter egg hunt under the stars Saturday night capped off the day's events.

Near perfect weather and riding conditions greeted several hundred racers and fans at the Ocala complex that has already hosted two FTR events and one GNCC National this season. In response to a growing interest, the CFTR decided to offer the Saturday events on a trial basis.

The club was not disappointed as 24 ATV's (16 two stroke and eight four stroke) lined up for a 1 PM start. Following four laps of racing over a slightly different course than the bikes would be using on Sunday, Steve Hill pulled into the finishing chute for first overall and first two stroke followed by Chap Skiles and George Nonlik. Kevin and David Hodge were one and two in the four stroke division followed by Barry Black in third.

Following a short delay to give some late arrivals a chance to enter, nine Vintage and seven Super Vintage bikes blasted out of the motocross starting gate around 3:30 PM. After two laps of racing up and down the many hills the Ocala track offers, Dorsey Bennett brought his Super Vintage Maico in for first overall and first in class. Second overall went to Florida Vintage MX Club President Ed Garlin and his Vintage Honda Elsinore. Vintage rider Eric Kraft took third while SV riders Russel McCallister and Steve Smith rounded out the top five. Jeff Kinward brought Larry Walls' Vintage Penton in for third in class and sixth overall.

Next came the Pee Wee races. In a unique format of two "qualifiers" and a "main event", nine Pee Wee and five mini bike racers competed over a one third mile "hare scramble" type course laid out especially for them. During the races, the bikes and riders had to cope with many of the same obstacles they will encounter when they, hopefully, graduate to full size mounts including woods, hills, straights, tight turns, and cheering fans. Based on the two qualifiers, the fastest riders were started behind the pack in the main event dash for the trophies. In spite of that, Larry Cobb managed to catch and pass a determined group of Pee Wees to take home the top honors. He was followed up by Garrett Edmisten and Josh Noel. In the 60-80cc mini bike event, Garrett Edmisten swapped rides and stormed to a win over another wave of up and coming competitors including Parker and Perry Kirten who rounded out the top three. Although these youngsters may not be able to match the speed and skill of the Sunday racers yet, their enthusiasm and crowd support made the event every bit as gratifying to promote as any "A" race.

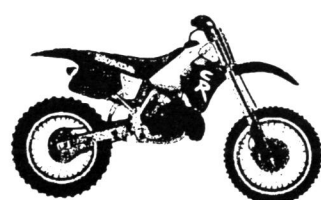

The final event of an already full day was the Poker Run - Easter egg hunt starting about dark-thirty. A total of 45 entries in the two, three, and four wheel categories gathered poker hands and searched the dark for prize bearing plastic eggs over six miles of hills and valleys that look a lot different at night than in the light of day. After the final tally, Raymon Spivey and Preston Ritten shared the win in the motorcycle division, Jeff Hendrix took the honors in the three wheel class, and Susan Hodge was contemplating a life of leisure from her winnings in the four wheel bracket.

Although the Saturday night change to Daylight Savings Time fouled up a few, most folks apparently remembered to reset their clocks and 281 riders turned out for Sunday's races right on time. The same apparently cannot be said for the ambulance, however. Non-arrival of the emergency crew delayed the start of practice until about 8:30. Trail Boss Dorsey Bennett decided to make use of the delay to hold the riders meeting before practice and the first race got off on schedule.

As the 100 riders in the Specialty Classes charged off down the start straight, most spectators focused their attention on a close battle at the front of the pack. Senior "A" rider Robin Frey and Super Senior "A" rider Mike Reynolds averaged a little less than three seconds a lap difference for four laps. After an hour and a quarter of all out racing, the two finished a mere 11 seconds apart with Frey ahead when it counted. The final scoring, however, showed that Senior "B" rider Chris Douthitt came out of the pack to take the ten o'clock high point by 25 seconds over Frey.

CENTRAL FLORIDA TRAIL RIDERS HARE SCRAMBLES CONTINUED

The noon race always has something to keep spectators interested and entertained and today was no exception. Just after an almost full gate of "A" and "AA" riders charged down the start straight, a major pile up over the first jump sorted out the field in a hurry. Fortunately, no one was injured and the downed riders were up and away before the second group of bikes left the line. The rest of the field got off without incident.

A race for the top spot quickly developed between series points leader, "A" Open rider Mike Phillips and, a previous Ocala winner, "A" 250 rider Jon McCabe. The two raced head to head for six laps with Phillips holding on for his fifth high point of the season by a mere 16 seconds margin over McCabe. FTR President Robert Possehl, "AA" class winner, rounded out the top three. Steve Hill, Saturday's ATV race winner, came back on Sunday to win a battle of attrition in the "A" 200 class in between duties as a course marshal and clean up rider.

Delays in getting the "A" and "B" riders off the course meant a slip in the "C" class race starting time. Fortunately, the threatening rain clouds passed and the four lap race got off by 2:30. Although Open class rider Geno Brown walked away with the overall, several class battles were going on behind him. In the 250 class, Steve Dye and Daniel Larson rounded out the top three overall with only 17 seconds separating them. Just behind them, a half dozen other 250 contestants crowded into the scoring chute within a minute of each other. Equally tight contests were going on in all the classes for some of the best racing of the day.

Although sorting the large number of scores and settling a couple of protests delayed trophy presentation, the club tried to make the wait a little more palatable by including several contingency and door prizes. These included a Bieffe helmet given away in a free drawing, handlebars, and assorted other goodies courtesy of Dorsey Bennett and Cycle Salvage of Orlando.

The Central Florida Trail Riders would like to thank the over 300 riders and workers who came out to make this race weekend such a success. Thanks to track operators Mike McQuaig and Steve Binegar for your hospitality and help. And, especially, thanks to the Boughan's, Powell's, and the non-riding spouses and significant others who helped us so much in putting and keeping everything together. We look forward to seeing you all at our Richloam enduro on May 30th.

It's Scholarship Time again!

The Florida Trail Riders will present at least a \$500.00 scholarship to a FTR member or relative of a member at the FTR Awards Banquet this summer. To be eligible for this award you will need to write to the Florida Trail Riders at P. O. Box 5141, Titusville, Florida 32783-5141 and request an application for "the FTR Scholarship". Requests must be made before **June 1, 1993** and the completed application returned to the address list on the application prior to July 1, 1993. At that time all completed applications will be forwarded to the five members on the selection committee. This committee makes its selection based on merit and need rather than popularity. This is done using a process that makes it impossible for the committee members to actually know who they have chosen until after they have made their selection.

Last year the "Scholarship Fund" was enriched by \$1525.00 from donations by the FTR Clubs and members. It is hoped that we can encourage the clubs and the membership to again consider making donations to help supply the winner(s) with more than just book money.

Enduro Committee Meeting Notice

There will be an Enduro Committee Meeting held at 6:00 PM on Saturday, May 15, 1993 at the camping area of the Manasota Trail Riders HARE SCRAMBLES.

Please note this meeting will be held at a Hare Scrambles event so we can have a joint Enduro Hare Scrambles sanction meeting. If you plan to ask for a FTR enduro sanction for the 93-94 competition year, be there with your check in hand.

If you cannot attend this meeting, send me a written request for the date you want, include a check for the sanction fee, and I will put in the date for you. (Jack Terrell, 911 Winding Oaks Drive, Palm Harbor, FL 34683)

The meeting also will be the only chance you will have to propose rule changes for the 93-94 enduro season.

We will review the work run credit rule to see if any changes are proposed.

Suzuki Victory Stand

4 out of 5 champions who race Enduros are Randy Hawkins.

Well, he's done it again. Randy Hawkins has chewed up the competition and spit them out by winning his fourth AMA National Championship Enduro title. After three consecutive championships, Randy barely missed last year's title due to injury, but by sinking his teeth into it he easily regained his crown this year. In fact, Randy really took a bite out of the competition by winning 4 out of 10 rounds, with Suzuki RMX250s taking the honors an impressive 6 times. It's no wonder Team Suzuki is all smiles.

In 1992, Jan Hrehor was a pronounced winner.

Czech this out. In less than three short months, Czechoslovakian star Jan Hrehor (pronounced "Ray-hor") ran away with five AMA National Hare Scrambles and Grand National Cross Country events aboard his Suzuki RMX250. If that weren't

enough, the 28-year-old teammate of four-time National Enduro champion Randy Hawkins also captured the last AMA National Enduro of the season. Obviously, Hrehor is no foreigner when it comes to winning. Congratulations on a great season, Jan!

The 1993 RMX250. The best just got better.

What do you get when you

cross the lightweight responsiveness of the legendary Suzuki RM250 with the sturdy reliability of a multi-ISDE Gold Medalist? Only one of the winningest AMA National Enduro Championship bikes around. And this year we've given the RMX250 a whole new bag of tricks. Like a redesigned intake tract and exhaust system for a broader power band. Improved damping characteristics in the forks and rear shock for more consistent response. And better crankcase reed-valve induction and revamped transfer ports for even greater throttle response. The 1993 Suzuki RMX250. The best just keeps on getting better and better.

At Suzuki we want every ride to be safe and enjoyable. So always wear a helmet, eye protection and protective clothing. Never ride under the influence of alcohol or other drugs. Study your owner's manual and always inspect your Suzuki before riding. Always supervise young riders. Along with concerned conservationists everywhere, Suzuki urges you to "TREAD LIGHTLY" on public and private land. Preserve your future riding opportunities by showing respect for the environment, local laws and the rights of others when you ride. Professional riders pictured.

Hare Scrambles Series Standings After 7 Races

The following scores are from FTR Hare Scrambles Scorekeeper Thomas Missimer. We have modified them to just show your total points (the figure on the far right). Also listed is the number of races that you have scores in (next to last figure). If this figure has a * in front of it that means the rider has a worked run credit and will receive a average score in place of his lowest counted score when the final scores are figured. This year, because we will have 9 races a rider must have raced in "5" races to be eligible to receive a "Year End Award". Your "6" highest scores will be counted for "Year End Awards".

Membership information**

The Florida Trail Riders has increased its service to the membership by providing a Membership Hot Line. **The information number is 407-264-0559.** This new line will provide two means of information to you, but you will have to talk to an answer machine. The first will be for membership information. This service is basically for non members who are interested about the FTR and how to join. However, Address changes, lost FTR card reports, new ideas, and passing along or requesting information can be left at the sound of the beep. The second service and the one FTR members will be interested in the most will be for Race and Enduro information. The message will tell you when, where and the phone number for additional information for the next hare scrambles or enduro. You'll need to have paper and something to write with ready so you can capture that number when you hear it. This information will be updated after each event or as any changes take place. This new number has been activated since the first part of January '92. Another addition to the FTR services is a FAX number. That number will be 407-383-1666 and will be in service from 7:00 AM to 9:00 PM.

I Effective April 1, 1993 Jack Huffman has accepted the position of Florida Trail Rider Business Manager. This is a new position that the Executive Committee feels is a needed position, it is a non-voting position. The duties of this position will be as follows:

1. To take care of the everyday FTR Business. Maintain a central location including a permanent mailing address, a FTR phone number (407) 264-0559 and a Fax number 407-383-1666 from which all FTR contacts and questions can be handled and/or directed to the proper and responsible committee or person.
2. To maintain a stock of event supplies and provide the promoting clubs with these supplies as they request them.
3. Take care of collecting monies due the FTR in the form of Head Tax, Team fee's and supplies.
4. Be responsible for all records and dues pertaining to the FTR Membership.
5. Work with the "Membership Relations Committee" to promote the FTR.
6. Work with the "Land Use" and the "Legislation" Committee's to help fulfill their goals.

II Jack Terrell updated us about the Croom Fence project. At this time the backroad (west side of Croom) has been turned down. New ideas by State officials is to fence in current entrance road and only allow licensed vehicles on this road. The fence may be used on that road, more information to come.

III Robert Possehl stated that there is talk about setting up a new closed riding area near Ocala in the future.

IV A letter is being sent to the Chief of Bureau of Local Recreation Services Department of Natural Resources, 3900 Commonwealth Blvd., Mail Station 585, Tallahassee, FL 32393, requesting that FTR have a member on the committee that recommends the spending of money from the Symms Act.

V Keith Allen reported FTR Post Cards have been printed and are available for use in contacting state, federal and local officials regarding FTR business.

VI Also a proposal for FTR to hold a membership drive with prizes to be given to any current member who bring in new members.

VII Discussion about all member clubs policing pit riding more closely. This can be a problem all FTR members need to do policing of the pit riding before somebody is hurt.

Respectfully submitted by

Dennis Seburn, FTR Secretary

MICHAEL SETTLE RECEIVES AN AIR FORCE ACADEMY APPOINTMENT

Seventeen year old Michael Settle from North Miami Beach has received an appointment to the United States Air Force Academy in Colorado Springs, Colorado. Michael who is a Senior at North Miami High School will graduate in June with a 3.8 grade point average. He was nominated for all three Military Academies by U. S. Congressman William Lehman from the Miami area. Michael, his father Robert and younger brother David have been Florida Trail Rider members for many years. This year Michael is competing in the B-125 class of the Hare Scrambles division and at this time he is in first place. During last years series he received a Suzuki RM 125 under the Suzuki Rider Support Program, courtesy of Todd Sandoval of Palmetto Kawasaki Suzuki in Hialeah, he went on to win the FTR Junior Class Championship. Prior to that Michael had won the Mini B series. In his spare time Michael joined the Police Explores and helped the North Miami Ploice Department with there duties.

Congratulations to you Michael. I am sure that you, your family, and your friends in the Florida Trail Riders are very proud of your accomplishments and the positive exposure you brought to and had on our great sport of dirt bike riding and racing.

Still looking for a CRASH VIDEO

We received a letter from FTR Member Ron Robbins concerning a crash he had in the 10:00 race on the jumps right after the start at the November 15, 1992 Hare Scrambles promoted by the Suncoast Trail Blazers. Ron was riding in the Masters "A" class (Blue Number Plate) with the #1A on his Kawasaki and went down around the third set of jumps. He is vary anxious to obtain a copy of any video which may have been taken of the crash. He says the need for this is work related and not personal and he would be glad to purchase footage of this crash. He can be reached at (813)463-8960 evenings or write to Ron Robbins, 1145 Main Street, Ft. Myers Beach, FL 33931-2242.

Ron has just returned from a trip to Japan that included a visit to the Kawasaki Motorcycle Manufacturing facility and the high speed oval and motorcycle testing facility at Yatabi. The Japan trip was a fascinating experience. He sent us pictures of the plant, the assembly line, test track, dyno rooms, and new bikes being ridden off the assembly line. All were very interesting. He stated that they were producing 1000 bikes a day while he was there.

NOTES FROM THE HARE CHAIR ...

Minutes of the Hare Scrambles Committee Meeting held on 4/3/93 at the Ocala Hare Scrambles.

Officers present:

Joe Steidl	Chairman
Tim Myers	Referee
Tom Missimer	Scorekeeper

Rider Reps:

A	Bernie Knowles
B	Sim Simpkins
C	Jeff Stanton (no, not that JS)
Senior	Carl Monroe
Womens	Cheryl Myers

Clubs:

CFTR	Randy Stone
Suncoast	Boyd Ashley
Sunrunners	Dee Dee Simpkins

I called the meeting to order at 6 pm.

New Business: These items were proposed, to be voted on at the 5/15/93 H/S Committee meeting.

1.a. An alternate method of awarding advancement points is to base the points directly on the rider's finish in his/her respective class. This method would be easier to understand, would not be affected by course changes, and would be simple to implement. As an example, points could be awarded as follows:

1st place - 10 points
2nd place - 5 points
3rd place - 4 points
4th place - 3 points
5th place - 1 point

Forty (40) points would be required for advancement and only the previous 10 events would be counted.

1.b. On a somewhat related subject, the Committee proposed to clarify the rule that states "no promotions after the season halfway point". That will be changed to "no promotions after the 5th race."

2. A rider has proposed that to increase the competition in the AA Class, any rider who High Points an event be promoted to the AA Class. The Committee decided not to pursue this.

3. The current procedure is for Helmet Cards to be given to the Scorekeeper, as backup data. It has been asked if this requirement is necessary. Tom says he doesn't use them.

The Committee decided to waive this requirement. The Helmet Cards will still be given out, checked at Tech and the start. They just won't be collected at the finish, then given to the scorekeeper.

4. I pointed out to the clubs in attendance that we've been lax lately in the area of Tech Inspections. I brought this up so the Committee could reach a consensus on this subject. Tim Myers (Referee) will emphasize this to all clubs, and enforce it.

5. It has been proposed that the official score posted at the race be the final score, and that all clubs will be required to post all rider's finish position/times. In other words, scores are final at the end of race day.

P.S. Reminder, there will be a Hare Scrambles Committee meeting 4/15/93 at 6 pm at the Manasota Hare Scrambles. This will also be the Sanction Meeting.
