EDITOR'S NOTE

This monthly magazine is published and distributed to the FTR membership to officially inform them of FTR events and business. It is also a medium for expressing personal views, venting frustrations, sharing good times, reporting the efforts of a individual or group or just a good story. The amount of articles received from you, the membership of the FTR, will directly effect the content of each months magazine. Your contributions are needed to directly reflect the interests and opinions of our organization. Your articles can be in any form that you feel like sending us. Pictures are also needed! They should be black and white although some color photos with high contrast can be used. As the editors of the magazine we will do our best to publish a timely, up to date, quality magazine for you, . . . but without your help it will be impossible.

Sharon & Jack Huffman - Editors

COVER: Joey Argentine picking up his second hare scrambles High Point of the year on his dads box stock, enduro ready, Honda XR400. This is the first time, as far as we can remember, that anyone has High Pointed a FTR event on a 4 stroke motorcycle. Proving that it's not just bike but the rider, Joey took overall at the next race with a borrowed Kawasaki KX-125. Congratulations to Joey for being the top FTR rider in the Oklawaha Enduro and then winning the High Point at the next 3 Hare Scrambles.

The PRES SEZ!

BY JACK TERRELL

WE NEED YOUR HELP AT CROOM NOW !!!

Last month this column discussed three projects underway at Croom. We need **your** help to meet the June 1st deadline and to meet our local contribution (money, labor, material and services) requirements. We will have work crews at Croom every weekend from now until the end of May. **How can you help?**

We need the following material: fence posts, fence wire, PVC pipe and fittings for a 2000' water line, fittings and accessories for an outdoor shower, wood & materials for an outdoor shower, wood & materials for tables & shelters, limestone, fill dirt, landscaping materials, material for signs, information kiosks. We need the use (with operators) of the following equipment: front end loader, dozer, grader, trucks to transport fill dirt & limestone, equipment to spread and compact fill dirt & limestone, post hole diggers & augers, trenching equipment (to install water line), and power tools and generators to build shelters & signs. We need labor and services for the following: clearing fence lines (workers with chain saws, clippers, machetes), installing fence posts, installing hog wire fence, installing concrete posts and cable, digging trench for water line (construction crew), installing water line (plumbers & pipe fitters), building outdoor shower (carpenters & plumbers), building shelters & tables (carpenters & contractors), building information kiosks, making and painting signs, moving dirt, and hundreds of other services and tasks. If you can provide any of these supplies or services, or if you can provide your muscle, **we need your help now**. If you can't be there, we need your financial donation.

These projects are dependent upon **your** support. The federal government is providing some of the money, but it is contingent upon us providing matching labor, services and money. Without **YOU**, the projects cannot be completed. When we first discussed the fence project at the 1992 FTR banquet in Ocala, quite a few organizations and individuals stepped forward to pledge money and services. Since then, there have been a lot of delays, and the project took nearly four years to get underway. Now that it is underway, we need everyone to step up to the plate again. By our current estimates, posts and wire for a mile of fence will cost approximately \$3000 (excluding installation costs). Suncoast Trail Blazers pledged to pay for a mile of fence. To date, they have contributed \$2500 to the fence fund, and have promised to meet their one mile pledge. Central Florida Trail Riders have contributed funds, supplies and labor. Heartland Ridge Trail Riders have contributed labor and services. Brad Mullinix has contributed many hours of professional surveyor services. **Can you, your club or company help us complete the job?**

The improvements completed at Day Use Area #1 include a county water line up to the park boundary and six picnic shelters. The driveway and parking lot improvements require a lot of labor and services from FTR members. **Will you help?**

The trail marking and maintenance project is assigned to Suncoast Trail Blazers, and Mark Edenfeld has been leading that effort. He needs your help to complete it. It will include a network of marked trails to allow easy travel between Day Use Area #1 & #2, and the campground, as well as back to the front gate.

Please come out and help. Also, if you can donate money, labor, material or services, please call me, Keith Finnerty (CFTR) or Mark Edenfeld (STB). Our numbers are listed in the directory near the back of the magazine. **We need your help NOW.**

Have you made your plans for the banquet? If not, you had better hustle. The number of rooms reserved is approaching the total number the hotel agreed to hold for FTR members, so don't wait until the last minute to make your reservations. We have advised the hotel that we will not accept the room fiasco that occurred last year, and they have promised it will not happen again. Also, the chef has been warned that FTR members have hearty appetites, and the amount of food for the buffet will be increased. Many of you have asked why we are returning to the same hotel in Orlando for a third year. First, Orlando is a central location that also offers a lot of other attractions for our members who want to make it a long weekend. Second, the hotel is one of a small number of facilities within the state that can accommodate a group as large as ours, and offer what we need at a reasonable cost. Third, the hotel has worked with us before, knows us and our needs, and has promised to solve the problems that plagued us last year. Fourth, we had volunteers (Jack & Sharon Huffman, plus members of several clubs) step forward to make the arrangements in Orlando. A key point here is the volunteers. If you would like to see the Banquet held somewhere in 1997, step forward **NOW**. We need volunteers to plan and execute the 1997 banquet. Who wants to do it? Do I see any hands being raised? One last banquet plea. We need volunteers to help with this year's banquet. If you can help, please call Jack Huffman (407-264-0559) now. **We need your suggestions and your help.**

Please read the report on the Hare Scrambles Committee meeting. A lot of rule changes were adopted. Several new classes have been added (4 Stroke C, Master C, and Peewee B), A-125 & A-200 have been combined, and rules for Mini A have been changed. The name of the Sportsman class has been changed to Beginners class, and the promotion rules for Beginners have been radically changed due to a problem with persistent sand bagging in that classification. The class is intended as a class for beginner riders, not transplanted experienced motocrossers pretending to be beginners. Hopefully the changes will weed out the pretenders.

One last subject. I have been asked by several members why everyone claiming to have worked a hare scrambles gets the same work credit (equal to their highest score)? The question was raised when the workers at the last event of the year appeared to out number the competitors. Many of the "workers" appeared to be cruising around doing nothing. While we certainly do not want to discourage volunteer workers helping the promoting clubs, it appears we have a problem. Do you have any suggestions? Could the work credit be dependent on the amount of work provided?

BIG LAKE #2

Hare Scrambles

by Marry Ellen Sanchez

Treasure Coast Trail Riders held their second annual hare scrambles on March 23 and 24. Once again it proved to be a great success. although we had a few snags, they all worked themselves out at the end.

Let me start by saying thank you to all the members and nonmembers of the club that took the time to help us. I will mention a few names, however, if I don't mention someone don't take it personal. Daryl Lind, our club president, Bob and Lorraine, Bubba, Gary, Teresa, Randy, Richard and the Children's Ranch, the Blue Grass Band, Big Man (Terry) and last but not least all the wives or girlfriends.

We didn't beat our old record of 510 entries in Kenansville but we had a great turn out anyway. Our poker run entries were 75 and 457 riders entered for both Saturday and Sunday races.

The club apologizes to anyone who felt they were not properly scored. (those were the few snags) especially the Women's B class. The situation was resolved at the end, probably with a few unhappy riders.

I would like to explain something to those few (you know who you are) people who kept pacing back and forth by the scoring boards wondering and complaining where the scores were, or where the trophies were? Have you ever taken a minute at any of the races and helped any club out. If you have I'm sure it was appreciated, however if not next time try to get someone you know to help out in scoring. As far as the other people that asked me these questions they were given an honest answer.

A lot of the riders were very friendly and nice some of you called me and Lorraine by name. You see I was having a hectic day and as a club member put it (Larry) I was like a "Hen on a Burning Flame", and that was putting it mildly. Let me say that I enjoyed it and I survived.

As far as the track went we heard a lot of riders enjoyed the track. We were also very grateful that not many people got hurt badly. Kirk, the club and myself hope you are feeling much better. As for the other rider who hurt his leg (sorry I did not get your name) you were in

the 2 p.m. race and I was on the radio with a course marshal and your girlfriend I hope you are feeling better.

Some riders and a few course marshals ran into some bull problems during practice on Sunday morning. As they were trying to move the herd out of the way a few stubborn bulls just did not like us evading their territory. This caused one of the bulls to charge at one of the marshals which happened to be our club President. Fortunately Daryl was okay but his Yamaha would not agree. You see the bull bent his front forks and did other damage.

All and all everything other wise went smoothly. Mother nature behaved well and of course we are very grateful for that.

The big news of the day was that for the first time in many years the High Point of the race was won by someone other than a "AA" rider. Joey Argentine, who has been really riding at what has to be described as his best ever, won the race with a lead of better than 2 minutes. He was followed by new FTR member Chris Manning in the AA class and 3rd Overall went to Allen Scott. In accordance with FTR rules Joey, by virtue of this High Point will be promoted to the AA class for the next race. This event had more close racing than any that can be remembered, with many class wins being separated by only a second or 2 over the next rider. In the A-Open race only 1 second separated Allen Scott and Jason Chambers at the finish and to add to that 3rd place, Jeff Wingard, was just 11 tic's behind them. There was a 5 second difference between Steve New and Lee Daley in the A-125 race. One second was the spread between Scott Sears and Rick Thorpe in the Senior A race and Paul Buxe nipped Emmett Cox by the same amount in the Master A battle. On Saturday Kevin McCall used that same 1 second to win the Sportsman 201-Open race over new FTR Member John Trence. The Sportsman 201-Open class was the largest class of the two day event with 45 riders competing in the 2 lap race.

In closing I want to say "thanks you" to you the "Riders" without you we would not have had such a wonderful race. Keep it up! Well it's time to go so - see ya at Williston...ah Reddick, I guess???

See The Awesome '96 Husky's & ATK's

Husqvarna won the World Team Enduro Championship this year with bikes you can buy right off the showroom floor. Husky quality is legendary and '96 offers a new mount in the all-new 410 four-stroke replacing the 350. The 610 is still available as the ultimate in 4-stroke nastiness!

The 125, 250 and 360 two-stroke line has new carbs and all-new 45mm Marzocchi conventional forks, strengthened engine components and new graphics.

The woods will be rocking when Husky comes knocking!

The new '96 ATK's are among the best bikes offered on the planet! And the choices are greater than ever!

The all new liquid-cooled 250 and 260 two-strokes lead the way with state-of-the-art engine technology, super light-weight and maximum roost with trick components like updated Brembo brakes with larger rotor and quick-change pads; new fork valving with 22 compression adjustments; heavier shock spring rates and valving; more power from a new pipe and sharper jetting; and heavier frame gusseting.

Still available are the air-cooled 250 and 406 models. And ATK offers their potent four-strokes as a 350 and a 605 in a Cross Country, Dual Sport or Electric Start model.

Look for our brand new shop opening soon!

We Really Are "The Suspension Specialists"

Upstate Cycle is your local authorized **RaceTech** service center. We regularly tune and maintain Showa, KYB, Ohlin and White Power suspension components.

We offer fork rebuilds as inexpensively as \$30 per leg for oil and seal replacement. We also build custom forks and install Gold Valves, Emulators, and/or shimming and polishing.

Shock rebuilds are available which include: draining, cleaning, polishing, and filling with top quality oil and nitrogen recharging for only \$40!

Rider Support Program

We'll pay your Race Entry Fees! You'll get extended warranties, hot tips & updates, super discounts on parts and accessories and a great purchase price on any new Husky or ATK. This is in addition to the Husqvarna Factory payouts. Call today - ask for Gerald. He'll help you get into victory circle!

SHOWROOM

We carry a full line of accessories, parts and fluids. All the latest T-shirts & more! New bikes, used bikes and used gear. Also tires, race fuel, shrouds, sticker kits, posters, hot videos... everything you need in stock now!

Spring Break Hare Scrambles

After an unbelievable number of false starts, the Suncoast Trail Blazers put on their Spring Break Hare Scrambles at Reddick on April 13th and 14th First, they changed the date since the original date was Easter weekend (not good for club workers). Once the date was adjusted, the club decided to put on the event near Frostproof, great piece of property used about five years ago by the Sunrunners. Two trips to Frostproof to start course layout. Then the rains came. Would have been a great mud boggin course (the parking area, that is). Oh well, no problem. Looked as if some new property was available at the Williston airport. Quick, change the flyer in the magazine (just made the deadline). Caravan up to Williston two weekends before the event, ready to blaze a new course on brand new land. The black clouds and heavy rain must have been an omen. A tenant at the airport throws up a roadblock, and by noon on Saturday it is obvious that we would never get on the property in time for the event. What to do? Talk to Mike McQuaig and Steve Binegar, make quick arrangements, and truck on down the road to Reddick. Work all weekend in the rains. How do we let everyone know where the race will be. A quick call to the Huffmans (they are on vacation in North Carolina, but luckily they have their trusty computer with them), and by Tuesday a set of mailing labels for all FTR members arrives by Express Mail. A new map, 1500 new flyers, 1500 postage stamps, and a STB fold and stamp party on Tuesday night has FTR alerted to the third location in the continuing STB road show. One last weekend of cutting new tails, and STB is ready for the event.

Weather is ideal as Saturday arrives. The parking area is nicely mowed, extra portapots are in evidence, and a higher level of ambulance support is on-site. But where is the concession trailer? Perhaps it went to Williston. Oh well, nobody said we had everything covered. Suncoast announces and enforces a new "no pit riding" rule. A handful of people complain, but everyone complies, and it results in a safer event.

The trophies had a new twist. Each trophy had a Lexan plate to mount a photograph. Suncoast hired Elaina's Action Photo to be trackside to catch each rider in action on the track. Each trophy winner was presented with a 5 x 6 color photo to personalize his or her trophy. Nice touch Suncoast. (Editor's Note: All trophies and photographs have been handed out or mailed out. If you don't have your trophy or photo, your buddy picked it up for you.)

Riders were treated to a technical 7.5 mile course through tight woods, abandoned mining pits and mining stockpile areas. The course featured many new sections cut through new woods areas. The Vintage, Super Vintage Sportsman and Quads ran a course that bypassed the toughest pit sections of Sundays course, while the Mini 60 and 80 riders also bypassed the Tire Kingdom section. The Peewees had their own special course that featured real hare scrambles terrain. Most riders had nothing but compliments for the various courses.

Randy Faul started Saturday's action in Super Vintage by finishing almost a minute ahead of Dorsey Bennett, Rick Thorpe

and Remo Loyal (all three within a couple of seconds of each other). Scott Sears led Kevin Hodge by almost a minute in the Vintage class, Joe Moulton topped the Quad A class and Brett Ekblom bested Charles Holzschuher and Brian Cochran in Quad B. Bryan Sands led twenty-six Sportsman 0-200 riders, beating Steve Price who accumulated enough points to be promoted to the C class. Jason Ward out ran thirty-five Sportsman 201-Open riders to win the class by a minute. Brandon Coffey edged out Garrett Edmisten in the Mini-A class, while Josh Noel led twenty-four entries in the Mini-8 class. Bryan Smith ran off with Mini 60 honors. Twenty-four Peewees ran the special woods course - Danny Weyer, Jr. won the class.

Suncoast teamed up with Heartland Ridge Trail Riders to put on the event, with Heartland members putting in many hours cutting in new trail for both days events, and running the Poker Run. One hundred and nine riders entered the poker run, and they were treated to trophies and a wide assortment of merchandise donated by dealers, distributors and individuals. Without Heartland Ridge Trail Riders, the weekend would not have been possible. A tip of the hat to this new club from the Avon Park area.

Fastest time (just under 1 hour and four minutes) of Sunday's 10 AM race went to Scott Sears in the Senior A class. He was followed three seconds later by David Smith. Mighty fast for two "old" guys. Bernie Noel beat Randy Faul by two seconds in their continuing battle for supremacy in the Super Senior A class. The closest battle of the morning was Buddy Gaillard's one second victory over Jack Terrell in Master B. Joey Argentine not only won the AA class, but he beat second overall Paul Seburn (A-250) by two minutes. Richard Kemman (A-250) was only one second behind Seburn, Allen Scott (A-Open) was next in with a time of 1:26:31, followed twenty-five seconds later by Steve New (A-200). Jeff Stanton (B-250) was top A rider.

Fastest corrected elapsed time for the 2 PM race was shared by Jeremy Hauser in the C-125 class and David Kuka Jr. in the C-250 class. Fifty-eight riders contested the 2 PM race, with almost half of them in the C-250 class. Remo Loyal and Curt Thomas nipped at Kuka's rear wheel all the way only ten seconds separated the three riders. Only four riders logged sub 1:10 elapsed times for the 2 PM race.

Keeping up with their tradition, Suncoast set a new standard for timely posting of race results which were entered and posted by computer. It would be nice to see FTR and the promoting clubs work out computer software to allow all clubs to utilize computers for hare scrambles scoring. Congratulations to Suncoast Trail Blazers, Heartland Ridge Trail Riders, and all their members (as well as numerous other volunteers) who put in hundreds of hours of work to provide FTR riders with an excellent event. Special recognition is due to trail boss Terry Enyart who certainly looked presidential (or is that vice presidential) in his new "Land Yacht". Also a big Thank You to Mike McQuaig and Steve Binegar for making the land available for the event.

A Celebration 'Built for Champions'

KTM announces a spring celebration built for champions. Like what? You ask, Like...

Zero Down* or 90 Day* Deferred Payment financing plans on brand new '96 KTM SportMinicycle™, Motocross, Desert, Enduro and Dual-SportMotorcycles™.

Looking for more? How 'bout... Your chance to

Win a 1996 KTM 50 SX SportMinicycle™

It won't cost you a dime. Just stop in at your local KTM

Dealer and enter to win the awesome KTM 50 SX-

SportMinicycle™. Still want more? How about...

'96 R/XC Demo Rides Stop in and take one of the brand-spanking-new KTM R/XC's for a spin and check out special prices on R/XC options, like: Buddy Peg / Luggage Rack Kits.

We're not done yet. Ask your dealer about the

KTM Customer Care Kit a veritable cornucopia of cool KTM parts and accessories, available at participating dealers on select 1996 model off-road Sportmotorcycles™. And, oh yea, while you're visiting your

KTM dealer, don't forget to pick-up your

Free 'Planet KTM' Poster

Look for the celebration at any of these fine KTM Dealers,

but hurry this program ends May 31st, 1996.

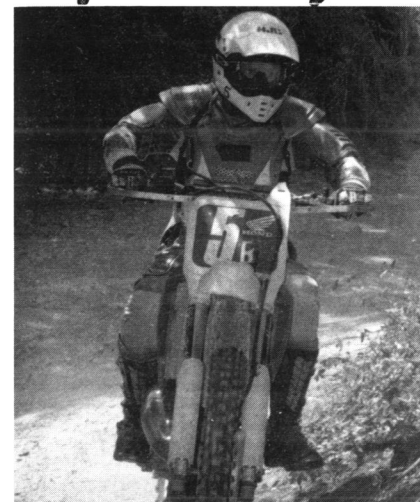

* Special financing available through Greentree Financial for qualified buyers through participating dealers.

This year 218 different motorcycle races all end at the bank. Because Suzuki's Off-Road Contingency Program is posting **\$775,700** in winnings for 1996. So grab some deposit slips and a Suzuki RMX250 or DR350. They're famous for winning championships. Like the 1994 and 1995 AMA National Reliability Enduro Series and the 1995 AMA Four-Stroke Grand National Cross Country Series. This year you can ride them to fortune. Stop by your local Suzuki dealer for a brochure with all the details and a complete pay-out schedule. Then get ready for a season of whoop-munching, rock-hopping, bark-busting, mud-slinging scrambles to the finish. In other words, just another trip to the bank.

**There's a reason bank tellers
know Suzuki racers
by name.**

SUZUKI

1996 Off-Road Contingency Program

Call 1-800-828-RIDE for the name of your nearest Suzuki motorcycle dealer. At Suzuki we want every ride to be safe and enjoyable. So always wear a helmet, eye protection and protective clothing. Never ride under the influence of alcohol or other drugs. Study your owner's manual and always inspect your Suzuki before riding. Along with concerned conservationists everywhere, Suzuki urges you to "TREAD LIGHTLY" on public and private land. Preserve your future riding opportunities by showing respect for the environment, local laws and the rights of others when you ride. Professional rider photographed under closed course conditions.

SLIPPERY ROCK HARE SCRAMBLES

by Randy Stone

The final event of the FTR 1995/96 Hare Scrambles series took place on April 20th and 21st at the Ocala Motorsports Complex. Sponsored by the Central Florida Trail Riders, the Slippery Rock Hare Scrambles finally found a home at the much used facility after first striking out at the Smith Ranch in Orlando and then getting rained out at Kenansville. Despite being the last race for the year, turnout was still respectable as around 350 riders pounded their way around a course made up of a combination of the many previously well worn trails and a few new sections.

Trail Boss, and CFTR President, Steve Hill received several compliments for the job his layout crew had done in coming up with a challenging and fun five mile circuit through the motocross track and limestone hills and gullies. Even considering the technical nature of the course, with its several tricky uphill and pucker producing downhills, the faster riders averaged around 21 minutes per lap which allowed races to go off on schedule. To help things along, scorekeeper Larry Walls and his excellent crew of volunteers compiled the numbers in near record time. The last trophies were handed out within about 30 minutes of the end of the two o'clock race so that everyone, even the cleanup crew, could be on their way home by mid afternoon.

Congratulations to all the winners and especially to Joey Argentine who made high pointing look all too easy. This is particularly true when you consider that he did it on a borrowed KX125 that he hadn't ridden until practice! As a point of interest it should be noted that Joey has won 3 FTR races in the last month each on a different bike. At the TCTR race in Okeechobee he won on his Yamaha YZ250. Two weeks later he whipped everyone on his dad's Honda XR 400 4 stroke (amazing) and then one week later does it on a big bike course riding a pipey 125. Proving that a good rider can ride anything FAST!

The CFTR owes a debt of thanks to the many workers who helped make this event a possibility. Thanks also to Mike McQuaig and Steve Binegar, operators of the facility, for coming through for us on such short notice. We are already looking forward to the start of the 1996/97 season when we all get to do it again.

HIGH POINT - Joey Argentine 14AA - Kawasaki

Out of area riders please call **Off-Road Specialties** direct at 800-638-9472 for a dealer near you.

FTR CHAMPIONSHIP HARE SCRAMBLES SERIES YEAREND STANDINGS

On the following pages are the final tabulations of this years FTR Championship Hare Scrambles Series points. **ONLY** those rider who qualified for the Championship Series are listed. That means if you only received points in 5 or less races your name will not be listed. Your 8 best scores make up your final series score. Scores with a * in front of them are scores not used to figure your final score. A score that is underlined **##** is the worked race points you received for the race you worked, **if you worked one**. If there is a letter T behind your placement, the number to the left of your name, that means you will be receiving that place award at the banquet. For those who didn't make this list we will print the entire Series standings in the July Magazine.

PLEASE, check these scores carefully to make sure that we have counted the proper number of scores and that you have been given the right number of points if you worked a race. Also check to make sure your **NAME** is spelled correctly and you are listed on the right **BIKE**. This is very important to you because your plaque will have your name as it appears in these listings on it. Being listed on the right bike is obvious, cause the factory rep from "XX" company probably won't give you anything if your listed on a "YY" bike. **You can call the FTR business office at 407-264-0559 from 8:00 AM till 10:00 PM with any changes or questions you may have about these scores. BECAUSE of the time needed to make the plaques, and all the other necessities for the banquet, NO CORRECTIONS or CHANGES to these scores WILL BE ACCEPTED AFTER June 15, 1996.**

**CONGRATULATIONS
to
ALL SERIES AWARD WINNERS**

From the Hare Chair

Saturday, April 20, 1996

Hare Scrambles committee meeting minutes.

At 6:40 the meeting was called to order.

Attendance: Hare Scramble Chairman: Conrad Eigenmann

Referee: Randy Faul	Suncoast Trail Riders: Jack Terrell
A Rider rep: Steve New	Sarasota Area Dirt Riders: Teresa Faul
B Rider rep: Cliff Rogers	Central Florida Trail Riders: Steve Duga
C Rider rep: Al Lagasse	Apollo Motorcycle Club: Lee Daley
Women rep: Jennie Lamb	Azalea City Dirt Riders: Gary Wyatt
Senior rep: Scott Sears	Southwest Florida Trail Riders: Joe Moulton
Sportsman rep: Robert Frey	Big Srub Trail Riders: Tommy Neal

The meeting had in attendance approximately 50 club members.

The first order of business began with old business from previous meetings:

1. Committee agreed to review Bill Linafelders race times to determine if a class change from SSR-A to SSR-B is appropriate. This will not require further committee action.
2. The 2/2 Committee meeting proposal to Add the "Master C" class beginning in the 96/97 season, was again unanimously carried and is proposed to run at the 10:00 race on the same line as the Women "B" and will use the Blue numberplate backgrounds.
3. The 2/2 Committee meeting proposal to Add the "4 Stroke C" class beginning in 96/97 season, was again unanimously carried and is proposed to run at the 2:00 pm race on the 5th line and will run white number plates
4. The 2/2 proposal to examine the Saturday race classes and number plate colors was reviewed and unanimously defeated. It was agreed that the current identification is good. Any rider who does not have their respective background colors and letter designations will not be scored.
5. The 2/2 proposal to combine the "A-125" and the "A-200" was again unanimously carried to become the "0-200A" class for the 96/97 season and will continue to run the black background and starting on the 1st row of the 12:00 race
6. The 2/2 proposal to create a "Super Mini" class in lieu of the current "Mini A" class was again unanimously carried. The proposal includes; 0-85cc, 12 to 15 years of age and a maximum wheel size 19".
7. The 2/2 proposal to split the existing Peewee class into the "Peewee A" and the "Peewee B" beginning in the 96/97 seasons was again unanimously carried. The class will be initially divided with the top 50% of the riders becoming "Peewee A" riders with the balance competing in the "Peewee B" class. Riders will be required to use the letters "A" or "B" designation on their motorcycle. Riders feeling they should be in either or of the classes will need to petition the Hare Scrambles committee.
8. The 2/2 proposal to recommend the minimum lap for the Peewee classes to 1 mile and to have the "Peewee A" class compete for 20 minutes and the "Peewee B" class 15 minutes was unanimously defeated. The committee recommends that the clubs specify the racing time on the flyers.
9. The 10/14/95 proposal to require the "Mini 60" class to be identified with white number plates and the letter "X", was again unanimously carried.
10. The 10/14/95 proposal to have manual shift 50cc motorcycles compete in the "Mini 60" was unanimously defeated and will be repropoed at a future meeting to read "50cc manual clutch transmissions".
11. The 10/14/95 proposal to create a "Mini Play bike class" was unanimously defeated. Note: All of the proposals above that carried will be presented to the executive committee at the next executive meeting. -End of Old Business

New Business:

1. 4/20/96 proposal was made and unanimously carried to add a new rule pertaining to pit riding. The new rule would read as follows; "No pit riding is allowed at FTR events except in designated areas if provided by the promoting club. Competition vehicles will use 1st gear to and from the "starting area".

From the Hare Chair continued

2. 4/20/96 proposal was made and unanimously carried to split the existing "Quad B" class into "Quad 2 stroke" and "Quad 4 stroke" classes. Both new quad classes will continue to start @ 3:00 pm on Saturday. The "Quad 4 stroke" class will use white plates and the "Quad 2 stroke" class will use yellow plates.

3. 4/20/96 proposal was made to change the Sportsman classes to Beginners Classes; ie. "Beginner 0-200" and the "Beginner 201-Open". motion was made and carried.

4. 4/20/96 proposal was made to change the current Sportsman advancement method to 1 -1st place or 3 top 5 finishes move the rider to the next higher class. Motion made and carried.

5. 4/20/96 discussion about the use of a KX125 chassis with a KDX200 engine to run in the 200 classes. The FTR rules state that on page 1 of the rule book indicates that whenever a rule is not defined by FTR rules, that the AMA rules that apply will govern. Current AMA rules do not allow swapping motors or frames on production units to run in another class. Riders that use big bore kits to compete in another class or build a competition machine from other machines are in violation of the existing rules and will be disqualified. If there is a need for such a rule that allows a rider to create their own motorcycle from the parts of others, then they should petition the Hare Scrambles committee so the existing rules may be altered.

6. 4/20/96 proposal was made to move the "SR-A" and the "SSR-A" to the 12:00 race as the lap times are very comparable to the 12:00 race.

All of the New Business proposals will be addressed for the final time at the next Hare Scrambles Committee meeting.

The next Hare Scrambles Committee meeting will be held on June 1, 1996 at 6:00 pm at the Daytona Dirt Riders final Enduro of the 95/96 season.

The meeting was adjourned @ 9:00 pm
Respectfully submitted to the membership;

Conrad Eigenmann #32A
Hare Scrambles Chairman

Dear FTR

I'd like to take this opportunity
to thank four outstanding FTR
members.

First thanks goes to "Jeremy Hauser" #22 C-125 class for encouraging me to join FTR and to enter my first quad race. "Big Lake #2 Hare Scramble".

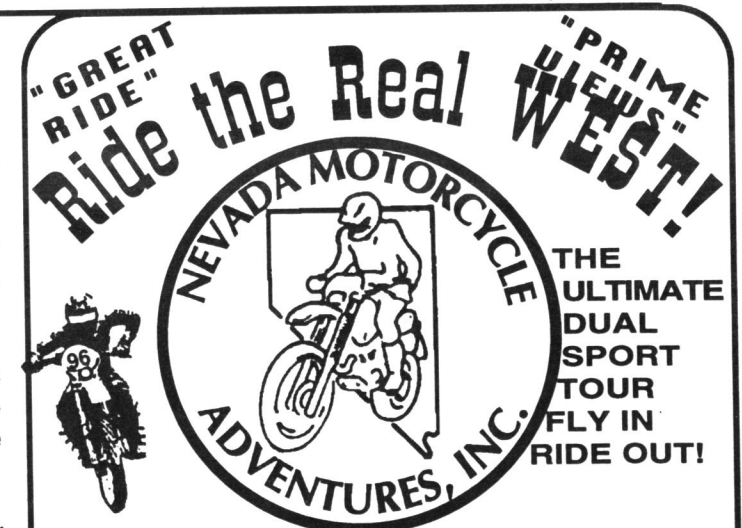

And next to Doug Silkwood #9 Quad B - Jack Wilson #14 Quad B and Joe Moulton #18 Quad A. These guys made a life long dream of mine come true by giving me the chance to run in my first quad scramble.

Somewhere after my practice lap and the time that our race was to start, I picked up a large stick in one of my rear tires. Well, I wasn't prepared for this and quickly came to the realization that this is just the way it goes sometimes in racing.

Minutes before I was going to pack up and head home and 15 minutes before the quad race was to start, these three guys came running over with tire, wheels, and wrenches and jacked up my quad, bolted the tires and wheels on and sent me on my way. "I didn't win - but I finished"!!

Thanks Guys - I owe ya

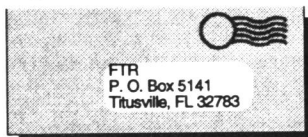

Kevin Dzielak - #33B

Our NEW Season Requests are Pouring In!

Nevada is a dual sports paradise! Vast, rugged and remote with great riding and weather. Visit ghost towns, abandoned mines and ranches. Ride beautiful valleys, scenic canyons and spectacular mountain peaks. If you would like to ride where few dare, experience beauty solitude and adventure few share. Ride Nevada with us. Interest is running very high book early to ensure your place - availability is limited.

Questions or Reservations Call: 702-359-4380
Write: 2420 Courtland Way, Sparks, NV 89431
P. O. Box 4745, Sparks, NV 89431

To: FTR

I would like to take this opportunity to thank all of the clubs for a great hare scrambles season. The events were all well organized with varied locations and terrain. Some thoughts as I reminisce about the season: great start lines with real LeMans starts for a change (fair and safer); Saturday races well attended; roomy camping areas; intense competition in my class; safer, quieter pit areas the last two races (it's a shame that so few can ruin pit riding for so many); people running generators at night long - even when it's a perfect night (can someone explain that to me?); race courses that you can't pass on 80% of it (these are hare scrambles - not enduros); getting D.Q.'d at Kenansville (definitely the low point of the season); exciting grass fields at Okeechobee, hardly any bottlenecks and no hot May races. Looking forward to the banquet and thanks again to every person involved who worked hard to put on these races.

Alan Jackson
Super Senior C

Dear FTR Executive Committee:

The Internet is currently a wealth of information concerning almost any subject. Mountain bikes, Street bikes, and Cycle News, which currently keeps up to date Supercross standings, are just a few of the subjects which can be accessed to support our pastimes. I am curious if FTR is considering going On-line and creating a Home Page to provide information to members and prospective members? It would be great to be able to access current scores, season standings, rules, membership information, event schedule changes, etc.; not to mention, the visibility FTR could get from other motorcycle enthusiasts who are "surfing the Net."

Sincerely,

Don DeHart

Editors Note: Anyone who is slightly aware of what is going on in this world today must know that the "Internet" is the place to be. The FTR is not officially there! Anyone with the knowledge and the equipment to generate a home page is welcome to do so, it would be nice if they would run it by the Executive Committee first though. Give us a call!

ENDURO COMMITTEE MEETING

A FTR Enduro Committee meeting is scheduled for 5:00 PM on Saturday May 18, 1996 at the upcoming Central Florida Trail Riders Richloam Enduro. All FTR Enduro promoting clubs are requested to have a representative at this meeting to represent and vote the clubs views and feelings concerning new and old Enduro Committee business including proposed and new rule changes. All members of this committee should make plans to attend this very important decision making meeting...c-ya there!

96/97 FTR Sanction Meeting

A FTR combined Enduro Committee and Hare Scrambles Committee meeting is scheduled for 5:00 PM on Saturday June 1st, 1996 at the Daytona Dirt Riders Scrub Oak Enduro. The purpose of this meeting is to accept requests for Hare Scrambles and /or Enduros sanctions for next years FTR Championship Series. While a club can send in a written request for a sanction date/dates, it is best if there is a representative at the this meeting that can negotiate for the club in case there are any date conflicts. Please note that FTR rules provide that all clubs requesting a sanction date will be given an opportunity to select a date before any club is granted a second sanction. A \$100.00 sanction fee is required for each sanction requested and is payable at this meeting. **Hare Scrambles clubs and riders** don't forget the H/S committee meeting right after this meeting. There will be a second (final) vote on New Business list in this magazine.

SCHOLARSHIP

The FTR Scholarship is funded in part from dollars out of the FTR treasure, but the biggest part of the funding for the scholarship come from donations from Clubs, Businesses and the FTR membership. Because of these donations, last year the FTR was able to grant three scholarships totaling \$6,000.00 to FTR members wishing to continue their education. More donations are needed for this years scholarship fund to be given away at the banquet on July 20th. Please consider this very important FTR program with you or your clubs donation. Bring the subject up at your club meeting and get a check written to the "FTR Scholarship Fund" and send it to the FTR, P. O. Box 514, Titusville, FL. 32783-5141. It will be appreciated very much.

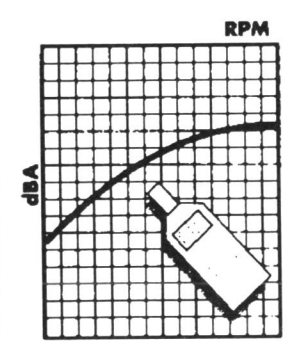

BANQUET

An application for tickets to the FTR Banquet is on page 7. (Finally) Sorry for the delay in getting this application to you, but some very important items needed to be worked out with the Hyatt. If you plan on staying at the Hyatt, you better **make your reservations NOW** (407-396-1234 ask for the Florida Trail Rider Discount). There going fast. The Hyatt will try to locate all of our rooms together in one area as close to the banquet room as possible also we will be able to use the pool after hours, provided we are quite. **Some HOUSE RULES we MUST play by**, NO there not in the FTR Rule Book. **No outside alcoholic beverages** can be brought into the banquet room. Drinks will be available for you to purchase in the banquet room. **Everyone must have a ticket** to enter or leave the room...More about this in next months magazine.
