EDITOR'S NOTE

This monthly magazine is published and distributed to the FTR membership to officially inform them of FTR events and business. It is also a medium for expressing personal views, venting frustrations, sharing good times, reporting the efforts of a individual or group or just a good story. The amount of articles received from you, the membership of the FTR, will directly effect the content of each months magazine. Your contributions are needed to directly reflect the interests and opinions of our organization. Your articles can be in any form that you feel like sending us. Pictures are also needed! They should be black and white although some color photos with high contrast can be used. As the editors of the magazine we will do our best to publish a timely, up to date, quality magazine for you, . . . but without your help it will be impossible.

COVER: The 1997 FTR Executive Committee L/R Conrad Eigenmann, President, Jack Terrell, VP, Steve New, Treasurer, and Sharon Huffman, Secretary. The Election Committee counted election ballots on Saturday night January 4th at the SADRA Hare Scrambles. Due a huge number of members voting this year results were not posted until Sunday morning. At that time the results of the election were posted on the official event score boards and the winners notified. Despite a significant increase in the number of members choosing to vote in this years election less than 30% of the membership voted.

THE PREZ SEZ

First, let me thank the many FTR members who took the time to vote. The 1996/1997 election saw nearly 500 active FTR members participate. Also, a special thanks to the volunteers of the Election Committee.

Numerous items face us for this next year. FTR is again pursuing Federal funds towards trail and riding area improvements. This alone will require a tremendous amount of coordination and membership involvement both on the club and individual member levels.

The new rulebook which has been not been updated for several years is finally completed with all revisions and is currently in the printing process. The trial motocross series continues to grow. The series is responsible for almost 200 new members many of which are first timers at trying their hand at The Hare Scramble events. In retrospect, there have been many existing FTR members try the MX series also. A couple of the existing FTR clubs have inquired about hosting MX events as a club function. As the motocross and hare scrambles events are seeming to carry there own, the Enduro series deserves our attention also. It has become less and less justifiable for many clubs to host Enduros and as a result, the series is slowly being squeezed away. If we search the essence of FTR in the beginning, we would find that the Enduro's were the basis and the origination of the Florida Trail Riders. Many members have never participated in an enduro. Well over half of all FTR members in fact. A lot of motocrosser and hare scrambles riders think their fast. Well how about trying to be at a certain place at a certain time thru thick or thin. Are you early or late. This year we would like to invite the membership to try their hand at one or more of the Enduros. We would also ask that the many clubs that are not currently promoting an enduro to make that extra effort to do so. A little food for thought, recently, a member wrote me suggesting the FTR consider an Overall award that combined two or more of the series towards a Grand Top ten or twenty if you will. Certainly could be considered.

In closing, for the last couple of seasons there has been much unrest within FTR... The membership is demanding for the fun to return back to this sport we enjoy so much. In addition to preserving our right to ride and pursuing new lands and riding areas, enjoying ourselves should also be a major goal. Let's work hard to see that happens.

Conrad Eigenmann
FTR President

BRER RABBIT HARE SCRAMBLES

Race number 5 in the Florida Trail Riders Florida State Championship Hare Scrambles Series was promoted by the Palm Beach Track and Trail Riders on November 23rd and 24th. The club used the Thundercross Motorsports property located a few miles East of the city of Okeechobee. Over the last two years many races have been held on this land and all were good, challenging events and most of all great FTR fun racing weekends that provide most FTR members and their families with a relaxing getaway from everyday city life.

The Palm Beach Track and Trail Riders is one of the oldest FTR clubs in the state. Over the years they have promoted a huge number of successful enduros and hare scrambles for the FTR membership to ride and enjoy. One reason for their great success in promoting these events is the number of seasoned and experienced riders that contribute to the planning and presentation of these events. At this event they had 2 riders that had won the FTR Championship Enduro Series 9 times between them. A couple riders that competed in the 1994 International Six Day Enduro (ISDE - World Six Day Enduro competition), one winning a bronze medal. 2 FTR Hare Scrambles Series Champions and a bunch of other talented A & B riders to help them. They did a excellent job of laying out a challenging, but fun course that provided the competitions with some of the closest racing in this years series. Of the 39 classes that competed over the two days of racing, 7 were won by less than 20 seconds and 21 had less than 59 second finishes.

Some of the riders started arriving on Friday night. By 10 AM on Saturday morning there were a huge amount of racers on the property getting ready for the days racing. If you hadn't been to this track since the last FTR race you were greeted with a different parking area that surrounded the new "Thundercross Motorsports" MX race track. These changes provided everyone with a great view of about a mile of the course as the riders made their way around the MX track. Additionally the ample parking area was the best at any event in years.

Saturday racing has become so popular that clubs are now sitting up and taking notice. Thanks to the great turn out for these races most clubs are changing their attitude about Saturday racing from "a few races on Saturday afternoon" to "almost a full days worth of competition". This race had 64 Beginner riders, 36 Mini racers, 28 Quad entries, 21 Vintage riders and 16 Peewees for a total of 165 Saturday riders. That's more entries than most FTR enduros have. Thanks to the support of the riders and the promoting clubs Saturday racing is a great success and will get better as time goes on.

On Saturday the closest race was in the Beginner 1 (0-200) class where Tommy Ziglar bested Wade Lightsey by 12 seconds. In the Super Mini class Garrett Edmisten ran off and hid from the rest of the riders by 5 minutes. The same lead in the Mini 60 class netted Bryan Smith a win in that class.

While there was a lot of close racing that took place on Sunday the one that captured most everyone's attention was the "AA-A" race at noon. For the first time in years the FTR Series Enduro and Hare Scrambles Champions would go wheel to wheel in competition against each other. Frank Ramey the current Enduro champ jumped into a good lead at the start, with H/S champ Mike Phillips and the rest of the fast guys

right behind. On a short straight away, just after leaving the MX track, Mike did a high speed get off and this left Bobby Morarity and Joey Argentine chasing the Enduro champ. Frank led the race through the start of the 5th lap (last lap) with Bobby, Joey, and then Mike playing catch up. During this lap Joey caught and passed Bobby and according to Bobby the pace then picked up and they both caught and passed Frank. Just before the end of the race Bobby repassed Joey and took the overall by 15 seconds. Joey finished second with Frank coming in third just 8 seconds back. Mike, who never seemed to be able to get it all together after the crash, finished 4th 41 seconds down. Not to shabby for having a bad day. This would be Bobby Morarity's first FTR High Point after many year of competing at the highest level in the FTR. He was rewarded for his win with a

trophy as tall as he is and was promoted from "A" to "AA" rider. **Earning** the classification of "AA Rider" in the FTR is a distinct honor and reflects a level of ability that is worshipped and desired by most riders. Congratulations Bobby!

In the morning races Flipper Page, who promoted himself to "A" rider, was first in the Senior A class with Les Burnside and Todd Sandoval finishing 2nd and 3rd just a few seconds behind. The closest race of the day was in the Super Senior A race where Randy Faul got Karl Taylor by 1 tick of the clock. The closest three way race happen in the Super Senior B class where Mark Sandoval, Alan Jackson and Dwayne Emberton finished within 7 seconds of each other.

In the noon race the closest race took place between Steve New and Robbie Brantley in the A-200 race. Both

riders riding 125cc bikes finished 2 seconds apart and were 6th and 7th overall. Eric Berard, in the B-250 class, was "B" High Point rider and finished 12th overall.

At 2:00 the "C" riders were staged and turned loose for their turn at the course. C-250 rider Jeremy Eastman finished first for top honors in the race and 1st in his class. The biggest lead in this race was in the C-200 class by Ed Ellsworth (the CROOM FENCE MAN) who won the class by 3 minutes plus.

Thanks for the help of the Stevens family, the Scotts, the Buxes, the Girards, the Craigs, Randy Rash, Karl Holmes, Karl Taylor, Joe Mason, Rich Giuffreda, George Pollard, and a whole bunch of other PBT&TR hard workers the membership of FTR was provided with another great weekend of racing and outdoor activities. A special thanks to Dudley & Spencer Kirton for their involvement and help to make this a great race.

Won any lately?... Try it on one of these!

Husqvarna

Husky wins big in the 1996 ISDE with the 125cc win, the 500cc win, the top three Light-weight Four-Stroke wins (5 of the top 8 were 410 Huskys), and the Manufacturers Team title with first and second place. In fact, of the 60 Huskys starting – an incredible 51 finished! That's unparalleled performance and reliability against the toughest competition in the world!

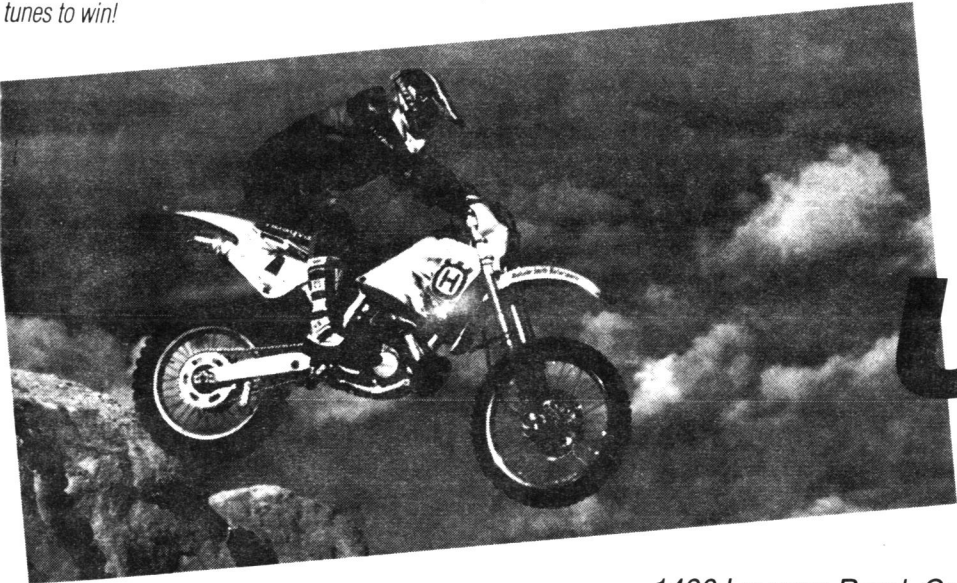

This year, all the 97 Huskys come in a new frame color with new plastic and exciting new graphics in both WXE and WXC trim.

The new **125** gets the trick Marzocchi fork, a heavily revised motor including new bore and stroke, connecting rod, revised porting, revised head profile, a new crankcase and cover, a new pipe & silencer and a new front brake caliper.

The **250** and **360** get the new front caliper, a new crankcase, a revised ignition curve and an improved kickstart lever.

The four stroke **410** and **610** get beefed up with reinforced crank and transmission cases, a double-wound ignition coil, new camshaft/rocker arm reinforcement, reinforced steering head, the new front brake caliper, an improved steel kickstart lever and much more. Dirt Bike magazine said of the 610, "the standard of the big four-stroke class," and "nothing else offers the power, – suspension excellence – or handling for either race or play in motocross or in the woods".

Ride the best. Ride the proven Husqvarnas from Upstate Cycle...*The shop that lives to race and tunes to win!*

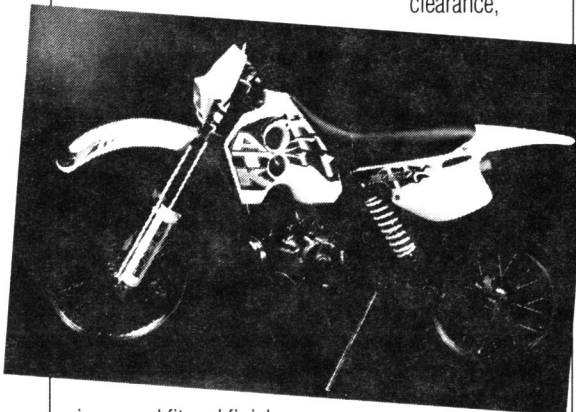

Racing Fuel

ATK *Made in America*

ATK offers eight models for 1997. The outstanding **250LQ** Cross Country and **260LQ** Enduro (liquid cooled two strokes) get a 35mm Mikuni TMX carb, Type 6 White Power fork, a revalved WP shock, firmer seat foam & stronger footpegs and kickstand bracket.

The **four strokes** (350cc and 605cc) come in either Cross Country trim as either kick or electric start and in Dual Sport trim with electric start only. All four strokes get a new heat shield for the frame backbone, a repositioned muffler for better clearance,

improved fit and finish of body panels, and a new 3 bolt chain guide with thicker aluminum cover. ATK builds beautiful bikes from proven top-shelf components assembled in track-tested nickel plated frames. *ATK's are built to last!*

For Kids Only

LEM CR2-S

The exciting **LEM CR2-S** is a real 49cc motorcycle for the 4 to 6 year-old. Weighing in at only 62 lbs., the CR2-S is a safe but highly capable entry level bike for your

budding supercross champ. The **LEM CR3** for the 7 to 8 year-old has big bike features and is only 81 lbs. A proven race winner or a fun trail bike, the CR3 has an adjustable 23" to 26" seat height. Both LEM's have an easy to ride single speed auto transmission, real 10" knobby tires, hydraulic fork and a true mono-shock rear suspension.

The brand new 50cc **Tomos TX50** may be the new king of the mini-hill! This 80 lb. mini-might will pull a 125 lb.

7 to 12 year-old around a motocross track or down your favorite trail with ease. With a two-speed automatic transmission and a broad power band this little demon will pull the giant hills with the big boys. A 42" wheelbase, a 26" seat height and 10" mag wheels with dual sport tires round out an excellent package.

approximately **\$1000⁰⁰**

Suspension rebuilds, Husky & ATK engine tuning, an unbelievable array of new and used gear, tee shirts, fluids, tires, race fuel, videos, decals, posters, bars, plastic, blah, blah, blah..... *Yeah, we got it!*

Funny Dumb Things

A few years back, there were approximately 6 of us racing together. Five of us were racing in the same class. So there was a lot of competition and heckling between us. Well you know when you get together there's always one person who is dragging behind. We were at Ocala on a cold January morning getting ready to go out for practice. Well one person was dragging behind. We were all ready to go and waiting on one of our riding pals. Eager to go and get warm, we were all foaming at the mouth. We were all anxious to go and tackle the Ocala course. Well he finally gets on his bike to start it. Kicks it over 2 times and it runs for maybe 5 seconds and quits. Now our bubble had been popped. But in true riding tradition we did not want to leave our partner behind. Now we all jump in to help a stranded bewildered friend. "Check the gas". "You fouled a plug". "Did you put gas in?" "Squid". "I knew it, it's always something". Among other things. In a frenzy we all grab tools and start trying to solve the problem. One of us pulled the plug. "Plugs okay". Check the tank "You got gas". One checking to see if the gas was mixed in the can "Gas is mixed, try it again". Kick, kick and kick. Nothing. One of us finally says, "You know, I once knew this guy who, Nah that couldn't happen". But he grabbed a 10mm socket and removed the seat. "Everything looks okay". Then he pulled out the air filter, "Uh huh, here's the problem". Upon saying this, he pulled a pair of old underwear out of the airboot. Upon seeing this we all started to laugh at his misfortune. When the bike was washed he placed the underwear in there to keep water from entering the carburetor. Upon finishing he just put in the air filter not removing the guilty underwear. To this day we still "Rag" him. This is a true story.

Thanks for you story Robert!

Riders this is what we are looking for. There isn't a dirt bike rider around that doesn't have a "Funny Dumb Story". Please jot yours down and send to the address on the lower left corner of the cover of the magazine. No it doesn't have to be typed, politically correct, nor does the spelling have to be perfect. Just get it to us, we'll try to make it sound right and hopefully correct all the spelling mistakes.

Thanks again the editors

Florida Trail Riders Association Hare Scrambles Committee Meetings December 7, 1996

Present:

H/S Chairman: Conrad Eigenmann

H/S referee: Randy Faul

H/S Scorekeeper: Jenni Lamb

A rider rep: Steve New

B rider rep: Kip Carroll

C rider rep: Tommy Neal

Senior Rep: Scott Sears

Suncoast Club: Mark Edenfield

SADRA Club: Bob Ponilet

River City Club: Tim Webber

Azalea City Club: Gary Wyatt

Apollo Club: Don Dehart

CFTR Club: Steve Duga

Treasurer Coast: James Quenzer

Old Business:

1. Vaugh Spangler's proposal (A), to redefine arrowing system. This item was on last H/S agenda and tabled. Committee voted for to leave current arrowing system as is unanimously.

2. Larry Walls letter (B) requesting comprehensive technical inspections and adoption of American Historic Racing Association rules for motocross. This item was also tabled at last H/S meeting. Committee voted 10-3 to leave current Tech rules as is.

New Business:

1. Jim Petrosky's request to be reclassified from SSR-A to SSR-B. Jim has ridden B class this season was allowed to return to B class without points. Carried 10-3.

2. Tom Harris request to be reclassified from SR-B to SSR-C was approved 13-0. 90% points to carry to new class.

3. Dylan Galbreath request to be reclassified from 4 stroke A to 250-B class was tabled as Dylan has not competed in three races at the A level prior to his request.

4. Joey Haley finished top twenty 1990 125-A. Joey has been riding 125-B class. Joey returned to the "A" class. Committee confirmed points accumulated in "B" class will not carry to "A".

5. Mike Suddeth at H/S #3 was DQ'd. Due to unusual circumstances, committee vote 13-0 to allow him to retain points.

6. Written proposal to run Peewee classes at different times by Ed Swinson. Committee recommends the clubs try to do this anyway but due to lack of time decided not to make mandatory.

7. Written proposal to extend the racing time and laps for the Saturday races by Steve Duga read as follows: Recommend that the Vintage, Sportsman and Quad classes race for a recommended 25 miles or for the period of 1 hour 15 minutes. Mini classes shall race for a recommended 3 laps or 1 hour and 15 minutes. Peewee classes shall remain the same. Starting times may be adjusted to accommodate available daylight hours. Race time deviations shall be published on event flyer. Committee voted 13-0 to accept this proposal.

8. Written proposal referencing H/S #1 in the case of a club that loses or has membership moneys stolen, who's responsibility is it to pay FTR? After committee discussion, vote of 13/13 that the responsibility is that of the Area Director per rule. In the event a club chooses to perform the duties themselves then the responsibility is the clubs.

9. Written proposal referencing clubs that allow riders to compete without joining FTR should pay for riders membership. Committee voted 13-0 that any rider who is not a current FTR member that competes in an FTR event will not be scored for that event or any future events until FTR membership is current.

10. Written proposal suggesting that the beginners class carry fewer points into higher class. Suggests 50% or 70% in lieu of current 90%. This would prevent riders from moving into "C" class at end of year and placing in top of class without ever riding in class. After committee discussion, vote carried 13-0 to only carry 50% of points to new class from beginners.

11. Written proposal (I-4) to increase H/S scorekeepers pay per event from \$50.00 to \$100.00. The current \$50.00 per event was created when there were only Sunday races with turnouts around 300. Now, H/S's average 400 - 500 riders and require much more time and effort. Committee vote 13-0 to increase scorekeepers salary to \$100.00

12. Request from Treasure Coast Trail Riders request to be placed on list for any available H/S sanction this season. Committee voted 13-0 to allow Treasure Coast to be placed on standby list.

The Rulebook Committee offered numerous clarifications and corrections that were determined while finalizing the new rulebook. As the H/S meeting was abruptly ended and many items were not reviewed by the committee, the balance of the rule book clarifications were tabled until the next H/S Committee meeting. To avoid confusion, upon completion, all classifications will be listed in the magazine together.

Florida Trail Riders • 1996 Capital City Enduro by: Bill Wyrrough

The 25th annual Capital City Enduro was held on October 29, 1996, in the Apalachicola National Forest, just south of Tallahassee. There was a great turnout of over 250 riders for the event. The weather was typically beautiful for Tallahassee in October.

The staging area for this year was the Silver Lake campground and recreational area, and everyone seemed to really enjoy the facilities. Everything went smoothly from the time the campers began to pull in on Saturday, through the sign-up, and until the last trophies were handed out on Sunday afternoon. The Tallahassee Trail Riders will try to get Silver Lake again for next year.

This year's enduro would be won or lost in the first half of the course, as the Tallahassee Trail Riders laid out 33 miles of mostly new and tight trail in four sections before the main gas stop. The second half would prove to be somewhat less challenging. The trail was very dry and dusty, especially for the early riders who also had to contend with breaking in lots of new trail. This was a day you were blessed if you had a late row and cursed if you drew a "nice" early row.

The first 11 mile section was very tough and the best anyone could do was drop 5 points, and eight riders shared that distinction. The most difficult section was just prior to the main gas stop, and even the top riders lost a lot of points. This check was protested for being too close to the gas stop. It may have seemed like a technicality to some, but the check was clearly in violation of FTR rules and had to be thrown out.

After the scores were recalculated due to the dropped section, four riders were tied for the lead at 5 points each. Franklin Ramey III emerged as the overall winner, edging out 250-A winner Johnny McCoy, Senior A winner Robbie Neely, and 200-A winner Tommy Veator on the tiebreaker seconds. Ashley Brewer, Matthew Davidson, and Doug Massencup each dropped just six points with great rides.

All the Tallahassee Trail Riders and their wives, friends, etc. did a great job of putting on the enduro and deserve the gratitude of all the riders. A very special thanks goes out to the National Forest Service this year. Andy Colaninno and John Cameron worked especially hard to make the event successful for the Forest Service, the Tallahassee Trail Riders, and everyone else who came to Tallahassee this year.

Especially important is the ongoing attention being paid by the Forest Service in preparing for more successful enduros in the years ahead. The current philosophy and policy being practiced by Andy and John is that it is important for the Forest Service to cooperate and communicate with established organizations such as the Tallahassee Trail Riders because strong clubs like these will tend to attract more riders in the area and spread the word about being responsible motorcyclists. Therefore, the Forest will be better protected by more informed riders. The Tallahassee Trail Riders could not agree more with this policy and applaud the Forest Service for such enlightened thinking.

In conclusion, the 1996 Capital City Enduro was a great event and plans are already under way to make it even better next year.

This year 218 different motorcycle races all end at the bank. Because Suzuki's Off-Road Contingency Program is posting **\$775,700** in winnings for 1996. So grab some deposit slips and a Suzuki RMX250 or DR350. They're famous for winning championships. Like the 1994 and 1995 AMA National Reliability Enduro Series and the 1995 AMA Four-Stroke Grand National Cross Country Series. This year you can ride them to fortune. Stop by your local Suzuki dealer for a brochure with all the details and a complete pay-out schedule. Then get ready for a season of whoop-munching, rock-hopping, bark-busting, mud-slinging scrambles to the finish. In other words, just another trip to the bank.

MX Round #2

Round 2 of the Florida Trail Riders 1996/1997 Motocross State Championship Series was held on December 1st at Brian Penick's "Pepsi Air Dania Raceway" in Dania, Florida. Despite rumors that the series was canceled and being a Holiday weekend, it was nice to see so many die hard Motocrossers and FTR members show up on a beautiful day. The Pepsi Air Dania Race track has been well known as a supercross track with lots of jumps and while being relatively short in length, developed the reputation as technical course. How about that! A motocross track located just outside the metro area of southeast Florida that is both endorsed by the City of Dania and sponsored by the Pepsi-Cola Company. When the gates opened, Brian greeted the riders with a drastically revised race course with several sets of easy doubles and some neat stadium type whoops. The track was also considerably longer. What Brian created was a technical course that was relatively easy for beginners yet challenging for the better riders. Add some good announcing, plenty of food, good parking and a track that is very spectator friendly, the results? Fast and fun racing. After a short riders meeting, racing began immediately. In the 35+ class, Stuart Waggoner chased down Conrad Eigenmann in moto 2 to swap wins and take home the win. Conrad followed up with two moto wins in the 40+ class, while Herb Doan cleaned up in the 50+. In 125 action, Mario Rivera controlled the 125A action while Matt Pate roared to a pair of 125C wins. James Chludzinski seemed right at home as he chased down Conrad to win both 250A motos. Brian Smith, Mike Freed and Heath Willis kept things warm in the 250C battles. Smith stayed with the pace and took home the gold. Beginner 201-Open winner Dean Lingle maintained his command of both motos sweeping back to back wins on his tricked out RM. In mini action as usual, the Mini 60 class was one of the larger classes. After a couple of spills, Brian Lingle fought his way back to the front and narrowly catching Cody Neff for the win. Michael Pate and Jake Jeffers provided some action in the Mini 80 event that saw Pate edging out Jeffers. The track grooming squad Mike Malsom and Steve Puchhas showed the crowd how to fly around the track on their quads, knocking down all the berms, and banging bars. Mike Malsom seemed to want to win more this week taking both moto wins in the Quad B events. Some good Women racing between Beth Rewis and Patty Whitehouse showed spectators these girls can really fly. Beth garnered both holeshots over eventually overall winner Patty Whitehouse who seemed to glide around the course as if she had been there and done that! Antoinette Freed sweep both Womens B class with back to back wins. The Peewee classes navigated their way around a shorten version of the course which made for some tight, close action between the little speedsters. Chase Couture edged out Patrick Galloway for the overall in the Peewee 4-6 while Zak Couture, Chases brother, had his hands full

with Cody Neff in the Peewee 7-9 screamer. Cody slipped away with the win. Cody Neff again got his cobra tires hooked up as he stretched things out a bit in Peewee Mod class. Cody finished the race day cleaning up with back to back moto victories. The day ended with the trophy awards. Although the Pepsi Air Dania track is a little south for most of Florida's racers, it's well worth the travel. Our hats are off to Brian Pennick and a thanks for a well organized and fun event.

Hare Scrambles Series Standings - Races 1 - 6

On the next few pages are the 1997 FTR Championship Hare Scrambles series standings after round 6 (SADRA December 7 & 8 race) of the series. Please check this information and get in touch with the H/S Scorekeepers with any problems or questions. You should be aware of these important rules for year end awards. (1.) A rider must have 5 or more scores in a class to be illegible for a trophy. (2.) Up to 8 scores can be counted (70% of the total number of races in the series.) for your year end score. (3.) A "worked" (W) is equal to your highest score received during the series and can be counted as a score in (1.) or (2.). The "W" will be converted to a number after the last race. Again PLEASE contact the scorekeepers with any changes (name, bike, class, or scores) that you feel are incorrect and need to be changed. Also please note they have moved from Gainesville to Melbourne and a new address is listed for them on page 57. It is important that any changes be made as soon as possible.

ADVENTURES, INC

As I reflect back on the trip, I feel that this was one of the most enjoyable vacations I've ever had. It was a hassle free trip. I rode for six full days—a total of 808 miles with 90% being on dirt in some of the most beautiful country possible. I lost count how many mountain ranges we rode over and valleys we crossed. I didn't have to worry about getting lost, running out of gas, whether or not we would find our planned destination. Plus at the end of a long day on the trail, while we were drinking a cold beer or taking a hot shower, maintenance was being done on the bikes, including filling the gas tanks. All I had to do was ride and have fun! The trails were fun and interesting. I didn't feel anything was difficult, although there were many challenging sections. The cost of the trip included motels and all food so there were no surprise expenses. All this was done in seven days! I left Orlando airport on a Saturday and returned the following Saturday and had a full six days riding. WOW! INCREDIBLE! I'M READY TO GO BACK!

Spend a Weekend!

Do you enjoy the great out-of-doors? Want to share good times with family and friends? Look for that perfect place to ride that dirt bike? If your answer is a resounding "yes" to the above make your plans now! Plan on spending the weekend with the Southwest Florida Trail Riders February 22nd and 23rd at Hall's Bermont Ranch for what promises to be a great weekend of ridin' and racin'.

Ranch owner Lewshane Hall has once again answered the call for the SWFTR and set aside some 1800 acres of land for this years "DEEP SOUTH '97" hare scramble! Look for an improved (bigger) camping/parking area too!

SWFTR Steven Shafer has been dubbed this years "Trail Boss" and has promised a long winding trail through palmettos, tight woods, open pasture, and still more tight woods. And as you might expect from a seasoned veteran of FTR racing, "a few surprises". Challenging yet fun, with the emphasis on fun!

Where is Hall's Bermont Ranch? If you are traveling on I-75 exit at Punta Gorda (exit 29) and turn North on US 17 toward Arcadia. Continue North for one mile where you meet Bermont Road (CR74). Follow CR74 for 13 miles and begin looking for FTR arrows. Those coming from the East can pick up CR74 near Palmdale and US27 West of Lake Okeechobee. Primitive camping? ... you bet! Please no camp fires! RV owners will appreciate the smooth shell road back to the camping area. And those who prefer the comforts of home may wish to consider any of the fine motels listed on the flyer. Remember, Southwest Florida is brimming with winter visitors during the month of February so make you reservations early...no foolin'!

Hungry? Need a cold drink? How about that cup of coffee? Step up to the concession stand and say Hello to Wally Keller. Mr. Keller is the athletic director at Charlotte High School and will be cooking up a storm to benefit the "Fighting Tarpons". Please support his efforts.

Saturday's activities will begin with sign-up at 9:00 am, practice at 11:30 and an important riders meeting at 12:30. **Heads up Saturday racers!** Vintage, Super Vintage, and Beginner classes will start at 1:00. Quads will see the start of their race at 2:30! Why the time change? Extra time for more racing, more laps per event! Mini 60's will hit the trail at 4:00 and Pee-Wee riders will leave the start at 5:00. If all this isn't enough why not sign on and ride the Poker Run at 6:00. Area motorcycle dealers and businesses have contributed some great prizes for the lucky winners!

Sunday morning will see sign-up at 7:00 till 9:00. Practice will begin at 8:00 and conclude at 9:00 followed by a very special riders meeting. Please make an effort to attend! Specialty classes will start at 10:00, A, B and 4-Stroke at NOON, and "C" classes will start their race at 2:00 pm.

SPEND THE WEEKEND! At the "DEEP SOUTH '97" Hare Scramble February 22nd and 23rd.....DON'T MISS IT!
