EDITOR'S NOTE

This monthly magazine is published and distributed to the FTR membership to officially inform them of FTR events and business. It is also a medium for expressing personal views, venting frustrations, sharing good times, reporting the efforts of a individual or group or just a good story. The amount of articles received from you, the membership of the FTR, will directly effect the content of each months magazine. Your contributions are needed to directly reflect the interests and opinions of our organization. Your articles can be in any form that you feel like sending us. Pictures are also needed! They should be black and white although some color photos with high contrast can be used. As the editors of the magazine we will do our best to publish a timely, up to date, quality magazine for you, ... but without your help it will be impossible.

Sharon & Jack Huffman - Editors

COVER: The start of the B-Open race at the Southwest Florida Trail Riders "Deep South" Hare Scrambles in Punta Gorda February 15th and 16th. Mason Graham #5B in the center of the picture won the race. It should be noted that Mike Scott, #1A, on the far left of the picture pulled out of the race, while leading to help and stay with a injured rider. Mikes quick action averted an all ready serious situation from turning into a very serious life threatening tragedy. Many THANKS to Mike who always seems to be there when someone needs help.

Dennis Seburn

May 1, 1948 - February 9, 1997

On Sunday, February 9th, Dennis Seburn was killed in a 15 vehicle highway accident in Pennsylvania. Dennis, and son Paul who survived the accident, were returning to Florida after driving Dennis' mother back to her home in Pennsylvania. It was a tragic loss to the close-knit Seburn family, and to the extended FTR family. Our heartfelt sympathy is extended to Betty, Paul and Lee Ann Seburn.

Dennis was born in Kingston, Pennsylvania, and was a founding member of the High Mountain Dirt Riders. He was a Lifetime AMA member. The Seburn family moved to the Tampa area in 1979 when Dennis left the cold to be in a warm climate where he could ride all year round. Not long after that he entered his first Croom enduro, joined FTR and Suncoast Trail Blazers, and became one of the hardcore enthusiasts / workers who were responsible for the success of the annual Orange State Enduro and at least a dozen hare scrambles. If a task had to be accomplished, Dennis always was there to do it. He also jumped in to work for the good of FTR, serving as FTR Secretary from 1991 to 1994, and FTR Enduro Chairman in 1995 and 1996.

Dennis was a dedicated enduro rider, a year end class champion in the Super Senior class. But he will be remembered most by our FTR family for his concern for his family and for others around him. His close relationship with his son, Paul, was obvious to all of us as he encouraged, supported and mentored him from "squidly" novice to one of the top ten riders in FTR. His "Dad n Lad" racing team personified parental concern and involvement with your kids. And as many of us learned first-hand, Dennis always was the first one to drop everything in the pits or stop on the trail in the middle of an event to provide a helping hand or to verify that you were OK. Many times he was the first one on the scene to render first aid and support.

In accordance with his wishes, Dennis was buried in the Veterans National Cemetery in Bushnell on February 18th. His final resting place is located adjacent to the Withlacoochee State Forest and the Croom Motorcycle Area, two places he loved to ride. The next time you ride there, or you drive up Interstate 75 past Croom and the Webster exit, rest assured that Dennis' spirit is there with you.

Godspeed, Dennis. Our thoughts are with you. You enriched our lives, and we will always remember you in our hearts.

THE PREZ SEZ

"YOU MAY WANT TO READ THIS"

Over the last couple of seasons, there have been some unrest within the FTR. A very small handful of members have felt the need to go to any length necessary to get things their way and create controversy. If the shoe fits, wear it. After months of personal conversations, telephone calls and letters from many members concerning the conduct of these particular members, the FTR is compelled to respond. As your newly elected Executive Administration becomes familiar with the issues at hand, one thing is clear, the FTR membership, the majority if you will, is tired of the situations caused by such a small number of people ruining their weekends of motorcycle competition and enjoyment. The membership and most of the FTR clubs have expressed for it to stop, completely. It is the decision of your new Executive Committee that in lieu of dwelling on the past and the many things those few people have done to distract the membership from enjoying themselves, that we should instead, go forward into the future. It is imperative that we channel all of this energy towards the preservation of our sport and not to ripping it apart. We beg you to please heed this. The Executive Board will not allow any actions that are unbecoming of a member or actions that compromise the integrity the FTR to go without immediate action within the guidelines of FTR rules. For now the slate is clear, we hope it stays that way.

For some of you, this is a generous warning from the majority of the membership that from today on, misconduct will no longer be tolerated...Make the best of it and lets all work together, with so many positives going for the FTR, there is no room for the negatives.

For those of you new to FTR, there are rules, means and methods that have guided the FTR for over 25 years. These rules and guidelines have obviously been very successful for our organization to grow into what it is today. When there is an issue to be addressed, these issues should normally be put in writing. Normally, the letters will be addressed to the next scheduled committee meeting. All letters or proposals do not go the way you may intend. You may want to discuss your issue with other members prior to sending in your letter to validate your ideas feasibility. That's why we have committees. All letters are normally decided by the committee relative to the issue with your Executive Committee making a final decision if needed. Letters containing foul language or slanderous statements will not be addressed by the FTR.

Meetings

A BOARD OF DIRECTORS MEETING WILL BE HELD SATURDAY MARCH 29, 1997: ALL AREA DIRECTORS AND EXECUTIVE COMMITTEE MEMBERS ARE REQUESTED TO ATTEND THIS VERY IMPORTANT MEETING to be held in at the HYATT of Orlando in Kissimmee (Same location as the banquet). The meeting will start at 10:00 am. in a meeting room close to the banquet hall itself. Each Board of Director member will be contacted by mail with details. Items, topics and issues to be included in the discussions at this meeting need to be submitted to the FTR Secretary at P. O. Box 5141, Titusville, FL 32783-5141, in writing, prior to this meeting. PLEASE NOTE THE DATE CHANGE TO MARCH 29. This change was made to accommodate those who would like to take in the Super Cross in Orlando that night. Questions or more info ...call 407-264-0559

HARE SCRAMBLES COMMITTEE MEETING APRIL 5, 1997 at 6:00 p.m. at the sign up table at the SUNCOAST TRAIL BLAZERS race in Brooksville. All Hare Scramble promoting clubs should have a representative at this meeting. Appointed Rider Representatives and other appointed committee members need to be present.

Collett Communicators

ALL-WEATHER

General Specifications: dimensions - 1 1/2 x 4 1/2 x 3 1/3" weight - 7 oz. audio output - adjustable up to 113dB cold weather reliable - down to at least -40 F

FLORIDA
Trail Riders
We're assigned you a CLUB CHANNEL.
Ask for it when ordering the
COMMUNICATOR 900.

WORLD'S BEST!

That's what Canada's best known police force thinks. They recently field and lab tested the **Communicator 900** against the world's biggest names in 2-way communication and then ordered a substantial number of 900's for their snowmobile and ATV patrols.

Except for the restricted police frequencies, this ad offers you the very same radio.

Frequency: 2-channel, 900MHz (megahertz)

Operating Range: 1 mile or more (line-of-sight)

price: **\$259.95** each (in Canada, \$349.95) (plus delivery)

DEALER INQUIRIES WELCOME

Frequency: 2-channel, 49 MHz

Operating range: approximately 1/2 mile

price: **\$159.95** each

(in Canada, \$189.95)

(plus delivery)

Price includes: **Battery Pac** (uses 6 AA size batteries).
Helmet Speakers. Battery Pac Charger (for recharging Nicad or Ni-MH batteries).

SPECIAL OFFER!

While stock lasts, with each COMMUNICATOR you order, you'll receive a set of 6 AA **Ni-MH** (Nickle metal-hydride) rechargeables - **FREE!** They're a \$49.95 value that feature high charge capacity, with no memory problem. Don't be disappointed - **ORDER NOW!**

SWAMP FOX ENDURO

January 12, 1997 - Charleston, S. C. - by Johnny Thomas "Dr. T."

I'm sure the Family Riders and competitors breathed a sigh of relief, when they woke up Sunday morning to find Sunshine and great racing weather. It seems that Mother Nature has brought havoc to this event over the past couple of seasons.

The enduro trail offered challenges of all types: Water and black mud for those who like to make a splash; sand and whoops for those who like to test their suspension and leg conditioning; stumps for those with new steel toe boots, angled logs for those with shiny new steering dampers and tight scrub oaks for those with loose brush guards. Hopefully no one was bored during the ride.

The racing was intense and new enduro "war stores" were being formed as the enduro progressed. Let's see if we can share a few of these! In our fastest group of riders, AA competitors Steven Smith, Allen Gravitt and current FTR Enduro Champion Frank Ramey blasted through the course as if it was a groomed motocross course; going faster than all others and passing slower riders through every section. Can you imagine how low their scores might be if they had fewer riders to pass like most of the C class competitors? Hey Frank those computers don't help with your enduro score if you forget to look at them, remember; Enduro not Hare Scramble. Steven rode smart and consistent and won the overall. Allen is still recovering from a serious injury and having the normal "post injury syndrome". His brain and crash avoidance circuits are slightly overpowering his throttle hand. I'm sure that will fade with time.

In our Open A class - there seems to be complaints being circulated against Mike Scott, Jeff Wingard and Steve Hardemann - for splashing all the water out of the waterholes giving an unfair advantage to later rows. Maybe they could learn to tiptoe through next year. Johnny McCoy had another good ride in 250A even with no fork oil in one fork leg. Who's your mechanic? Matthew Davidson used his lankey body to flick that lightweight Husky through the trees for 2nd place in FTR.

In Senior A, I would suggest that Mike Reynolds and Phillip Henderson gang up on Robbie Neeley and whip him good next FTR event. We also need to develop a Mustache guard for Mike Shank - seems

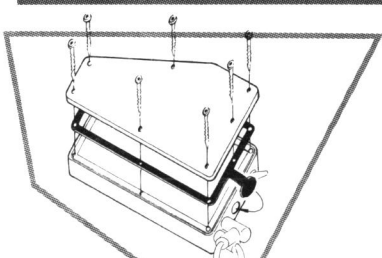

he got tangled in a thorn bush and had forgotten his mustache scissors. Gary Williams must have crashed into another rider, gotten dazed and taken off on the wrong motorcycle because he came through my check on a bike that wasn't green.

Well, Joe VanSeeters did it again winning the Master A class. Somebody needs to talk to Joe about those pink side panels - they are not appropriate for someone as tough as Joe. Geoff Poole did well in the 4 Stroke B class. Is that the B class? Taking 1st place FTR points in 4 Stroke A was Craig Borders. I Obviously Martin Shipman has been sneaking into his parents rehab center working out, because he was able to hang on to that new supple suspended Honda for 2nd place in Senior B right behind the computer wiz kid George Noxon.

For a small sum of money or prescription pads I promise not to tell Joey Hopkins that his championship Kawasaki's are not getting to the finish line with David Tharp at the controls. Let's see Joey the green ones or orange ones? Finally, Bud Hardeman didn't waste energy filing protests and decided to ride winning the Master B class. We caught Tommy Neal using his cellular phone to call for a substitute rider near the end of the race, don't believe that legal. Sam Mento asked for larger whoops like his favorite trail inside Crooms MC Park. Maybe next year. Our Master C class consisted of FTR only competitors - someone needs to tell Larry Walls he's taking too many beer and smoke breaks during the race! Joe Haley literally kicked butt in the Golden Masters but it might have been because Buddy Gailliard was stopping to get his coronary artery balloon reinflated in the middle of each section. These old guys are NUTS!!

We also had a few sportsman riders with Bradlee Jo Cribbs winning. Elaine Nobles rode her kited Honda 125 to the Women's class win again. Well we hope everyone felt the trip to S.C. was worthwhile and enjoyed the enduro. Have a great season. Got to go fix my sons seized up Suzuki.

Johnny

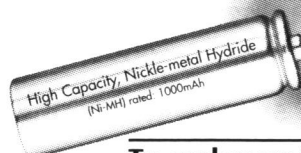

ALL-WEATHER

Our new 1997 Communicators are more all-weather reliable than ever! They are now protected by a virtually indestructible, water-tight case. Shown here, the upper and lower ABS plastic sections interlock with a silicon rubber gasket. These sections are then squeezed together by 7 screws to form a secure water tight seal. Input jacks are sealed by the attached weather caps.

CLIPS TO ANY HELMET, IN SECONDS!

CLEAR, TELEPHONE QUALITY, VOICE-ACTIVATED COMMUNICATION.

MUSIC INPUT JACK WITH AUTOMATIC MUTE. LETS YOU PLUG IN A PERSONAL RADIO OR TAPE PLAYER. AUDIO CORD INCLUDED!

	Total 405	

Since it's obvious that none of the columns add up to 405 (official count). It means that enduro riders don't know where they're from, what they ride and some don't even know or support an organization as they should. But one thing for sure, we gave them a good enduro and took their money. We just failed to get the blanks filled in!.....Marvin

Florida Trail Riders 1996/1997

Motocross State Championship Series

Round 4 Thundercross Motorsports Raceway

by Conrad
Eigenmann

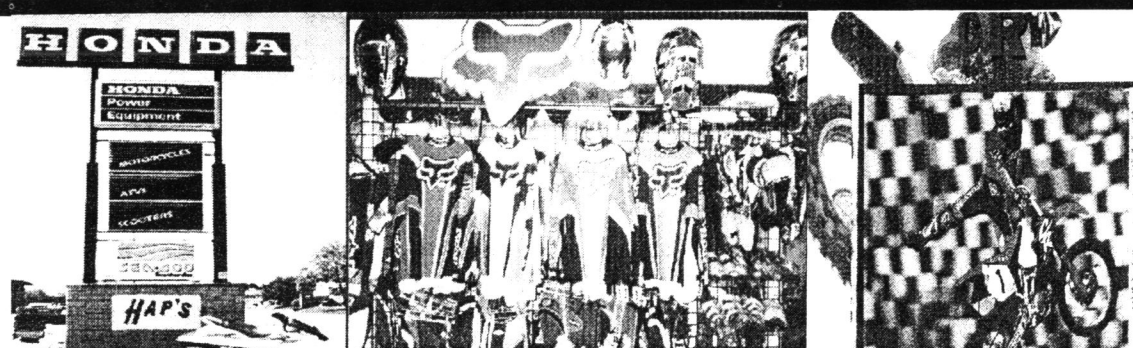

Who would have thunk it? Round 4 of the 1996/1997 Florida Trail Riders MOTOCROSS Series was held at the all new Thundercross Motorsports Complex in Okeechobee, Florida. As the sun poked it's head up, it was evident this would be a great event. The pits filled rapidly and signup totaled over 250 riders. The Thundercross Track provides several small doubles, lots of railing berms, a couple of larger jumps, a stadium whoop section combined with some sand, some dirt, some grass and some limestone. The track was prepared great! After a delay riders meeting, the racing began with the Peewee's. The Peewee Mods blasted away with back and forth who's gonna win action. When the dust cleared, Cody Neff (701) went home in 1st adding a little more padding to his points lead. Danny Weyer (123) who seems to be getting faster each week took 2nd. In the Peewee 7-9, it was a different story with Danny romping away from the field with the hard charging Dean Dyess III (133) and Mike Nicolini (17) in tow for 2nd and 3rd. Take a breath guys! In the Peewee 4-6, Chase Couture (886), Ryan Aley (82B) and Greg Bobka (10) were all obviously having a blast as they went back and forth both motos with Chase, Ryan and Greg going 1,2,3. These little guys just won't quit. Just when you think their done, here they come again. Dean Dyess III (133), April Hodges (7), Cody Neff (701) and Brandon Jackson (21X) at it in the Mini 60B war. Dean emerged with the win and April held on for 2nd. Moving up the ladder, the Mini 80B class combined with the Mini 80A's to see these future stars go at it. The track seemed to Garrett Edmisten's (17A) liking as he rolled to the Mini 80A win and Shaun Skinner (37A) in 2nd. One of the larger classes of the day, the Mini 80B class watched Chris Bradfield (383) roll in the overall with C.J. Baker (08) and Jake Jeffers (61) finishing 2nd and 3rd. Moving to the big boy's toy's. The 250 A and 250 B classes saw Conrad Eigenmann (32A) pull into the 250 A lead with John Chludzinski (92A) and Brad Martinez (92A) in sight. John edged out Brad for the eventual win with Conrad taking 3rd for the day. The 250 B had Jim Swanson (7) in his own world running away with it. Jim has missed several years of riding but seems to be picking up where he left off. Newly Licensed Pro, Scott Davis (625) showed everyone what he's got after a first moto 250 A pileup, Scott walked away from the field in a class of his own in the 250 A second moto and both 125 A motos. In 125 B action, Kyle McAfee (79) was in control winning the overall. Alexis Andrea (117) and Steve Rhoades (6) battled for 2nd and 3rd with Steve barely edging out Alexis. Drum roll please! Now for some of the larger classes of the day. First, the 250 C tussle. Kyle McAfee (49) went out and tried his hand on a 250 and found it to his liking winning convincingly while Eric Priest (54) and Wes Trenge (224) bashed in for 2nd and 3rd. Not to be outdone, the 125 C riders went at it showing they deserve as much as the 250 guys. Duane Hibbs (18) and Dave Weaver (31) went at it all day rolling home with 1st and 2nd points. In the big, big boy's toy's, Mike Bragg (280), Open A and Kirk Robinette (13), Open B and Woods B set the cruise control to overdrive to both score overall class wins. Important footnote is that Mike's Honda 500 also works as a trenching machine during the week along with his Dad's (Tom Bragg) Husaberg 501 excavator by Catapiller. Tom Braggs (280) Husaberg was unable to get off work this weekend so Tom used his Honda and rolled to both moto wins in the +50.

The largest class of the day went to the +35 guys. These guys all think their still 16 years old. Jim Swanson (7) who took the overall win and fought off the charges by Danny Davis (11), Greg Bobka (52), Dean Dyess (133) and Conrad Eigenmann (32A). Thank goodness that Jim didn't stop suddenly anytime during both motos, they would have all gone down. +40 action proved to be no less with many of the same guys going right back to the line to pick up from the previous moto. Danny Davis (11) said "No way" this time and kept 2nd place Greg Bobka (52) at bay. Greg said afterwards, "I'll be back!" Beth Rewis (77A) did her usual show how it's done by winning the Women A class while Antoinette Freed (27) and Melana Hoffman (117) continued their ongoing battle for the Women B title with Antoinette edging out Melana. In the Quad A, Father and son team Jeff (42) and Jason (12) Mitchell took home the 1st and 2nd points. How many of you guys get to race with your father or son in the same race? Gene Manning (16) showed up with his great looking CanAm 250 to take home the vintage win. You'd be surprised how fast that machine is and how well it handles for a 20 year old machine. Gary Jones would be proud (Trivia: How many of you remember Gary Jones? Who, What, Where, When?). Finally, The Beginners. The Beginner 0-200 watch Tommy Ziglar (57), Greg Avant (22) and Justin Nelson (1) rally in for 1,2,3 respectively. The Beginners 201-Open action saw Dana Gaines (15) make his statement that he's not going to be a beginner very long by grasping both moto wins with Rick Carney (16) holding down 2nd. Wow! what a day.

The FTR would like to Thank the Kirton's and the many other people that have taken the initiative along with the tremendous amount of work to build the incredible facility that proves already to have an exciting future. See you guys at Hilliard for Round 5.

EXECUTIVE MEETING FEBRUARY 1, 1997

The Executive Committee held their first meeting of 1997. The meeting began at 5:05 pm at the Apollo Hare Scrambles. Present were: Conrad Eigenmann, President; Steve New, Treasurer; and Sharon Huffman, Secretary. Vice President Jack Terrell absent due to land use business.

There was no old business.

New Business:

- Selection of Hare Scrambles Chairman and Enduro Chairman.
 - Hare Scrambles had two members to consider: Randy Faul and Tim Myers. The committee selected Tim Myers.
 - Three names were listed for Enduro Chairman: Sam Mento, Tom Russell and Lane Sheppard. Lane Sheppard was elected as Enduro Chairman.
- The FTR had received a letter from the Florida Forestry Association, signed by Dave Norman, Area Forester. The letter requested our support and 1 year membership of \$100.00. The Executive Committee decided to table this request until all six members of the Executive Committee can meet.
- There was a question on the Web Site activity. This subject was also tabled until the entire committee holds a meeting.
- Rule book status - The 1997 rule book will be printed and should be available at the February 22/23 hare scrambles.
- The 1997 Executive Committee will address the situations causing unrest in the FTR at a meeting to be held in the next 2 weeks. Items such as insurance problems, letters submitted to FTR will be among the topics of discussion.

The FTR President called for a Board of Directors meeting to be held on March 15, 1997. (This date was later changed to March 29, 1997. The meeting adjourned at 6:00 pm.

Hare Scrambles Meeting February 1, 1997

The meeting was called to order at 6:20 pm. Present were:

Chairman	Tim Myers	C Rider Rep	Tommy Neal	Big Scrub	Glenn Peroni
Referee	Randy Faul	Sr. Rider Rep	Scott Sears	PBT&T	Bill Girard
Scorekeeper	Scott Lamb	Womens Rep	Jennie Lamb	Sunrunners	Beth Rewis
A Rider Rep	Steve New	Apollo	Steve Bigos	SWFTR	Joe Moulton
B Rider Rep	Kip Carroll	Azalea Rep	Al Lagasse	TCTR	Bill Moody

FTR President, Conrad Eigenmann, introduced the newly elected Hare Scrambles Chairman, Tim Myers. Conrad assisted Tim during this first meeting.

OLD BUSINESS

- Written proposal to extend the racing time and laps for the Saturday race by Steve Duga read as follows: Recommend that the Vintage, Sportsman and Quad classes race for a recommended 25 miles or for the period of 1 hour 15 minutes. Mini classes shall race for a recommended 3 laps or 1 hour and 15 minutes. Peewee classes shall remain the same. Starting times may be adjusted to accommodate available daylight hours. Race time deviations will be published on event flyer. Approved 9 of 14
- Proposal that if riders who compete without joining FTR will not be scored for that event or any future events until FTR membership is current. Approved Unanimously
- Written proposal suggested that the beginners class carry fewer points into higher class. Suggests 50% or 70% in lieu of current 90%. This would prevent riders from moving into "C" class at end of year and placing in top of class without ever riding in class. Approved Unanimously
- Written proposal (1-4) to increase H/S scorekeepers pay per event from \$50.00 to \$100.00. Approved Unanimously

NEW BUSINESS

- Ed Swinson requested reclassification from B to C. Since Ed promoted himself the committee decided that he will be allowed to return to the C class next season.
- James Jeffers requested the Vintage Class recognize '76 bikes. Comments indicated that the AMA and Vintage Club standard is 1974. Scott Sears made a motion to ask James Jeffers to reconsider his proposal and resubmit the request. Carried 13-0
- A letter to FTR indicated riders are riding the courses the day before the events and should be addressed. The following covers this situation and is in the rule book.

Chapter VI, para B.5. - Specific dates and times must be announced in the flyer when riders may practice on the actual course.

Chapter VIII, para A.3. - Practice will be available the day before the event. If this is not possible due to insurance or land owner problems, the Hare Scrambles Committee will be notified and the riders will be advised in the flyer.
- Al Lagasse questioned the scoring of riders not completing the required laps within the 2 hour limit on Sunday races. Based on Chapter VII, Section A, para. 9 of the rule book riders finishing the last lap after 2 hours will be marked as DNF and only receive points for the laps completed within the 2 hour limit.
- Scott Lamb requested clarification on points for Lewis Gombakoto. It was unanimous that no points be awarded him from the lower class.
- Bud Lorew requested he be allowed to ride in the Beginner Class since he was misinformed when he rode in the C class on his first race. A motion was made and 10 voted to let Bud return to the Beginner class with no points. The Hare Scrambles Chairman will contact him about his rider number since his number is already taken in the Beginner class.

The Hare Scramble Committee continued with the clarification's and corrections submitted by the Rule book Committee for next seasons update. As the time was getting late the remainder of this cleanup was tabled again until the next hare scrambles meeting. Once all the Rule book Committees comments have been completed the findings/corrections will be printed in the magazine. The rule book will not be held up for these changes. The rule book should be available at the February 22/23 hare scrambles.

The meeting adjourned at 8:15.

Won any lately?...Try it on one of these!

Husqvarna

Husky wins big in the 1996 ISDE with the 125cc win, the 500cc win, the top three Light-weight Four-Stroke wins (5 of the top 8 were 410 Huskys), and the Manufacturers Team title with first and second place. In fact, of the 60 Huskys starting — an incredible 51 finished! That's unparalleled performance and reliability against the toughest competition in the world!

This year, all the 97 Huskys come in a new frame color with new plastic and exciting new graphics in both WXE and WXC trim.

The new **125** gets the trick Marzocchi fork, a heavily revised motor including new bore and stroke, connecting rod, revised porting, revised head profile, a new crankcase and cover, a new pipe & silencer and a new front brake caliper.

The **250 and 360** get the new front caliper, a new crankcase, a revised ignition curve and an improved kickstart lever.

The four stroke **410 and 610** get beefed up with reinforced crank and transmission cases, a double-wound ignition coil, new camshaft/rocker arm reinforcement, reinforced steering head, the new front brake caliper, an improved steel kickstart lever and much more. Dirt Bike magazine said of the 610, "the standard of the big four-stroke class," and "nothing else offers the power, — suspension excellence — or handling for either race or play in motocross or in the woods".

Ride the best. Ride the proven Husqvarnas from Upstate Cycle...*The shop that lives to race and tunes to win!*

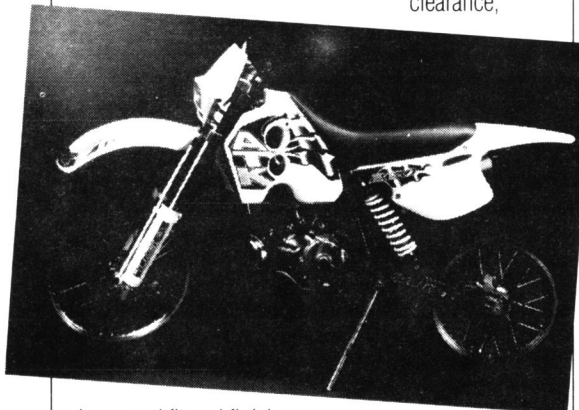

Racing Fuel

ATK *Made in America*

ATK offers eight models for 1997. The outstanding **250LQ** Cross Country and **260LQ** Enduro (liquid cooled two strokes) get a 35mm Mikuni TMX carb, Type 6 White Power fork, a revalved WP shock, firmer seat foam & stronger footpegs and kickstand bracket.

The **four strokes** (350cc and 605cc) come in either Cross Country trim as either kick or electric start and in **Dual Sport** trim with electric start only. All four strokes get a new heat shield for the frame backbone, a repositioned muffler for better clearance,

improved fit and finish of body panels, and a new 3 bolt chain guide with thicker aluminum cover. ATK builds beautiful bikes from proven top-shelf components assembled in track-tested nickel plated frames. *ATK's are built to last!*

For Kids Only

LEM CR2-S

The exciting **LEM CR2-S** is a real 49cc motorcycle for the 4 to 6 year-old. Weighing in at only 62 lbs., the CR2-S is a safe but highly capable entry level bike for your

budding supercross champ. The **LEM CR3** for the 7 to 8 year-old has big bike features and is only 81 lbs. A proven race winner or a fun trail bike, the CR3 has an adjustable 23" to 26" seat height. Both LEM's have an easy to ride single speed auto transmission, real 10" knobby tires, hydraulic fork and a true mono-shock rear suspension.

The brand new 50cc **Tomos TX50** may be the new king of the mini-hill! This 80 lb. mini-might will pull a 125 lb.

7 to 12 year-old around a motocross track or down your favorite trail with ease. With a two-speed automatic transmission and a broad power band this little demon will pull the giant hills with the big boys. A 42" wheelbase, a 26" seat height and 10" mag wheels with dual sport tires round out an excellent package.

approximately **\$1000⁰⁰**

Suspension rebuilds, Husky & ATK engine tuning, an unbelievable array of new and used gear, tee shirts, fluids, tires, race fuel, videos, decals, posters, bars, plastic, blah, blah, blah.....*Yeah, we got it!*

This year 218 different motorcycle races all end at the bank. Because Suzuki's Off-Road Contingency Program is posting **\$775,700** in winnings for 1996. So grab some deposit slips and a Suzuki RMX250 or DR350. They're famous for winning championships. Like the 1994 and 1995 AMA National Reliability Enduro Series and the 1995 AMA Four-Stroke Grand National Cross Country Series. This year you can ride them to fortune. Stop by your local Suzuki dealer for a brochure with all the details and a complete pay-out schedule. Then get ready for a season of whoop-munching, rock-hopping, bark-busting, mud-slinging scrambles to the finish. In other words, just another trip to the bank.

**There's a reason bank tellers
know Suzuki racers
by name.**

SUZUKI

1996 Off-Road Contingency Program

Call 1-800-828-RIDE for the name of your nearest Suzuki motorcycle dealer. At Suzuki we want every ride to be safe and enjoyable. So always wear a helmet, eye protection and protective clothing. Never ride under the influence of alcohol or other drugs. Study your owner's manual and always inspect your Suzuki before riding. Along with concerned conservationists everywhere, Suzuki urges you to "TREAD LIGHTLY" on public and private land. Preserve your future riding opportunities by showing respect for the environment, local laws and the rights of others when you ride. Professional rider photographed under closed course conditions.

"Deep South '97"

by Bob Thorp

Most will agree that promoting a successful Hare Scramble is a major undertaking. After their "Deep South 97" Hare Scrambles the weekend of February 22nd and 23rd members of the Southwest Florida Trail Riders have concluded it's nothing more than "Simple Arithmetic".

Take one enthusiastic Southwest Florida rancher with sixty five hundred acres of pristine slash pine flatwoods. Add to that one very enthusiastic Southwest Florida off-road motorcycle club determined to give fellow FTR members the time of their lives. Divide the sum by four weekends of cow trailing trail cutting, and the posting of hundreds of FTP arrows. The quotient to this simple equation? Eleven miles of dry, dusty, root infested, bike snarling trail commonly referred to as a Hare Scrambles course. Couple this practical application with two days of beautiful yet unseasonably warm weather. Next credit the Senior A class with the former National Hare Scrambles Champion Mark Hyde. Give "Possum" additional credit for having traveled from Ohio! Now subtract any "earned income credit" from AA High Point winner Mike Phillips who now rides "the color of money". Make some adjustments to any time ratios taking into account the late arrival of Emergency Medical Services Sunday morning. Add to the total number those brave souls who scaled what is referred to at SWFTR events as the "Leaning Tower of Alspaugh". Average those remarks from Quad racers on a scale of one to ten as to how well they got through the "stump section". Appoint some "in charge" people like Richard and Melissa Sprague to do the scoring. Delete any chance of having a unsafe event due to the insane amount of pit riding. Compound the event by offering a larger parking/camping area with the start, sign-up and scoring all within a stones throw. Find the common denominator by selecting an appropriate weekend in late February. Find the solution by factoring into that weekend very close to 500 FTR Hare Scrambles racers eager to join in the Fun. The Solution:

The Southwest Florida Trail Rider "Deep South '97"

By any formula the SWFTR "Deep South '97" Hare Scrambles was indeed the right combination.....The right combination being Gordon and Carol White, Steven Schafer, Bill and Debbie Nance, Chris Sundman, Joe and Tracey Moulton, Frank Fiegl, Greg Alspaugh, Greg Dionne, Rick, Kathy, and Brook Thorpe, Greg Wrobel, Wayne and Tammy Arnold, Kevin D'Zelack, Richard and Kenny and the membership of the SWFTR...Great Job Folks!!

The Southwest Florida Trail Riders would like to express their appreciation to those FTR members, their families and friends who took part in the Deep South '97 Hare Scramble. It was the hope of the SWFTR that everyone have a safe and fun weekend of riding and racing. A special thank you to those who worked and helped with the event. Your help was very much needed and appreciated!

The SWFTR would also like to thank Lewshane Hall and the staff of Hall's Bermont Ranch for their continuing support of the FTR and the sport of off-road motorcycling!

Thanks again FTR? See you next year!!

To The FTR Membership:

This is a letter of apology to the FTR Members and to anyone who has tried to call me over the last four months. I have failed to uphold my responsibility as FTR Enduro Scorekeeper. Due to many personal issues I have not returned calls and have failed to respond quickly to inquiries into the Enduro Scores. All I can say is "I am Sorry". I am focused again on my duties and will try to improve on my performance. If you have called and not gotten through please try again and I will endeavor to assist you in any way.

Sincerely,
Allen P. Collins IV
FTR Enduro Scorekeeper
(407) 632-3552

TO: Conrad Eigenmann; FTR President
FROM: Mark Edenfield
SUBJECT: Publication of Voting FTR Members Names
DATE: February 25, 1997

Please consider this a written request that this matter be placed on the agenda of the March 97 Board of Directors meeting. I ask, as a Candidate and FTR Member, that the Board Act to Direct the Magazine Editor to print the Names and FTR #'s of everyone who mailed in a ballot. If there were ballots that were invalidated, I ask that the names be printed separately along with their FTR #'s. so that these members can be made aware that they voted incorrectly

Thanking You in Advance,
Mark Edenfield FTR #40488

EDITORS NOTE: Mark as you are aware the Editor of the magazine have been provided and have printed the names of the FTR members that took the time to vote for many years now. Printing these names is not a FTR requirement, but is something we, the editors, felt would honor those members that did vote. This year when we asked for that information the request was denied by the election committee. As previously stated in the magazine there was a vote taken by the Election Committee with a 2 to 1 vote not to publish this information. There were objections to this vote voiced by the many of last years Executive Committee members and the newly elected FTR Executive Committee, but the Election Committee would not change their position.

In conclusion let me say that we have never published members FTR #'s in our lists, but do list where they live.

National Forests in
Florida

325 John Knox Rd.
Suite F-100
Tallahassee, FL 32303

January, 1997

To Our Friends of the Forest:

We are pleased to release the *Proposed Revised Land and Resource Management Plan for National Forests in Florida*. This proposed plan reflects what you value, what the latest scientific research is showing, and what we think is possible. An adaptive management approach is proposed which means we must be flexible, capable of adapting new methods and processes where they are needed. Forest plans are not meant to be a list of projects, but are a vision and framework for guiding future projects and programs for the next 10-15 years.

This proposed plan is the result of work by literally hundreds of people during the past few years. While it is our best attempt at responding to your concerns, I have no doubt it can be improved. We are now at a point where your input is needed. We would like you to review this proposed Forest Plan and Draft Environmental Impact Statement and give us your comments. We will use your comments as our guide in forging a final plan. All comments received will be addressed in the final Forest Plan and Environmental Impact Statement. Several workshops will be held in locations throughout the state where we can continue to visit with you and discuss your concerns and opportunities. You will be notified of the dates and locations of these workshops through our newsletters and newspaper notices. **We must have your written comments by May 10, 1997.**

With your assistance and guidance, we share management of Florida's national forests. We should work closely together as we continue to seek a sound ecological approach as stewards of Florida's rich natural resources.

Sincerely,

KARL P. SIDERITS
Forest Supervisor

LAND USE REPORT

by Jack Terrell

In late January we received from the United States Forest Service (USFS) a copy of the "Proposed Revised Land and Resource Management Plan" for the National Forests in Florida. As stated in the cover letter from Forest Supervisor Karl P. Siderits, this plan is a vision and framework for guiding future projects and programs for the next 10-15 years. The USFS is asking for **your** input before they adopt the final plan. All written comments received by the USFS will be addressed in the final plan. Several workshops will be held in locations throughout the state where you can meet with USFS representatives to learn more details about the plan, and to discuss your concerns regarding motorized recreation opportunities under the plan. The dates and locations of these workshops are listed in this issue of our magazine. A key point in the letter is that **the USFS must receive your written comments by May 10, 1997.**

What does this proposed plan mean to you? Once this plan is adopted, it will be the "bible" that will be the basis for all decisions made by each District Ranger (the boss of each district). If the plan prohibits or does not recognize motorized recreation as a legitimate activity within the forest in general, or within each "management area" within each National Forest, then you will not be allowed to ride there anymore. You need to understand that each forest has many identified management areas, each listed with a short title and a two letter, two digit designation, such as "Trailless Wilderness - MA 0.1". These management areas also are depicted by means of color coded areas on maps of each forest.

What actions should you take? As a club that promotes (or hopes to promote) enduro events in the three national forests (five districts) in Florida, or as a trail rider who rides the thousands of miles of trails and fire breaks within these areas, you need to take a close look at the color coded maps and the descriptions of permissible, prohibited, and not mentioned activities in each color area. If you ride there now, if you know there are trails there, if you want to ride there in the future, you must communicate this to the USFS. Where can you obtain these maps and documents? How can you educate yourself on this proposed plan? Attend one or more of the public workshops. When you get there, be sure to put your name (and the name of everyone with you) on the sign up sheet at the door. Identify yourself as a concerned, responsible motorized recreation enthusiast. Seek out USFS personnel at the workshop to review each of the large scale maps identifying the management areas, and the detailed descriptions of permissible uses in each area. Ask questions. Raise your concerns. Express your support for items you see that are favorable to your favorite type of motorized recreation. After you leave the workshop, **write a letter to the USFS listing** your concerns, suggestions and support for specific items. And be sure to send a copy to FTR. Also call me at 813-784-5587 to share your observations and concerns. If we consolidate this information, we can be more effective in our review and input.

I cannot overemphasize the vital importance of every member of FTR (and all off-highway motorcycle and ATV riders in Florida) becoming an active participant in this process. The workshops are not as much fun as an afternoon ride on your favorite trail. The bureaucratic process of draft plans, public input, final plans, etc. is not as thrilling or exciting as pulling a wheelie exiting your favorite turn, but it is your primary opportunity to influence your future access to your public land. If you don't get involved now, you may be locked out in the future. Remember, the folks who don't share your vision of a fun day in the forest know how the system works and will take the time to attend the workshops and provide an avalanche of written anti-motorized recreation comments. Don't be left with your thumb up your nose when the green flag drops, don't be last into the first turn, and don't be a Did Not Start / Did Not Finish when the checkered flag drops. You control your future. Get involved, now.

FUTURE FORESTS

Your Update on National Forests in Florida

Draft Forest Plan Released

□ The Draft Revised Land and Resource Management Plan for National Forests in Florida was recently released. Some of you requested the summary of the plan, while others requested a copy of the draft plan and related documents. Some of you chose not to receive copies of the documents, and I wanted to make sure you are aware of the release.

Your comments are critical to our planning effort, and we are committed to providing opportunities for involvement in the process. Informational meetings are scheduled (see below) to answer questions and to help you in the preparation of your comments. If you are a member of an organization that is interested in the future of National Forests in Florida, we will be glad to speak to your group concerning the draft plan. If you would like to schedule a presentation or need more information, please contact any of the Forest Service offices listed on the reverse of this newsletter (Page 44 of this magazine). Remember the comment period ends on May 12, 1997.

We have a fabulous treasure in these national forests. Please help us in being good stewards of the land!

Karl P. Siderits
Forest Supervisor

Public Meetings

□ Public review meetings are scheduled at the following locations. Forest Service staff will be available to discuss the draft plan.

February 20	National Forests in Florida Supervisor's Office, 325 John Knox Rd., Suite F-100, Tallahassee	12-9 p.m.
February 24	National Forests in Florida Supervisor's Office, Tallahassee	1-5 p.m.
February 25	Lake City Community College Corrections Academy U.S. Hwy. 90, Olustee	12-9 p.m.
February 26	Wakulla County Commissioner's Boardroom, 26 Arran Rd., Crawfordville	12-9 p.m.
February 27	Apalachicola Ranger District Office, Corner of State Hwys. 20 & 12, Bristol	12-9 p.m.
March 4	Florida National Guard Armory, 605 S. Bay St., Eustis	12-9 p.m.
March 5	Orange County Public Library, 101 E. Central Blvd., Orlando	12-9 p.m.
March 6	Lake George Ranger District Office, 17147 E. Hwy. 40, Silver Springs	12-9 p.m.
March 11	Cabot Lodge Hotel, 3726 S.W. 40th Blvd., Gainesville	12-9 p.m.
March 12	Holiday Inn, 150 Park Ave., Orange Park	12-9 p.m.
March 25	Gulf Coast Community College, 5230 W. Hwy. 98, Student Union Bldg., Classroom 243, Panama City	12-9 p.m.
April 15	National Forest in Florida Supervisor's Office, Tallahassee	12-9 p.m.
April 16	Wakulla County Commissioner's Boardroom, Crawfordville	12-9 p.m.
April 17	Apalachicola Ranger District Office, Bristol	12-9 p.m.
April 22	Osceola Ranger District Office, U.S. Hwy. 90, Olustee	12-9 p.m.
April 23	Lake George Ranger District Office, Silver Springs	12-9 p.m.
April 24	City Hall/Community Center, 1 S. Central Ave., Umatilla	12-9 p.m.

Executive Meeting February 19, 1997

The Executive Committee began at 8:25 pm. Present were: Conrad Eigenmann, President; Jack Terrell, Vice President; Steve New, Treasurer; Sharon Huffman, Secretary; Tim Myers, Hare Scrambles Committee Chairman. Lane Sheppard, Enduro Committee Chairman absent.

Minutes from the February 1, 1997 Executive Committee meeting were read. and approved.

OLD BUSINESS:

Board of Director Meeting called for March 29, 1997 to be held in Orlando, FL. Notices will be sent to each director.

Motion was made and seconded to join the Florida Forestry Association for one year. Approved Unanimously

Web Site Activity was discussed. In the last 6 months only 450 inquiries have been recorded. It was suggested that a static page might be better for the organization. A motion was made to try a Static Page. A static page would provide general information about the FTR including enduro, hare scrambles and motocross schedules and phone numbers for more information. A motion was made for the Business Manager to look into a static page for FTR. The FTR will send Don Dehart a letter explaining our stand on the web site page at this time and thanking him for his support in developing the web site that we have been using.

The rule book is being printed and will be available at the February 22 and 23 hare scrambles.

NEW BUSINESS:

Much discussion followed regarding the lack of insurance at the Azalea City/River City Dirt Riders and Azalea City hare scrambles and what should be done about the situation. Worked run credit was also discussed and the Azalea City's decision not to follow the FTR rules.

A letter will be sent to both clubs requesting each send one representative to the Board of Directors meeting where a decision on this proposal will be made on March 29th.

Discussion followed on letters being circulated through out the FTR with false statements, misinformation and threats. The actions taken in the letters is conduct unbecoming an FTR member. A motion was made to send a letter to the originators of the letters Gary Wyatt, Robert Fry, Mark Edenfield and Tom Russell and published in the magazine to stop personal attacks and pull together to work for the betterment of FTR. A copy of this letter will be sent to everyone who received the original letters.

Personal liability insurance for the Executive Committee, FTR Club and Officers. One million dollar policy with a \$250 deduction would cost FTR \$820.00 annually. Motion was made and seconded to accept George Knight liabilities insurance. Passed Unanimously.

(The business Manager is requested to follow-up on this insurance and make sure the Club and all officers are covered.)

Magazine Editor and Advertising Manager of the magazine pay scale previously addressed at the October 1996 meeting but was not included in the minutes. A proposal was made to request any one interested in the positions provide FTR with a proposal bid. The bids should be sent to the Treasurer by April 30, 1997.

Banquet duties were discussed. It was suggested that the same DJ used last year be used again this year. The Business Manager was asked to take care of the DJ.

Banquet Meetings - A proposal was made and seconded to have the three (3) banquet meetings on Saturday morning beginning at 9:00 and ending at noon. Each meeting will be an hour long and be held to the agenda using Robert Rules of Order. The proposal was passed unanimously.

Conrad Eigenmann is looking for help for contingencies and will help anyone who wishes to chair this committee.

The FTR President requested that every committee have a report ready for each Executive Meeting.

A suggestion was made for the FTR to subsidize the banquet tickets by \$5.00. Steve New will look into the cost and report to the committee.

This years banquet will include awards for the Enduro, Hare Scrambles and Motocross Series.

Until the Scholarship Committee is complete all scholarship requests and applications should be sent to the Business Manager who will forward them to the chairman once that committee is chosen.

A motion was made to look into getting some type of storage area for all the FTR stuff. This would include event supplies, correspondence, financial records, magazine information and miscellaneous paper work. The Business Manager will check on a storage area and report to the committee.

Phones - The Business Manager requested the FTR have their own phone line. The motion was seconded and carried unanimously.

Land use chairman, Jack Terrell reported on a meeting with Mark Schmidt in Tallahassee on a OHV sticker program. The OHV sticker program would give a percentage of gas tax for off road administered by a committee, similar to the gas tax in California. In order for FTR to be heard in the State legislature we will need legal representation. Mark Schmidt of FMC is willing to take on half of the cost to draft the OHV sticker legislation and FTR would donate the other half. The cost to FTR would be \$3,500.00. This proposal was seconded and passed unanimously.

Meeting adjourned at 12:00 p.m.

Ride the Real WEST!
PRIME VIEWS
**NEVADA
MOTORCYCLE
ADVENTURES, INC**
THE ULTIMATE DUAL SPORT TOUR
FLY IN RIDE OUT!

A Licensed-permit guide-outfitter service in Nevada and California, we plan and prepare for safety and enjoyment! See places you wouldn't find on your own riding some of the "BEST" dirt roads and Jeep trails in the U. S. A. Northern Nevada will astound you. It is vast rugged and remote, has more mountain ranges than any other state and great weather! From desert to mountain top, the variety of riding and scenery is unrivaled in North America. Visit real ghost towns, soak in hot springs, explore the recent Old West! Based in RENO, our fun, affordable tours, include bike, guide, support, lodging and lunch.

Hare Scrambles Meeting February 22, 1997.....The meeting was called to order at 6:20 pm.

Present were:

Chairman.....	Tim Myers
Referee	Randy Faul
Scorekeeper	Jennie Lamb
A Rider Rep.....	Steve New
B Rider Rep.....	None
C Rider Rep	Scott Lamb
Sr. Rider Rep	Bill Girard

Womens Rep Cheryl Myers
Azalea Rep Al Lagasse
SADRA Teresa Faul
Sunrunners Jack Terrell
SWFTR Richard Spargue
TCTR Gary Crumbacker

Absent

Palm Beach Track & Trail Riders
River City Dirt Riders
Central Florida Trail Riders
Suncoast Trail Riders

Mark Ronan requested change back to Mini B. Mark rode in the Super Mini A class because of Big Wheel bike he had. He now has the proper bike to ride in the Mini B class. Proposal to let Mark choose from two options: 1-move back to B class now with 50 % of the points earned in A or 2-complete this year in Super Mini and move back to Mini B class next season. Passed 9 yes - 1 no

Joel Coscia #93X Beginner 201-Open was promoted after the last race. A letter was sent to Joel Wednesday after the last race. After some discussion it was decided that Randy Faul will talk to him and be sure he knows he is promoted and cannot ride in the Beginner class and must ride on Sunday.

Scorekeeper requested verification on the following promotion points

1. Mike Suddith 90% of the B-250 points will be taken to the A-250 class.
2. Mark Allen 90% of the B-Open points will be taken to the A-Open class.
3. Bobby Morarity 90% of A-250 points will be taken to the AA class.
4. Joe Nance 90% of the Mini B points will be taken to Super Mini.

Committee clarified that if you ride Beginners, Mini classes or Peewee classes you cannot ride on Sunday. If you are promoted from the Beginners class on Saturday you must wait until the next race to ride on Sunday.

Question was asked about what percentage of points can a beginner take when promoted. Committee was in agreement that 50% of the points will be taken to the new class.

Clarification - If a rider works on Saturday for Sunday worked run credit the rider cannot ride on Sunday.

New Proposals: (NOTE: These are not rules yet)

1. Split the Junior class into Junior A and Junior B. The Junior A's would continue to start on Row 3 and the Junior B class would start on Row 7. The scorekeeper and referee will review the times for this season and decide which riders are A and B. (Approved Unanimously)
2. Divide the Mini B class into Mini B and C. The Mini C class would start immediately after the Mini B class and before the Mini 60 class. The scorekeeper and referee will review the times for this season and decide which riders are A and B. (Approved Unanimously)
3. The Peewee B class should be split into Peewee B and Peewee C classes. Each class will ride 15 minutes. The Peewee C class will have a separate race time to start immediately after the completion of the Peewee B class. The scorekeeper and referee will review the times for this season and decide which riders are A and B. (Approved Unanimously)

The Scorekeepers have received a request from the Apollo Motorcycle Club to return the race applications from their February 1 and 2, 1997 Hare Scrambles. The Hare Scrambles Committee asked the scorekeeper to write up an agreement stating that the applications are being returned to the Apollo Motorcycle Club but if at any time they decide they do not need or want the applications any longer they will return them to the FTR Scorekeeper. The applications will not be destroyed. This agreement must be signed by an Apollo Motorcycle Club representative. (Approved Unanimously)

The meeting was adjourned at 7:20 p.m.

DO NOT ENTER THIS EVENT WITHOUT ADEQUATE MEDICAL INSURANCE - PLEASE READ BELOW

I have voluntarily entered a Florida Trail Riders sanctioned event. An FTR sanction indicates that the event is listed in the association's official calendar. FTR rules for competition will be used. The officials for this event have not been trained or accredited by FTR. **The promoter of this event is an amateur. Each participant is responsible for determining the safety of the course before participating.** This indicates that you or your child's safety will not be warranted by the Florida Trail Riders, the Suncoast Trail Blazers, Joseph L. Lao and "Rancho Lao" and all their employees and assignees. Motorsports are dangerous. You should take part in this event based on your own assessment of your or your child's abilities. Today's route will traverse public and private lands, as well as roads. The promoter is not responsible for their conditions or for the actions of other individuals using these premises. You are responsible for the quality and condition of your or your child's motorcycle and protective apparel. **The promoter does not provide medical insurance coverage.** We urge you not to compete in motor sports with out adequate personal medical insurance coverage. If you have any doubts at this time about you or your child's personal abilities to participate in this event, if you or your child have not adequately prepared yourself and your equipment, if you question the safety of the course, or if you believe your personal insurance coverage's are not adequate to compensate you or your child for any injury that might occur, we urge you or your child not to participate in this event, the Suncoast Trail Blazers Hare Scrambles on April 5 & 6, 1997. The Suncoast Trail Blazers, the FTR as well as Joseph L. Lao and "Rancho Lao", are not experts in laying out and sponsoring a Hare Scrambles. Not all OBSTACLES may be marked, so riders ride at your own risk! The Suncoast Trail Blazers, FTR, AND Joseph L. Lao and "Rancho Lao", will not be held liable for any mishaps or injuries. **The course is DANGEROUS, so ride carefully.**
