EDITOR'S NOTE

This monthly magazine is published and distributed to the FTR membership to officially inform them of FTR events and business. It is also a medium for expressing personal views, venting frustrations, sharing good times, reporting the efforts of a individual or group or just a good story. The amount of articles received from you, the membership of the FTR, will directly effect the content of each months magazine. Your contributions are needed to directly reflect the interests and opinions of our organization. Your articles can be in any form that you feel like sending us. Pictures are also needed! They should be black and white although some color photos with high contrast can be used. As the editors of the magazine we will do our best to publish a timely, up to date, quality magazine for you, . . . but without your help it will be impossible. Sharon & Jack Huffman - Editors

THE PREZ BOX

(by Jack Terrell) December 20, 1995

1995 will be history when you receive this magazine. I hope that you had an enjoyable Christmas with your family and friends, and that the New Year will be a happy one. 1995 has been an exciting year, with tremendous growth for FTR. This growth, and the positive direction of FTR is a result of dedication and hard work by our members, local clubs, hare scrambles and enduro competition committees, and elected officers and appointed members of the Executive Committee. The terms for the elected officers (president, vice president, secretary and treasurer) expire at the end of the calendar year, and the results of the election of new officers will be published in the next magazine. The 1995 officers worked hard for FTR, and I salute them for their efforts and accomplishments. I hope you add your personal thank you to these guys the next time you see them at our events.

The December 9th & 10th SADRA event was the largest hare scrambles in FTR history. It was a first time attempt by SADRA, and what they lacked in experience they more than made up with enthusiasm. Led by trail boss Bob Poneleit, and backed up by a small army of club members and volunteers they put on a well organized and executed event for over 500 FTR riders. Great job, SADRA.

The FTR Executive Committee met in Orlando on December 18th. Minutes of the meeting will be published in the next magazine, but one item of business requires inclusion in this article. The committee voted to confirm that for hare scrambles, the following rules apply to Youth and Junior classes: The Peewee, 60cc and Mini (A&B) classes are Youth classes; the Junior class is a non-youth class, Ages for these classes are thru 8 years for Peewee, 8 years thru 12 years for 60cc, 9 years thru 14 years for Mini. Riders under 13 years of age shall not be eligible to enter a non-Youth class. Ages for the Junior class (a non-Youth class) are 13 years thru 16 years. The age of Junior, Mini (A&B), Mini 60 and Peewee riders for the entire year will be the rider's age on the date they run their first event of the competition year (see paragraph C.2 on page 17 of the FTR rule book). Displacement requirement for Mini A&B classes is 61 to 85cc, for the Junior class it is 86cc -125cc. Stock displacement cannot be increased to move a cycle into a higher displacement class (see paragraph A.8 on page 36 of the FTR rule book). You cannot bore out a 80cc minicycle to qualify it for the Junior class. No big bore kited minicycles (such as CR80, KX80, RM80 or YZ80) are allowed in the Junior class on Sunday. A side note: Big Wheel KX80 or Big Wheel CR80 cycles are not legal in Mini A&B (wheel size exceeds maximum limit), and are not legal in the Junior class in either stock displacement or bored-out displacement. The committee hopes this will clarify some of the confusion at the last event.

One final item. The electrical hookups in the campground at the Croom Motorcycle park are out of commission. The Division of Forestry is working hard to replace the old system with one that will include hookups at all 50 campsites. The project may take four months. Please be patient. Meanwhile, see you on the trails!

ATTENTION Hare Scrambles Riders

A Hare Scrambles Committee meeting is planned for Saturday, February 3, 1996 after the Peewee race (around 5:30) at the Apollo M/C Clubs race. All Rider Representative are asked to attend and all promoting clubs are asked to have a representative present. The location of the meeting will be posted at the Apollo sign-up table.

FTR AWARDS BANQUET

The location for the 1996 FTR Awards Banquet will be the Hyatt of Orlando (same as last years). The date will be Saturday July 20, 1996. More information and complete details next month.

See The Awesome '96 Husky's & ATK's

Husqvarna won the World Team Enduro Championship this year with bikes you can buy right off the showroom floor. Husky quality is legendary and '96 offers a new mount in the all-new 410 four-stroke replacing the 350. The 610 is still available as the ultimate in 4-stroke nastiness!

The 250 and 360 two-stroke line has new carbs and all-new 45mm Marzocchi conventional forks, strengthened engine components and new graphics.

The woods will be rocking when Husky comes knocking!

The new '96 ATK's are among the best bikes offered on the planet! And the choices are greater than ever!

The all new liquid-cooled 250 and 260 two-strokes lead the way with state-of-the-art engine technology, super light weight and maximum roost with trick components like better Brembo brakes with larger rotor and quick-change pads; new fork valving with 22 compression adjustments; heavier shock spring rates and valving; more power from a new pipe and sharper jetting; and heavier frame gusseting.

Still available are the air-cooled 250 and 406 models. And ATK offers their potent four-strokes as a 350 and a 605 in a Cross Country, Dual Sport or Electric Start model.

CAPITAL CITY ENDURO

October 29, 1995.....by: Bill Wyrrough

A contingency of over 250 riders and their motorcycles lined up for the start of the 1995 Capital City Enduro.

Sunday morning greeted riders with great weather for an enduro. Plenty of sunshine, a cool breeze and good trail conditions were the order of the day. Compared to last year's record breaking rainfall, which transformed normally good riding areas into navigable waterways, the Tallahassee area had been very dry in the weeks preceding this year's run. However, a light rainfall on Friday night promised to keep the dust down and traction excellent!

For the 24th year in a row, the enduro was held in the Apalachicola National Forest, just outside of Tallahassee. Members of the Tallahassee Trail Riders (TTR) decided to move the starting area from the Williams Landing area on the shores of Lake Talquin to the Dog Lake Tower area. Safety was the primary reason for the move since the Williams Landing start required motorcycles and support crews to negotiate the heavily trafficked Highway 20. The Dog Lake area offered another advantage because the gas stop could be co-located with the starting area. Most people liked the new area, although parking was somewhat tight for the huge turnout. TTR requested the use of the larger Silver Lake Campground but was turned down due to the

potential conflicts with other users.

The first sections of the course were relatively fast and many of the top riders pulled into the gas stop with nothing but zeros on their scorecards. The second half of the course proved much more challenging as the points began to rack up at check #5. At tie breaker #6 only one rider (Guess Who?) managed to stay within his minute, but even he was not perfect. Yes, Mr. Hopkins rolled into tie breaker #6 three, count 'em, three whole seconds late!

Well deserved congratulations go to Joey Hopkins, who rode a shut-out, to overall the event. Frank Ramey III and S. Miller each dropped only one point with Ramey getting the edge at tie breaker #6 for second overall. Other top finishers included Joey Argentine, A. Gravitt, Mike Martin, and S. Sanders. Great rides were turned in by class winners R. Neely (Senior A), K. Pearson (Vet A), and D. Blanding (B-250), each dropping just four points. Also deserving special recognition are Steve New (B-200) and G.R. Tarr who won their classes with 5 and 6 points respectively.

Sign-up was handled admirably by Terri Norman, Susan Warren, Connie Galliard, Carol Tharp, and David Norman. Section chiefs David Tharp, Bill Fordham, Vic Hajos, Glenn Warren, Martin Shipman, and Gary Williams did an outstanding job of laying out the course despite

having less approved area and trails to work with than in previous years. In addition, a concentrated effort to remark some trail sections was required after an unanticipated controlled burn, conducted by the Forest Service, burned up most of the arrows.

Vic Hajos handled the difficult task of liaison with the Forest Service. Relations with the local forest rangers have become strained, at best, and Vic deserves all the thanks he can get from riders for getting all the permits etc. needed to hold the event. It truly could not have been done without his efforts.

The 24th Annual Capital City Enduro was a great success and, most importantly, no one was seriously injured. Thanks to all the riders and support folks who traveled to Tallahassee, had fun, and kept our reputation as responsible motorcyclists - you are welcome to come back next year. Special thanks to those who took the time to comment, good or bad, on the event. Although the winner's opinion may be somewhat biased, Joey Hopkins made a point of saying what a great event it was and how much he enjoyed it. In conclusion, it was good to see over 500 people having a good time being part of the great recreational activity of off-road motorcycling, in their National Forest.

WINNERS

P.O. Box 5141
Titusville, FL

Dear FTR,

In the book, "Mutant Message From Down Under" the author was invited to live with the native Australian Aborigines so she could learn and document their culture before they disappeared forever. She walked with them, ate with them, hunted with them, and played games with them. In return, she attempted to teach them some of the games that "Mutants" (that's us) play. She tried to teach them a game where everyone would line up and run towards a marker or finish line. The one that got there first would be the Winner". The natives asked, "Wouldn't that make everyone else losers? We don't like this game; why should we play a game that would make people feel like losers?"

This month marks the end of my first year of racing after a 23 year layoff. I quit then because of the attitude of the motocross group. I almost didn't return for the same reason. Finishing second was still considered the "first loser."

I have invited several non-rider types to the FTR races. Unanimously, everyone says the same thing: they have never seen a friendlier group of people. FTR - be proud of yourself!

Thanks to: my riding buddies, Max, Don, Fred and Vaughn. Anybody named "Argentine" Terry "Big Man" and son. The guys I ride with in my class (SSR C) Mark Rhoades, Rickey Wheeler, the Frady brothers, Sam Mento, William Thompson, Jeff Horn and Tommy Neal. By the way, Tommy was gracious in his letter. What he didn't say was I got ate by the same mud monster and I got him stuck even more. He helped me and I helped him. I say the "guys I ride with" instead of "competitors." Sure, we race as hard as old farts can but we always have fun. I haven't had a chance to meet Alan Jackson yet but that's the only reason why he's not on the list. BIG thanks to the clubs and land owners who make the races possible. There's been a lot of land use problems this year but the clubs have done an incredible job of rising above the obstacles. How about publishing the addresses of the land owners so we can send thank you's directly to them?

There are a whole lot of FTR members. Not everyone wins races at every event or even gets a trophy. But there's not a loser in the group.

Thanks for a great year!

Sarasota Area Dirt Riders Association

SADRA SLEIGH RIDE

December 9th and 10th, 1995

When the Sarasota Area Dirt Riders Association announced that they were going to promote their race at a motocross track on the county line, East of Bradenton, many FTR members said or thought, "Oh NO!!!, Not That Place Again". They did this because of the bad experience that many had the last time the FTR had a race on the same property. Well, much to the surprise of those that traveled there for the race, there is new and much more friendly management of the track and this coupled with more property to ride on made for a jam up weekend of racing.

500 riders competed in the 35 classes the FTR has to offer in its Florida State Hare Scrambles Championship Series. That's a record for the number of entries in a FTR event. The weather was good all weekend and even though the spectating was restricted there was still many places to get a good view of the action and the riders as they made their way around the course. On Saturday night the track had its regular MX races. While many FTR riders entered these races, probably the most notable was 1994/95 Hare Scrambles Series Champion Mike Phillips. Mike had won the FTR Super Vintage race earlier that day. He ran away with the plus thirty MX class and put on quite a show while doing it. The next day he did his thing again by winning his 4th FTR High Point overall this season. While many riders rode the Night MX, I'm ashamed to say Mike is the only rider I can tell you about. However, one thing I will remember is the lady that announced the MX races and how much she sounded like Roseanne Barr. Enough said about that!

SADRA had 168 entries for Saturday classes (another record). There is always a lot of confusion at sign-up because many of these riders are new to our sport. At 12:00 they started practice and this was followed by a real live riders meeting, where course markers were displayed and defined and questions were asked and answered. I believe that's a first for the Saturday racers.

At 2:00 the Super Vintage, Vintage, Sportsman 201-Open and Sportsman 0-200 started in that order and one minute apart. The course wandered around in a pasture for the first couple of miles then slowly worked its way back to the Motocross track. A good bit of the MX track was used and then the riders exited out the East side fence and went straight into an orange grove. This was followed by more pastures some more orange groves and then back onto

the rest of the MX track with a short haul after that to the scoring table. The Quad B race had a whopping 20 entries and new FTR member Mike Bethan jumped out to a 1 minute plus lead to take the win. At 4:00 all the Mini's (A, B, & 60's) got their shot at the track. The closest finish of the two days of racing took place in the Mini A race where John Gillespie Jr. nudged out Garrett Edmisten by a second to take first place in the Mini A race. Not to be out done the Mini 60's had the best full scale battle of all the races. A couple of missed shifts and a stalled bike was the difference between 1st and 4th. Joey Higgins won the battle with the next three riders finishing just nine seconds behind.

Sunday morning brought cool weather, cloudy skies and wet ground from the rain during the night, but that didn't present any problems for the riders. The first race started at 10:00 with the speciality racers. Senior A rider Les Burnside ran off and hid from the rest of the riders to take first in the class. The closest finish in this race took place in the Master A class where Emmett Cox and Don Thrasher battle all the way to the scoring table and Emmett got the win by 3 ticks.

At noon the traditional Keylon/Phillips battle had a new participant, Andrew Despain (77AA) on a 125 jumped in and turned quite a few heads. Mike got the High Point. Kenny was 2nd, 17 seconds behind and Andrew was 3rd overall. (Do we have another Mike Leeson here?) Two "B" riders really smoked their classes. David Kuxavsen won the Open race by 5 minutes and Jesse Fleming took the 125 race by 4 minutes.

Despite a huge getoff at the start Phil Hestback battled back to take the C-Open win in the 2:00 race. In the C-250 race Rob Kustes battled to a 2 second win over Scott Deming.

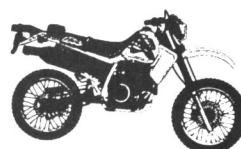

Congratulations to SADRA for an outstanding job on promoting a great FTR race. Randy, Don, Bobby, Theresa, Vickie, and the rest whose names I don't know, but you know who you are, you had a great race, good weather, good fun, a great turn out and what more could you or the FTR membership want.

Riders did you THANK the promoters for providing a great weekend of racing for you and quite possibly your whole family? They deserve it and would appreciate hearing from you. Try it it'll make you feel good!

Hare Scrambles Series Scores

Races 1 through 5

On this and the next few pages are the FTR Hare Scrambles Scorekeepers official tabulations of the points as they have been posted at each race, with some minor corrections. The points for each race have been added together to give you a series total through the fifth race. That total was sorted highest number of points to lowest points for each class. The results of these calculations show each class with the riders placed as they stand in the class after five races. PLEASE check your scores carefully and contact the scorekeeper with any problems you may find. It is very important that the numbers are correct, but in addition to that make sure your name is spelled correctly, you are listed on the correct make of bike, etc. No corrections will be made to this information after February 15, 1996.

The officials for this event have not been trained or accredited by FTR. The promoter of this event is an amateur. Each participant is responsible for determining the safety of the course before participating. This indicates that you or your child's safety will not be warranted by the Florida Trail Riders or the Treasure Coast Trail Riders and all its employees and assignees. Motor sports are dangerous. The promoter is not responsible for their conditions or for the actions of other individuals using these premises. You are responsible for the quality and condition of you or your child's motorcycle and protective apparel. The promoter does not provide medical insurance coverage. We urge you not to compete in motor sports with out adequate personal medical insurance coverage. If you have any doubts at this time about you or your child's personal abilities to participate in this event, if you or your child have not adequately prepared yourself and your equipment, if you question the safety of the course, or if you believe your personal insurance coverage's are not adequate to compensate you or your child for any injury that might occur, we urge you or your child not to participate in this event, the Big Lake Hare Scrambles on **January 20 & 21, 1996**. The Treasure Coast Trail Riders and the FTR are not experts in laying out and sponsoring a Hare Scrambles. Not all OBSTACLES may be marked, so riders ride at your own risk! You're invited!!!!to the Southwest Florida Trail Riders' DEEP SOUTH 96 Hare Scramble February 24th and 25th at Hall's Bermont Ranch on SR 31 between Arcadia and Fort Myers....Ranch owner Lewshane Hall has set aside 1500 acres of NEW LAND for this years event! "No one wants to ride in the same place all the time. This area is much different and offers a challenging terrain for racing" says SWFTR President Gordy White. SWFTR members have promised a long winding trail through palmetto thicket, tight woods, sections of clear pasture, and still more tight woods, challenging yet fun, with the emphasis on fun!...Those traveling on I-75 can exit at Punta Gorda (exit 29) and turn on US17 North toward Arcadia. Continue North for one mile where you will meet CR74. Follow CR74 thirteen miles and begin looking for FTR arrows. Those coming from the East can pick up CR74 near Palmdale and US 27 West of Lake Okeechobee....Enjoy primitive camping? Pack your gear and plan on settling in on the edge of the horseshoe lake. **NO CAMP FIRES PLEASE.** You RV owners will appreciate the smooth shell road to and from the camping area. If you prefer the comforts of home you may wish to consider any of the motels listed on the flyer. Remember, Southwest Florida is brimming with winter visitors during the month of February so make your reservations early- no foolin'... Saturday's activities will begin at noon with sign up for both Saturday and Sunday events. Quads, Sportsmen, Vintage, and Pee-Wee classes will make up the afternoon action with a Poker Run on tap for later in the day...a great way to relax after driving several hours. Sunday will begin with sign up at 7:00 and practice at 8:00....We look forward to seeing everyone Saturday February 24th and Sunday February 25th at this new location for what promises to be a great weekend of ridin' and racin'. Don't miss it!!
