It is also a medium for expressing personal views, venting frustrations, sharing good times, reporting the efforts of a individual or group or just a good story. The amount of articles received from you, the membership of the FTR, will directly effect the content of each months magazine. Your contributions are needed to directly reflect the interests and opinions of our organization. Your articles can be in any form that you feel like sending us. Pictures are also needed! They should be black and white although some color photos with high contrast can be used. As the editors of the magazine we will do our best to publish a timely, up to date, quality magazine for you, . . . but without your help it will be impossible.

info page 6 and 7 of this magazine

ATTENTION MEMBERS

If you are planning on attending the banquet, and everyone is invited, please be advised that you will save yourself \$\$\$'s at the HYATT by making reservations early and telling them that you want the Florida Trail Riders Rate (\$60.00 per night). Don't say FTR that doesn't mean anything to the reservation taker. In addition to saving dollars all FTR members will be located in the same area, which is very closet to the Banquet room. Because of the central location the pool will be available after regular pool hours for those that want to take a late night dip.

Saturday Afternoon activities will include line dancing lessons, a pool party and of course the FTR meetings.

Advertising Information & Rates:
For information about advertising in the FTR Magazine and our rates please call 407-264-0559 or you can FAX your request to 407-383-1666.

THE PREZ BOX by Jack Terrell

This column is being written a few days prior to the last event (DDR enduro) of the 1995 competition year. It has been an extremely successful season with increasing numbers of entrants. A big thank you is in order for all the clubs that promoted these events. FTR provides the framework for our competition season, but it is the clubs (and the club members) that make everything happen. The next time you see a member of one of these clubs, take the time to thank them for providing YOU with the opportunity to enjoy your favorite recreational activity.

Elsewhere in this issue of the magazine you will find the results of the year-end standings for both enduro and hare scrambles series. Did you ever stop to think about all the work put in by several individuals to provide this information to you in a timely manner? On the hare scrambles side, Keith Rake has been to almost all the events and helped each club with scoring, posting and preparing the trackside results. This work is above and beyond the job description of the scorekeeper. He then takes these results, enters everything into a computer (a very labor-intense operation), and crunches numbers to prepare the standings. On the enduro side, Allen (and Penny) Collins have been at the scoring table helping clubs calculate and score your helmet cards, post scores on the boards, break ties, and assist in every way possible. Again, all above and beyond the job description. Then head home to separate FTR and non-FTR entrants, manually input scores to the computer, and crunch numbers, sort results, and prepare reports and standings. We had an enduro one week ago, we will have another later this week, yet the results of both these events and year-end standings are in this magazine (which will go to press within 48 hours of key time for the DDR enduro). And once the results are provided by the scorekeepers to the magazine, Jack and Sharon Huffman will burn the midnight oil editing and laying out the results and standings so they will fit within the confines of the available pages of the magazine. You don't just run a copy on a Xerox machine, press a button, and presto have a completed magazine. Next time you read up-to-the minute results and standings in the magazine, think about what it took to make it happen. All these people gave up hours and hours of their personal time so YOU would be informed. They all deserve a personal thank you from everyone of us.

Speaking of volunteers, we need a volunteer to serve as Hare Scrambles Chairman for the 95-96 season. How about it, who is willing to step forward??

All of us are looking forward to the Annual Awards Banquet to be held on Saturday, July 22, at the Orlando Hyatt (near Walt Disney World) located at the intersection of Interstate 4 and US 192. Take Exit 25 (US 192) east (away from Disney World) and turn north at the first traffic light east of I-4. The Hyatt is offering special room rates if you make reservations by July 1st and tell them you are with "Florida Trail Riders" (don't just say FTR). In addition to the special rates, you will be located in the hotel cluster nearest the banquet hall and adjacent to the pool with special extended hours for FTR members. Let me repeat the key information. To receive the special room rates and be assigned to a room in the FTR cluster, you must make your reservation by July 1st and tell them you are with Florida Trail Riders. Plan to attend and enjoy an evening with your friends and competitors.

On the land use front, we have continued our meetings and dialogue with the USFS. We met with Karl Siderits (Forest Supervisor, National Forests in Florida) in Orlando on April 29th. In attendance were David Tharp (TTR), Jack Terrell (FTR), Mark Schmidt (Florida MC Dealers Assn), Mike Jones (Streit's Honda), and Paul Slavic (American Honda). It was a very productive meeting that provided all attendees with a better understanding of the USFS land management process and the needs and objectives of the USFS and motorized recreational trail users. We hope this meeting will be the first of many.

We had a FTR representative (Vic Hajos) at the Florida Recreational Trails Council meeting in Pensacola on May 13th. Motorized recreation was on the agenda (both at the regular meeting and at the meeting of the Ad Hoc Motorized Recreation committee). Vic will provide a report of his observations of the meetings.

This summer we hope to begin improvements at the Croom Motorcycle Area as part of the three grants we received for Symms projects. More information will be in next month's magazine.

We are looking for volunteers to help us with a trail mapping project this summer. If you know of trails that are open to the public, and you are willing to help with GPS mapping of these trails, please give me a call. We will provide the GPS unit and training on operation of the unit. You need to provide knowledge of the trails and a motorcycle or ATV to ride the trails.

See you at the banquet and out on the trail.

The BATTLEFIELD ENDURO

by Andrew Ewing III

Greetings from Jacksonville; Home of the River City Dirt Riders, who wish to thank all the riders and their families who made our event

a successful one. Thank YOU. Please come back again. The River City Dirt Riders is a growing club which aims to please.

Success can be measured in many ways. Good turnout? Over 200 is not to bad but we can accommodate a few more. If you haven't attended the event lately we think you ought to. Then there is successful weather. Sure it was dry and dusty but we think we were very fortunate. Our land is very picky when it comes to rainfall. Just the right amount is very difficult to achieve but we did good. The section between checks five and six would have been unusable had we not had dry weather for two weeks before the event. If one measures success by the percentages of finishers then we did good again. Only 11 of the riders who started did not finish. That's about 5%. Taking a few points, but not too many, is a good goal to have when laying out an enduro. We're not trying to tell anybody how to do this or anything but it makes sense if you know what I mean. Take to few and you breakties all day, too many and you got to add a lot of numbers. Our goal was to take 6 points from the overall winner. Most points were taken at checks 6 and 8. Some riders also dropped time at number 4. For instance in the AA class. Joey Hopkins dropped 4 and 2 at checks 6 and 8 while Steven Smith lost 5 and 3 respectively. No doubt they were having to back off a little before the number 4 emergency check. They came in there about 15 seconds into their minutes.

Generally most of the contest was decided by sheer speed in the two longest wood sections before checks 6 and 8. But it was still an enduro. If you weren't careful with time keeping for the first 20 miles or so (depending on your skill level), or you didn't warm up quick enough to zero the first emergency (#4), then you probably got edged out of a place. Row choice didn't seem to be to much of a factor. At least it didn't seem to be from comparison of scores in the A classes. 25 thru 35 seemed to be a good place to be but a late row wasn't as bad as in past years. Again looking at checks 6 and 8, Frank Ramey dropped 5 and 3 to win the A 250 class. He was on row 29, about mid pack. He got a run for the place from Russell Eply, who dropped 6 and 2 on row 17. Mike Martin, 6 and 3 on row 35, took the A Open class more decisively. Sorry Danny. Nick George was not contested in the A 125 class. That's good too because he managed to loose 15 minutes at check 6 and 7 minutes at check 8. Lucky man. Lloyd Widener took the Master A win with 10 and 5. In Super Sr A it was Johnny Thomas with a 9 and 5. Dr. T. was the only man in his

class who didn't lose time at check 4. Mike Shank won the Sr A class with an 8 and a 5.

Other close calls; Lawrence Griffin edged out Craig Borders by one minute in the B Open contest, J. D. Stockton came out on top in Vet B after emergency points were counted. Jack Terrell dropped three minutes at check 4 and it cost him first place in the Master B class. Charlie Letourneau received that honor by only losing one minute of time in that same section. Scott Frystak beat Don Dehart by four seconds in the C Open class. Don was out of his minute by 9 seconds at the first emergency, (#4). Tough Break.

There were a few complaints about the early checks in the first 8.4 miles. We caught 20 people hot, mostly at 3.0. One guy was hot at both 3.0 and 8.4 and then late as heck for check #4. A couple of guys burned 8.4 real bad. This was the on time, 18 mph, post reset dirt road section, 6.0 to 8.4, marked on the route chart, "SLOW - CHURCH TRAFFIC". That is reality. This is an enduro. We will probably continue this in the future as we are trying to keep the peace with some really nice people who live out there.

While the event can be called a success, it was not perfect. There were a few snags. Some club members aren't so blessed with experience yet. That fool who did the riders meeting told ya'll to ride down U.S. 90 to the start. What an idiot. Fortunately a quick thinking club member was able to appease a very concerned game warden and straighten out that mess. It's hard to please everyone but we keep trying.

Working the last O.B. was somewhat humorous. Most people came in hot because the spot was prime for an early check but it was half a tenth advanced for comfort of the crew. Riders were coming in crawling and then laughing at themselves as they left finally realizing that the flip card was just put there to fool 'em. Ha Ha.

The potential for error in an enduro is mind boggling. That is why success comes through experience. This club is fortunate to have the benefit of the combined experience of Connie and Buddy Gaillard. They have given us a wealth of enduro knowledge. All future success may be attributed to them.

River City Dirt Riders wishes to thank Roger Hunzicker and Georgia Pacific, the Florida Fish and Game Commission, Tommy Spencer and the U.S. Forestry Service. Frank Loughran of the Florida Department of Natural Resources, the Olustee Battlefield Citizens Support Organization, and especially all our volunteer check help and everybody who participated in any way toward a truly positive attitude weekend. Thanks.

SWAMP FOX ENDURO

2nd Try - May 8, 1995

News Flash - An epidemic was reported in the Southeastern U.S. Hospitals late Sunday afternoon - all patients had the same symptoms. A lot of wheezing and coughing producing gray puffs of smoke seems they all rode an off-road motorcycle event called an enduro.

Well the Family Riders and all participants prayed for a dry weekend and we certainly got it in megadoses! About 465 brave competitors decided to tackle the Swamp Fox enduro for the 2nd time this year; and challenged they were - with whoops, tight trails, stumps, heat and of course dust in large quantities.

Many of our friends from Florida made the trip to Charleston to enjoy a co-sanctioned event with SETRA. I hope they felt it was worthwhile. The weekend events started with a Mini Enduro on Saturday afternoon - 17 riders enjoyed the trails and may become our future champions.

Sunday's race had lots of excitement with many near crashes and some real good head plants leaving a few riders injured. Phil Henderson tried to uproot a tree with his knee cap - what a shame he had a shot at overall B this year. Joey Hopkins had to take aspirin before the race so he could feel well enough to even start the event. Jeff Wingard left a large dust cloud along the entire course when he gassed his big ATK. Paul Seburn wheeled his new KTM to a great finish - "Dennis - you didn't let your son beat you, did you?" Maynard Patterson made up for his son's injury by missing all the stumps clearly. Mike Scott's big bore Honda jerked his shoulder out of place causing him to DNF.

Kim Watson — always remember- didn't count on older people to get you into checks on time. They have "Sometimers Disease". Cliff Rogers was all grins after winning in the 125 B class. The Terrell clan had fun but they need to slow down a little at zero checks. I wonder how much Andrew Ewing paid to get Row 1 - How lucky can you get. Mike Shank was hauling A-- as usual. He had an unfair advantage though. Facial filtering system.

Mark Edenfield - bet you can't get the scoring/posting done any faster than it takes to get a shower. David Tharp must have gotten a letter from the EPA last week - he fastened his

silencer on better. Skip Wyman - did those ribs hurt in those long whoop sections - or what. Paul McDonald was seen swimming in the fishing pond while everyone else was getting dirty.

The scoring went quickly and trophies were handed out about 10 minutes after protest period ended. The Family Riders would personally like to extend our gratitude to all supporters of our event - it's been a tough trying year for our club; but will be back stronger than ever.

Dear FTR:

This letter is written in appreciation and special thanks to all who have made this, our first, FTR hare scramble (Quad) season a memorable one for Bob 10B (my husband), our son, Brian 11B, and Brian's friends, Justin Savoie 12B and Tim Claussen 14B (all three boys being 16 years old). I must tell you that, at first, I was skeptical of the boys racing with older, more experienced riders, as I thought the quad races were divided into age groups. I soon found out that my fears were unfounded as the riders helped the boys through some of the practice laps, and even through several of the actual races, stopping to give assistance.

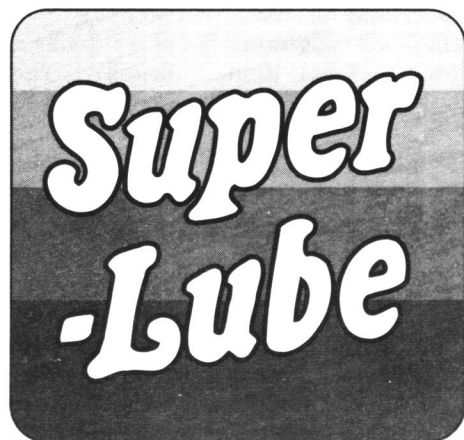

The first hare scramble (Azalea City) went not without incident as Bob, without knowing it, broke his hand on the first lap by hitting a tree. The next several hare scrambles were very exciting. We all met the other riders and their families and friends. The boys especially enjoyed exchanging race stories with the other riders at the end of each race. I, too, got swept away in the excitement. I found myself cheering everyone on to a finish, and at times, became hoarse at the end of the race. I even made a SQUAD RACING flag which we proudly displayed at the races. The 4th hare scramble (Brer Fox) was met with yet another broken bone. Brian broke his arm on the first lap by hitting a tree or stump or something. The Christmas holidays gave us time to mend, and by the time of the 7th hare scramble (Deep South), we were all back on track. Justin and Tim came through the season unbroken. The last hare scramble (Wild Cypress) was filled with mixed emotions. It was hard to believe the season was at its end. Bob and the boys have grown so much in knowledge of their riding skills and have made lasting friendships.

This past racing season, with all its ups and downs, has given a renewed love and respect in the boys for quad racing which they will carry with them for a long time.

We all look forward to the next racing season.

HAVE A WONDERFUL SUMMER!

Sincerely, Pat Cochran, Proud wife, mother, friend and cheerleader

FTR SCHOLARSHIP CHALLENGE !!!

The following have donated to this years Scholarship fund:

Southwest Florida Trail Riders.....Suncoast Trail Blazers
Palm Beach Track and Trail Riders.....Apollo Motorcycle Club
Pro Pad East - P-3 Racing.....Treasure Coast Trail Riders

Each year the Florida Trail Riders sponsors a scholarship to be awarded to one or more of those applicants selected by a process that determines who is most worthy of the award. To prevent this selection from becoming a popularity contest the selection is made without the committee having any knowledge of who the applicants are.

In the beginning this scholarship amounted to just \$500.00 provided from the FTR Treasury. That's not much by today's college costs. Some FTR clubs, businesses and individuals felt the need to increase the scholarship fund and started contributing to this very worthwhile project. The last couple of years Suncoast Trail Riders challenged everyone to meet or beat their donation. This was a huge success as the dollar value of the scholarship increased significantly and three awards were given instead of the traditional one.

The FTR Executive Committee has decided that this year the FTR Scholarship will be awarded in the memory of Kenneth Keylon Sr. If you, your business or your club would like to donate to the Florida Trail Riders Scholarship Fund your check can be sent to "FTR Scholarship" P. O. Box 5141, Titusville, FL 32783-5141 or if you would like more information you can call 407-264-0559

The 95's Are Here!

ATK

1995 will be remembered as a banner year for ATK. Their new management has unleashed an awesome lineup of aggressive new machines which offer something for everyone in almost every class.

The trick 350 and 605 four-strokes will be available as dual sport or **race-ready** machines in electric or kickstart models. Also featured are the potent two-strokes: an aircooled 250 and 406; and SURPRISE! a new watercooled 250 and 260. ATK has further increased its lineup with a quality 50cc motocrosser for about \$1200.

Upstate Cycle has proudly offered Huskys for over 15 years. Husqvarna's 1995 lineup is once again filled with two and four-stroke machines capable of winning, right out of the box. All feature premium components through-out. Showa, Brembo, Mikuni, Excell, Domino, Regina Acerbis, and

trick Husky factory pieces delight the eye as well as the ride. Returning models are the WXE 360, 250 & 125 two-strokes and the 610 & 350 four-strokes. Call us today to reserve one of these hot new beauties before they're all gone.

FTR Update

BANQUET STUFF: Lately, probably the thoughts of many members have cruised through the subject of "FTR Awards Banquet", it's that time of the year. Till now there have been many unknowns about the banquet. This magazine brings to you the answers to most of the questions you may have had. You should now be able to make that decision on whether or not you go. We encourage you to make plans to attend this last event of the 1994/1995 competition season. Your friends and competitors will be there. Why not join them at the Hyatt of Orlando on July 22, 1995 for an evening of fun! While that seems like a long ways off I need to remind you that the GOOD Florida Trail Riders room rate (\$60.00 per night) is valid only till June 30, 1995. After that date room reservations at our special room rate will not be accepted. Banquet tickets must be purchased prior to July 17th. The reason for this cutoff is so we can notify the cook on how many guests he will have. Remember, you can't buy tickets at the door! If you would like to make room reservation right now the number is 407-396-1234 don't forget to tell them Florida Trail Riders banquet. If you have questions about the banquet you can call 407-264-0559. Do it now, LATER may be to late!

HELP AT THE BANQUET: There is always a need for extra help at the banquet. If you think you might have some spare time prior to and during the banquet please call or write the FTR office and let us know. The following meetings concerning the banquet have already taken place. Members of the FTR Executive Committee met with the Hyatt representatives in March. Members from the Apollo M/C Club, Central Florida Trail Riders, Daytona Dirt Riders, and the Suncoast Trail Blazers had a planning meeting with the Hyatt personnel on May 26th with one more meeting planned prior to the banquet. If you would like to get involved let us know.

CONTINGENCY AWARDS: Conrad Eigenman has graciously volunteered to contact the motorcycle industry concerning supporting our banquet with riders awards, prizes and gifts. If you are a dealer and would like to contribute merchandise or certificates to be awarded at the banquet please contact Conrad at 407-269-5941 (Spaceport Cycles 9-5).

ACTIVITIES: In addition to the activities already announced there will be a hospitality room for "Charter members of the FTR". This room will be hosted by FTR organizer and first President Jim Hines. Even if your not one of the old timers come on bye have a drink and say hello and talk to the man.

OLD TIMERS BREAKFAST: The much talked about Sunday morning, after the banquet, breakfast is on! A buffet breakfast, eggs, potatoes, ham, cereals, fruits etc., will be served from 9:00 till 12:00. While we have invited a whole bunch of the long time FTR members to come to this breakfast it is open to any and all FTR members. Any one can come. This breakfast is to celebrate the FTR's 25th year. The FTR founder, Jim Hine, along with many of the past presidents plan on attending. The ticket price for this breakfast is \$13.00 and advanced reservations are required. The cutoff date for receiving breakfast ticket reservations is July 17th (the same as for banquet tickets). If you are one of the old time FTR members we encourage you to contact some of your old time FTR riding buddies and see if they would like to get together with you and other long time friends and riding buddies. Want more information call 407-264-0559

DIG IN THE DIRT LONG ENOUGH AND YOU'RE BOUND TO HIT THE MOTHER LODE.

Get ready to stake your claim, because Suzuki's Off-Road Contingency Program will post over **\$520,000** in 1995. *And forget the pickax* and the weird helmet with the little light on it. The only tool you'll need is an RMX250. The bike that captured three major AMA championships and multiple ISDE gold medals in 1994, and now wants to introduce you to your piece of over half a million dollars. *But you'll have to hurry* down to your local Suzuki dealer for all the details and a complete contingency program brochure. *Because whether you're competing* in enduro or cross-country, hare scrambles or hare and hound, there's gold in them thar' hills. And in the ruts. And the thickets. The sand washes. The downed trees. Even the snake-infested, axle-deep, power-robbing, mud-filled swampland.

1995 Off-Road Contingency Program

Call 1-800-828-RIDE for the name of your nearest Suzuki motorcycle dealer. At Suzuki, we want every ride to be safe and enjoyable. So always wear a helmet, eye protection and protective clothing. Never ride under the influence of alcohol or other drugs. Study your owner's manual and always inspect your Suzuki before riding. Along with concerned conservationists everywhere, Suzuki urges you to "Tread Lightly" on public and private land. Preserve your future riding opportunities by showing respect for the environment, local laws and the rights of others when you ride. Professional rider pictured in sanctioned competition.

Year End Scores

The following pages are the year end scores for both the enduro and hare scrambles series. To better understand these scores, what they mean to you and how they were obtained you will need to understand what these symbols mean:

1. If your name is preceded by a number that is your placement in that class in the series.
2. If that number has the letter T to the right of it that means you will be awarded a trophy at the Awards Banquet (Your name should also be darker.)
3. If there is a N to the left of your name that means you didn't ride enough events to qualify for the series.
4. A score not counted will have brackets { } around it. These should be your lowest score/scores.
5. In the H/S scores only a * in front of your total score means that a worked race credit has been included.

ATTENTION RIDERS. ...If the information concerning your score, your placement, your bike make, and or your name is not correct you will need to contact the scorekeeper for that division and ask him to check it out! **THIS MUST BE DONE PRIOR TO JULY 1ST!** No changes can be made after that date. The scorekeepers can be reached at these phone numbers. **Please no late phone calls!** **ENDURO...** Allen or Penny Collins at 407-632-3445

HARE SCRAMBLE... Keith Rake Sr. at 407-773-7721 (Davis Barber Shop)

For the first time in the history of the FTR the complete scores for both series have been printed in the magazine for the membership to look at. In the past it has always been a space problem to put complete series scores in the magazine so just the year end totals were printed. This has been remedied by formatting the scores differently and printing them in a smaller type. Please feel free to comment to us on whether this format is OK or too small for you to read. We build them like you ride them TO WIN!
