EDITOR'S NOTE

This monthly magazine is published and distributed to the FTR membership to officially inform them of FTR events and business. It is also a medium for expressing personal views, venting frustrations, sharing good times, reporting the efforts of a individual or group or just a good story. The amount of articles received from you, the membership of the FTR, will directly effect the content of each months magazine. Your contributions are needed to directly reflect the interests and opinions of our organization. Your articles can be in any form that you feel like sending us. Pictures are also needed! They should be black and white although some color photos with high contrast can be used. As the editors of the magazine we will do our best to publish a timely, up to date, quality magazine for you, . . . but without your help it will be impossible.

COVER: Action at the start of the B-125 class during the Palm Beach Track & Trail Riders Hare Scramble June 6th. Jeff Hirsberg (#41), from Miami, had the fastest time of all the "B" riders at the race and took first in his class. #17 Doug Mason ended up with the third place class trophy. Curt Epperson #7 had problems that kept him from finishing. The race was held at the Ocala Motosport Complex just North of Ocala .

Doug Sullivan

1952-1993

Doug Sullivan a long time member of the Florida Trail Riders died on Sunday June 13, 1993 as the result of heat stroke while competing in a Florida Trail Rider sanctioned enduro.

Doug's many friends knew him as a sincere and intense motorcyclist with a warm and friendly presence. A person who loved and enjoyed dirt bike riding and racing and one who never openly complained about an organizations efforts to promote his sport.

Our sincerest sympathy to Sullivan family

Godspeed, Doug

STRAIGHT ARROW ENDURO

by Randy Stone

Near ideal riding conditions two years in a row. TWO whole years with no bike swallowing water holes or filter clogging dust at the Straight Arrow Enduro? How could this be? Global weather patterns must really be changing!

That may be what regular competitors in the annual Central Florida Trail Riders classic may be thinking. But the volunteers who spent several May weekends choking through the billowing dust and then shivering through the downpours the two days before the event know better. The 19th annual was almost a non-event as forest officials worried over the high fire risk brought on by the very dry conditions that prevailed all month long. Literally overnight those concerns were replaced by fears of another 1991 event when 30% of the field fell out before the first auxiliary gas due to the high water everywhere on the course. Luckily for all concerned, and despite all predictions, the rain that fell was well timed and just the right amount to remind riders that this was, after all, the Straight Arrow Enduro at Richloam.

A record 193 riders showed up at the starting line to contest this year's Memorial Day weekend event. The large turnout was the result of a couple of factors. First, it seems that a lot of SETRA riders needed one more ride to boost their year end standings. Second, since this year's Straight Arrow was not the last enduro of the FTR series as usual, fewer FTR riders decided to skip it. As an added bonus, the Monday holiday provided an extra day to recuperate or drive home.

But, just as every silver lining has a cloud, popularity for an enduro on public land can have a down side. In this case, it means that we had a whole squad of enforcement personnel on hand

to see what was going on. And like enforcement personnel are supposed to do, they decided to check out why some bikes didn't have their forest stickers stuck to the forks, metal license tags attached, and their lights turned on. Fortunately, a shortage of stickers earlier in the day accounted for the first item but the other two were a little harder to explain. Apparently, the concept of "enduro legal" needs some work. Following some discussion, the event proceeded without further incident but expect some changes for next year's run.

Following the usual delays in getting all the scores tabulated and posted, a brief rain shower, and a few minor and one major protest, trophies were awarded and most everyone was on their way home sometime between Miller time and supper time. Even the last few hangers on who stayed around for the final clean up were on their way well before dark. The Central Florida Trail Riders extend our appreciation and thanks to all the workers who made this one of the easiest events to put on, the record number of participants who made it worthwhile, and especially Eddie Duval and the rest of the staff at the Withlacoochee Forestry Center for their help and support. We are already looking forward to next year's 20th annual. Who knows, by then we may be dodging icebergs in Gator Slough!

Oh, by the way, congratulations to perennial high point rider Joey Hopkins who seems to own this event. Maybe next year we can get more than seven points from you if we pay everyone not to give you gas if you run out again.

West Palm Gator Pit Hare Scrambles

On June 4, 1993 the Palm Beach Track and Trail Riders promoted race #9 of the Florida Trail Riders Hare Scrambles Series. The race was held at the Ocala Motosports Complex just North of Ocala. This would be the last race of the year long series and traditionally the last race of the series doesn't draw a lot of riders and this race fell into that trend.

While the Overall Championship was settled by Mike Phillips a few races back and a bunch of class championships were won at the Manasota Trail Riders race #8 there were still many class champions that would be decided at this race. Also the points earned at this race would move a lot of riders up in the final standings for year end trophies at the banquet.

This years Hare Scrambles Series was different than in years past. The first race of the year promoted by Championship Motosports Racing Association (CMRA) had to be canceled due to the loss of the use of their land in Deer Park. The Central Florida Trail Riders jumped on the canceled September date with a race that was supposed to be run on the Russell Ranch in Osteen. Mother nature canceled that one due to heavy rains and high water. The next race and the first race of the season was at the Rodeheaver Boys' Ranch, just South of Palatka. This has always been a popular riding area and so the first race of the series drew a bunch of anxious and frustrated Hare Scrambles riders. Mother nature had her say at this race too. It was muddy, but rideable. The second race of the series was promoted by the Suncoast Trailblazers at a brand new location for most FTR riders. The Ocala Motosports Complex with its full blown MX track and rocky outback chocked full of unbelievable steep drop offs and power grabbing hills was an eye opener for most riders. If this track didn't give you a rush or make you swallow hard a time or two you could probably qualify for being shot out of a cannon at a circus. Race #3 was held at the same place and at the right time (right after Christmas) it drew a record 414 riders. Apollo had the next race and advertised it as a good ole pasture race. Once again Mama Nature had her say and it was water festival time at the Russell Ranch. On Valentines day a new group, The Manatee Trail Riders, had a race on a new piece of property 28 miles East of Bradenton. Next it would be the Palm Beach Track & Trail Riders race back at the Russell Ranch. Although the property had dried up a lot the race was canceled at the last minute due to squabbling between the owners and legal action that brought all activity on the property to a stand still. In the middle of March the series moved to Ft. Myers and once again the rains dictated what kind of race the club promoted. 300 plus riders start dressed to the hilt, one colorful row after another, only to finish in basic black distinguished only by the bike number (sometimes). The first week in April, CFTR finally

got to do their thing, back at the rock track in Ocala. If we ever have to worry about that place being to wet we are in deep trouble. Apollo had to cancel due to no land. Sunrunners moved their date due to high water then had to cancel altogether for the same reason. Manasota Trail Riders pickup their date and had another race at the same location only with many modifications to the track, more MX type riding than the first race. Now we are to the end of the series with the last race again in Ocala. A quick break down of this years racing reveals that there were 4 races held on the rocky MX track at Ocala Motosports Complex, 2 races held on the East Bradenton track (1 pasture & 1 MX), and 3 pasture/woods type races that could be considered wet. Like I said at the beginning of this paragraph a different hare scrambles season.

In todays noon race Kenny Keylon and Jon Mc Cabe raced to a 5 minute lead over the rest of the "A" riders with Kenny taking the High Point by 15 seconds over Jon who was 2nd overall and 1st in the A-250 class. 3rd overall went to Rich Kemman 1st place in A-Open. 4th overall went to Bobby Moriarty who won the A-125 class and 5th went to Wade Evans who ended up 2nd in the A-250 Class. In the "B" classes, B-125 rider Jeff Hirsberg won his class and was the high point "B" rider. Open rider, John Gillespie, won the B-Open class and was second overall "B" rider by 3 seconds. Third overall "B" rider was B-250 winner, Jonny Simpkins.

In the morning races, Chris Douthitt posted the fastest time of the race for a first place in the Senior "B" class. (No that isn't a typo) Both Chris and 2nd place Senior "B", Les Burnside, had times that would have won the Senior "A" class. If you compare times you will see that the first four riders in the Senior "B" class would have trophied in the Senior "A" class. 1st place Senior "C" rider, Mike Broad and Master "B" winner, Chuck Argentine finished together and both told how their session at the "Ricky Johnson Race Techniques" had helped them win this race. Josh Tinsley got back in winning form by taking the Junior class with a 55 second lead.

The last race of the day was shortened from 4 laps to 3 due to the intense heat and the toll it was taking on the riders in the noon race. Corky Muskin was the fastest rider in the race and took 1st place in the C-Open class. The C-250 class was the largest class of the day with 29 riders. It also had one of the closest finishes of any race today. First through 4th place finished just 1 minute and 17 seconds apart. The winner was Brian Merrick with a time that placed him second overall in the race. Matt Tiller won the C-125 race in the closest race of the day where 1st through 3rd finished just seconds apart.

Many thanks to the Palm Beach Track & Trail Riders for sucking up to the occasion and promoting a good event when it would have been a lot easier to just do nothing. Hopefully you will tell them you appreciate all their hard work and the fact they had to travel better than 200 miles to put the race on.

PERFORMANCE PAIR.

With the Suzuki DR250 or DR350, the road to excitement doesn't have to be a road at all.

- Strong 4-stroke engine with sophisticated dry sump lubrication system.
- Advanced air-oil cooling system for reliable power without excess weight.
- Adjustable front and rear race-bred suspension.

At Suzuki we want every ride to be safe and enjoyable. So always wear a helmet, eye protection and protective clothing. Never ride under the influence of alcohol or other drugs. Study your owner's manual and always inspect your Suzuki before riding. Along with concerned conservationists everywhere, Suzuki urges you to "TREAD LIGHTLY" on public and private land. Preserve your future riding opportunities by showing respect for the environment, local laws and the rights of others when you ride. Professional rider pictured.

YEAR END SCORES

On the following pages are the year end scores and the final results of the Florida Trail Riders Enduro and Hare Scrambles Championship Series. This information has been compiled by the FTR Enduro and Hare Scrambles Scorekeepers Tom Russell and Thomas Missimer and submitted for publication and your review. If you feel there is a problem with your score then contact the appropriate Scorekeeper. The phone numbers listed for the scorekeepers are for evening calls only (Please no late calls). If your name is not spelled correctly as listed and you are receiving a trophy it is important that you correct the spelling with the scorekeeper as your name will be on the award. If the bike you are listed as riding is not correct this needs to be corrected so any contingencies or manufacturers awards can come your way without a hassle. **NOW** is the time to get any changes made. **After July 15th these scores will become final and no other changes will be made.** The number of trophies awarded in each class is the minimum amount of trophies to be awarded. If at a later date, it is decided that more trophies can be purchased then each individual rider will be notified if they will receive a added trophy.

ABOUT THE BANQUET

We have been asked many questions about the banquet lately. Here are some of the answers. The banquet is a social gathering where the FTR recognizes those members who have competed on a level that places them within the guidelines to win a series trophy. Usually between 400 and 500 people attend this annual event. The dress is a semi formal style (everyday casual wear to suits & fancy dresses is acceptable). While this is the time for the riders to receive their rewards for a long and hard season of competition, it is also a time the wives, girl friends and support crews to be rewarded with a mini vacation for their support during the year. The evening starts with a social hour get together (cash bar available) followed by dinner. After dinner National Hare Scrambles Champion Scott Summers will be the guest speaker. He will be followed by the awards presentation and dancing. The last couple of years there have been close to 100 dancers still having fun at 2:00 AM. The banquet has always been a different kind of FTR fun event. Send in for your tickets and make reservations now. Meet and get acquainted with your competition. Most of all let the lady of your life go to one FTR event she will really enjoy!

Donations of equipment, merchandise or awards for the banquet:

Elaina Reynolds is in charge of taking care of donations, gifts and contributions. If you or your business would like to contribute to the banquet please get in touch with Elaina at 904- 245-3359 or write her % Mike's Cycles, 6675 SE 110th Street, Bellview, FL. 34420.

FLORIDA TRAIL RIDERS CHAMPIONSHIP

The following scores are the final results of the Florida Trail Riders Championship Hare Scrambles Series. This information has been compiled by the FTR Hare Scrambles Scorekeeper Thomas Missimer and submitted for publication for your review. If you feel there is a problem with your score then call or write to the Hare Scrambles Scorekeeper: Thomas Missimer, 4239 Carlos Court, Spring Hill, Florida 34607 or call him at 904-596-5015 (Please no late calls). If your name is not spelled right or the bike you are listed as riding is incorrect now is the time to get that information changed.

 **HOT LINE**

For Enduro, Hare Scrambles and Membership information

The Florida Trail Riders has increased its service to the membership by providing a Membership Hot Line. The information number is 407-264-0559. This new line will provide two means of information to you, but you will have to talk to an answer machine. The first will be for membership information. This service is basically for non members who are interested about the FTR and how to join. However, Address changes, lost FTR card reports, new ideas, and passing along or requesting information can be left at the sound of the beep. The second service and the one FTR members will be interested in the most will be for Race and Enduro information. The message will tell you when, where and the phone number for additional information for the next hare scrambles or enduro. You'll need to have paper and something to write with ready so you can capture that number when you hear it. This information will be updated after each event or as any changes take place. This new number has been activated since the first part of January '92. Another addition to the FTR services is a FAX number. That number will be 407-383-1666 and will be in service from 7:00 AM to 9:00 PM.

DAILY

JUNE 12, 1993 ENDURO COMMITTEE MINUTES.....by Jack Terrell Committee Chairman

The FTR Enduro Committee met at 6:00 PM on 6/12/93 at the starting area for the Daytona Dirt Riders Scrub Oak enduro. A quorum was present (Jack Terrell, Chairman; Danny Barrett, Referee; Big Scrub, Mike Reynolds; Suncoast, Fred Finch; Tallahassee, David Tharp; Apollo, David MacAdam; Azalea City, Frank Bush; River City, Andrew Ewing; CFTR, Mark Davis; DDR, Nick Krupa; A Rider, Kirk Braden; Specialty Class Rider, Dennis Sebum.

OLD BUSINESS:

A motion was made, seconded and PASSED (10-0) to adopt for the 1993-1994 season the rule change (proposed at the 5/15/93 meeting and published in the June 1993 magazine) to revise Chapter V, paragraph C.13 so that year-end team trophy totals will be determined by the best combined score of 90% of the events sanctioned by FTR. This number will always be at least one event less than the total number of events sanctioned by FTR.

A motion was made, seconded and PASSED (9-2) to adopt for the 1993-1994 season the rule change (proposed at the 5/15/93 meeting and published in the June 1993 magazine) to delete the rule (Chapter IV, paragraph B.2) that anyone high-pointing an event shall ride in the "AA" class for the following year.

A motion was made, seconded and DEFEATED (0-10) to adopt for the 1993-1994 season the rule change (proposed at the 5/15/93 meeting and published in the June 1993 magazine) to eliminate the "AA" class.

The two rule changes passed as Old Business at this meeting are the only rule changes to be implemented for the 1993-1994 season.

NEW BUSINESS

A proposal was made to add a new rule for the 1994-1995 (NOT 1993-1994) season that would prohibit the scheduling of an enduro committee meeting at a FTR sanctioned hare scrambles event. The proposal was adopted by a 7 to 4 vote.

A proposal was made to add a new rule (Chapter IV, paragraph B) for the 1994-1995 (NOT 1993-1994) season that "any rider (except A riders in the specialty classes) winning his (or her) class two consecutive years (beginning with the 1994-1995 season) will be promoted to the next highest rider classification for the following competition year". The proposal was adopted by a 8 to 3 vote.

It should be noted that the two proposed rule changes passed as New Business at this meeting will NOT become rules for the 1993-94 season. They are only proposals at this stage.

The committee reviewed the reclassification petitions of Tom Russell and Tim Johnson, and voted to classify both riders as B riders.

It was noted that a new set of rules need to be developed to provide a method of promoting riders to the AA class. We are requesting that AA and A riders contact the committee chairman to volunteer for a workgroup to propose these new rules. The rules must be written so the FTR AA class rider will be competitive with other organization's AA riders.

The committee noted that equipment requirements (headlight, tail light, current tag, USFS approved spark arrestor, etc.) must be vigorously enforced. The committee chairman was instructed to address this requirement in detail in a letter to the FTR magazine.

The next enduro committee meeting is scheduled for 6:00 PM on September 25th (at the Suncoast Croom enduro).

A motion was made, seconded and passed (unanimously) to adjourn at 7:00 PM.
