EDITOR'S NOTE

This monthly magazine is published and distributed to the FTR membership to officially inform them of FTR events and business. It is also a medium for expressing personal views, venting frustrations, sharing good times, reporting the efforts of a individual or group or just a good story. The amount of articles received from you, the membership of the FTR, will directly effect the content of each months magazine. Your contributions are needed to directly reflect the interests and opinions of our organization. Your articles can be in any form that you feel like sending us. Pictures are also needed! They should be black and white although some color photos with high contrast can be used. As the editors of the magazine we will do our best to publish a timely, up to date, quality magazine for you, but without your help it will be impossible.

HELP NEEDED !

VOLUNTEERS are needed for the following **POSITIONS!**

Business Manager*

FTR Magazine Editor and Advertising Manager*

Hare Scrambles Scorekeeper* **

Enduro Scorekeeper* **

*** Paid positions, determined by the FTR Executive Committee**

****Scorekeeper positions will start with the new season. (1997/98)**

MEMBERS interested in volunteering for any of the above jobs.....

PLEASE WRITE to FTR President Conrad Eigenmann expressing what job you are interested in, your qualifications and when you will be available to start work. The deadline for applying for these positions is May 15, 1997.

Conrads address is: Conrad Eigenmann
480 N. US #1
Titusville, FL. 32796

HELP NEEDED !

The FTR still needs help with the July 26th Awards Banquet. Very few members have come forward and offered their help and time is fast approaching for some work to start taking place!

Volunteers are still needed to help out on the Scholarship Committee. Get in touch with Conrad if you can help with any of these committees.

Two volunteers, one from the Enduro Committee and one from the H/S Committee are needed to represent those committees on the Election Committee. If your interested contact one of the Committee chairman...SOON, THANK YOU!

THE **PREZ SEZ** Conrad Eigenmann

Just sitting back and looking!

Have you ever just gone to the races and simply watched and listened to everything that is happening and going on around. We all look forward to the weekend so we can load up all of our stuff and blast off to where ever the race is for that week. We get there, set up camp, sign up, race, take down camp, blast home and start over again for the next race. But have we really stood back, simply looked around, and paid attention to the tremendous amount of little things happening around while we are at an FTR event? Standing in one place what do you see? How do you feel? What can you smell? A slight coolness in the air, with a little breeze and a tad of morning fog rolling out. A course marshal heading out to work the trails, the smell of bacon and eggs and last nights fire smoldering. The pits slowly filling with riders just arriving. As minutes go by, the sounds and sights grow with more movement and more sounds and more smells. Junior is walking the dog, Dad is over in the next camp helping change that flat tire. As the day goes on, the riders mass and the competition begins. A rider has fallen and we scramble to his/her aid. When the chips are down, there is always someone with a hand. We share in our victories and we share in our defeats. We welcome the new and we mourn our losses. Our FTR events bring hundreds, even thousands of people together many times a year. When you stand back and look, you see people from all walks of life and income that have massed together to enjoy the little bit of time they have to ride motorcycles. Some fast, some slow, some good, some not so good, but all enjoying the sport in their own individual way. The reasoning behind why each of us participate in the sport of off-road riding is unique, yet we can come together, at a common place with common goals and reap enjoyment from this sport. I challenge each FTR member at an FTR event, to simply look around, listen, smell and tell yourself what you feel. All in all not bad, eh!

Meetings

ENDURO COMMITTEE MEETING SATURDAY MAY 3, 1997 at 6:00 P.M.. near the sign up table at the River City Dirt Riders Enduro in Olustee. All Enduro promoting clubs should have a representative at this meeting. Appointed Rider Representatives and other appointed committee members need to be present.

ENDURO COMMITTEE MEETING SATURDAY MAY 31, 1997 at 4:00 P.M.. near the sign up table at the Daytona Dirt Riders Scrub Oak Enduro. All Enduro promoting clubs should have a representative at this meeting. Appointed Rider Representatives and other appointed committee members need to be present.

FTR SANCTION MEETING

The FTR will hold a combined Enduro and Hare Scrambles Sanction Meeting **SATURDAY MAY 31, 1997 at 5:30 P.M.. near the sign up table at the Daytona Dirt Riders Scrub Oak Enduro.** All promoters applying for a FTR sanction for next years FTR Championship Series should plan on having a representative at this meeting.

Collett Communicators

FLORIDA
Trail Riders
We're assigned you a CLUB CHANNEL.
Ask for it when ordering the
COMMUNICATOR 900.

General Specifications: dimensions - 1 1/2 x 4 1/2 x 3 1/3" weight - 7 oz. audio output - adjustable up to 113dB cold weather reliable - down to at least -40 F

WORLD'S BEST!

That's what Canada's best known police force thinks. They recently field and lab tested the Communicator 900 against the world's biggest names in 2-way communication and then ordered a substantial number of 900's for their snowmobile and ATV patrols.

Except for the restricted police frequencies, this ad offers you the very same radio.

Frequency: 2-channel, 900MHz (megahertz)

Operating Range: 1 mile or more (line-of-sight)

price: **\$259.95** each (in Canada, \$349.95) (plus delivery)

DEALER INQUIRIES WELCOME

Frequency: 2-channel, 49 MHz

Operating range: approximately 1/2 mile

price: **\$159.95** each

(in Canada, \$189.95)

(plus delivery)

ALL-WEATHER

Our new 1997 Communicators are more all-weather reliable than ever! They are now protected by a virtually indestructible, water-tight case. Shown here, the upper and lower ABS plastic sections interlock with a silicon rubber gasket. These sections are then squeezed together by 7 screws to form a secure water tight seal. Input jacks are sealed by the attached weather caps.

CLIPS TO ANY HELMET, IN SECONDS!

CLEAR, TELEPHONE QUALITY, VOICE-ACTIVATED COMMUNICATION.

MUSIC INPUT JACK WITH AUTOMATIC MUTE. LETS YOU PLUG IN A PERSONAL RADIO OR TAPE PLAYER. AUDIO CORD INCLUDED!

Price includes: **Battery Pac** (uses 6 AA size batteries). **Helmet Speakers. Battery Pac Charger** (for recharging Nicad or Ni-MH batteries).

SPECIAL OFFER!

While stock lasts, with each COMMUNICATOR you order, you'll receive a set of 6 AA **Ni-MH** (Nickle metal-hydride) rechargeables - **FREE!** They're a \$49.95 value that feature high charge capacity, with no memory problem. Don't be disappointed - **ORDER NOW!**

To order or for a free information package call toll-free

Oklawaha Enduro

by Al Lagasse

March 9 marked the end of Bike Week 1997 and the running of the 24th annual Oklawaha Enduro. Lake Delancy camping area was again the site of Azalea City Motorcycle Club's annual test of rider and machine.

This year's event was a kinder, gentler version with a mere 69 ground miles. Trail Boss Dewayne Brantley designed more reset time into this year's Enduro. Lack of rain helped ensure challenging conditions. Dust and soft sand whoops divided the nice woods-trail sections. Most riders seemed to have enjoyed the enduro, many thanking and congratulating ACMC on our apparently successful efforts.

Top honors went to Steven Smith with a High Point score of 8. AA first place trophy was awarded to Frank Ramey with a score of 12, which included 4 hot points. A survey of the scoreboard showed that Robert Neely blistered the course; we were able to take no more than 10 points. This SR A rider almost became a AA rider.

We would like to thank Forestry Service personnel who worked with Azalea City Motorcycle Club this year, permitting and putting on this event. A special thanks to, Forestry Botanist Lorraine Miller who took special pains to help ACMC prevent damage to any of the more sensitive fauna and especially flora. Her knowledge and patience is appreciated. We hope she can discern the difference between the average riders who frequent the Forest, and the more environmentally aware FTR members. Also, we would like to thank all the riders for avoiding the ribboned-off Long-leaf Pine area.

Thanks again to all the riders who turned out. If you liked the Oklawaha Enduro this year, please tell your buddies. If you have suggestions, we'd like to hear them. We look forward to putting on an even better event for next year's 25th anniversary run.

High Point - STEVEN SMITH - Kawasaki - 8 Points

Round #5 FTR Motocross Series

Wow! Opener repeat? Round five of the 1996/1997 FTR Motocross State Championship on February 16th at North Florida Raceway was a clone of round one. Track owner Alan Andreu obviously busted his butt to again provide the FTR riders with a great track. Mother nature again saw to it that we were blessed with a cool, breezy, clear day with little or no dust. Racing began promptly after the riders meeting with well over 100 enthusiastic riders attending of whom most are following the entire series. The racing started with the little guys. Danny Weyer (123) and Cody Neff (701) are starting to get use to handlebar to handlebar action. These guys battled in the Peewee 7-9 and the Peewee Mod class with Danny edging out Cody for both wins. Not to be out done, little Greg Bobka (10) showed he's a chip off the block blasting away with the overall just ahead of Mike Prather (24) in the Peewee 4-6 class. Major head rush watching these little critters!

Switching to the big track, the +30 class charged away with everyone getting a good look at John Lundy's (992) rear fender. John fought off charges from Joey Torresgrosa (3) and Jeff Crissifulli (373) both motos. 125A action watched Matt Grall (511) and Scott Davis (625) in some of the hottest action of the day. Both riders swapped moto wins with Scott taking home the gold. Good ride guys! Mini 80A and Mini 80B roosted off together with everyone chasing Zack Lundy's (111) rear fender. (What is it with these guys?) Danny Palato (29) put in a good ride to capture 2nd in the Mini 80A while Chris Kotchkowski (3) controlled the Mini 80B action. What's that noise? 250A, 250B and 250C! Good grief!! Better sit down for this one! Jeff Crissifulli thought he would try riding with the "A" guys and meanwhile walked away from the 250B field. War broke out between the 250A boys seeing John Lundy (992) edge out Scott Davis (625), Matt Grall (511) and Conrad Eigenmann (32). Ricky Layman (123) claimed his victory in the 250C over Eric

Priest (54) and Dave Toth (180). The Mini 60A and B riders provided some of the best seesaw action of the day. I think almost everyone was in the lead at some point! Christian Gibney (244) edged out Cody Neff (701) in the Mini 60A class, while Aaron Lundy (111) made butter out of the Mini 60B class. What! Another Lundy? In the Beginner 201-Open class, Duane Parker (64) and Robert Dillingham swapped moto wins. Duane's 2nd moto victory clinched the class's overall. Jake Begle (20) pulled the rabbit out of the hat winning both Beginner 0-200 motos walking away. Greg Bobka (52) Danny Davis (11) and Conrad Eigenmann (32) continued their race by race battle with Greg getting the gold today. The Womens action is starting to be predictable with Beth Rewis (77) putting in some incredibly good rides to walk away with the Womens A win and Antionette Freed (27) barely edging out Melania Hoffman (57) for the Womens B victory. Mark Hoffman (57) and Alexas Andreu (117) battle in the 125B class with Alexas pulling off yet another victory. 125C class always provides great action. Bobby Roberson (625) and Timmy Conner Jr. (9) swapped moto wins. Timmy went home with the gold. The largest class of the day, the +35 class was almost a remake of the 250A and +40 classes combined. John Lundy (992) again battled Danny Davis (11) Greg Bobka (52) and Conrad Eigenmann to narrowly sweep both motos. Great race guys! (For old farts!) Rounding out the day Amando Carrisguillo (18) rolled away with the Open B class and Kirk Robinette motored home with the Woodsman B class. All in all, a fantastic day of racing. Races were done and everyone on the road by 5:00 PM. Another thanks to Alan Andreu for great track and well handled race program. Let's also not forget Jeff Hines. Jeff provides great play by play action during the day while still finding the time to race himself. See you guys at the Banquet. North Florida Raceway is looking forward to another season of FTR motocross.

Signed Bertha Butt

THE CHATTAHOOCHEE FOREST DUAL SPORT RIDE

JUNE 14TH & 15TH, 1997

(800) AMA-JOIN

proudly presented by

The Georgia Recreational Trail Riders Association (GARTRA)

sanctioned by the **American Motorcyclist Association (AMA)**

For quiet street-legal dual sport motorcycles. Spark Arrestors Mandatory.

Two days of scenic riding in the North Georgia Mountains. Open to all AMA Dual Sport Enthusiasts!

Course Description

- ➔ Two different 125+ mile loops in & around the Chattahoochee National Forest
- ➔ An easy to challenging course with easy/hard splits. A great ride for novice & experienced dual sport riders alike!
- ➔ Roll charts provided. Bring your roll chart holder.
- ➔ Gas stops on route. No gas truck! 70 mile range required.
- ➔ We will supply a support vehicle at the lunch break each day.

Where: Start both days at the Two Wheels Only (T.W.O.) motorcycle resort in Suches, Georgia.

Registration	Pre-Entry Fee - Deadline June 1st	Post-Entry Fee - only if available	Entry Fee Includes:
Both Days	\$45.00 a great deal	\$55.00 This event fills up early	Camping (no RV hookup) Friday & Saturday night w/hot showers, coffee & donuts breakfast, & catered lunch on route each day.
1 Day	\$25.00	\$30.00	
Passenger	\$8.00 per day	\$8.00 per day	
Sat Dinner	\$8.00 each	NOTE: 100 Rider Limit!	

Accommodations

- ➔ T.W.O. (706) 747-5151 (camping)
- ➔ Econo Lodge (706) 864-6191 (Dahlonega, GA)
- ➔ Ho Jo Inn (706) 864-4343 (Dahlonega, GA)
- ➔ Days Inn (706) 864-2338 (Dahlonega, GA)

Directions

Suches is on Highway 60
15 miles north of Dahlonega, GA

Barbaque Chicken

Only \$8.00 per person
Saturday Night

Requirements

- ➔ The operator MUST be an AMA member & be at least 16 years old. Parental consent required for minors.
- ➔ Your bike MUST have a current license plate, be street legal in the state of registration, & be equipped with a USFS approved spark arrestor & muffler which must pass 92dba at 20" sound test. No pass...no ride.
- ➔ We DO NOT provide medical insurance, & urge you NOT to operate a motorcycle without it.
- ➔ This is not a race or an enduro without check points. This event is for responsible dual sport riders on quiet dual sport bikes.

Boggy Creek Hare Scrambles

by The Sunrunners Motorcycle Club

by Cheryl Myers

Anyone that missed this race really missed a great course. The land owner, Rick Hale, let anyone who paid the \$5.00 gate fee ride his motocross track that was in his front yard for the whole day. This was popular with most riders. We had superb parking in a 17 acre field that was just recently planted with grass. The course was laid out in some massive oak hammocks, around ponds and across some open field areas. The peewee course was a nice change. It was seven tenths of a mile long. It bordered the motocross track, through a little woods section, through the scoring chicane, across a field, through a woods section, then back across the field to the outskirts of the motocross track.

At the Saturday event in the Beginner 1 class there was only a three second gap between first place Rene Pena and second place Rand Franklin. Quad B 2 Stroke class was a real tight race between first place Luke Peters and second place Lenny Ketchum with one second separating them. The Quad A had an eventful race with first place and fourth place finishers separated by 15 seconds at the finish. First place honors went to Joe Moulton, second place to Greg Trew, third place went to Brian Cochran. Great racing guys. We had a total of 30 Peewee riders at this event.

The ten o'clock race started on time. In the Super Senior A class there was only three seconds separating first and second place. First place went to David Kuka and second place to Randy Faul. In the Master A class Emmett Cox beat Bill Girard by one second. Master C class was a real close race between Jerry Blount for first place and Robert Settle for second. They must have been really wheel to wheel at the finish due to the fact that there times were the same. Cyndi Wallman won the Womens B class by four minutes.

In the 12:00 race Bobby Moriarty won the overall by two minutes. Great job Bobby. In the A-250 race first, second and third place finishers were only separated by a total of 24 seconds. Johnny Simpkins took home the first place finish followed by Rich Kenman for second place and Paul Seburn finished out in the third place position. In the A-200 race Wade Evans jumped out in the front running and came in for the first place finish four seconds ahead of Steve New. The A 4 Stroke class was an exciting race between Cliff Evans and Craig Boarders. They were spoke to spoke the whole entire race with Cliff finishing in the first place position and Craig just two seconds behind him. The B-125 class was a interesting race. Dustin Morgan won second place after winning the Junior class for the FTR series.

In the 2:00 race first through fourth place were separated by only 27 seconds. The first place finisher was Larry Miller, second place went to David Bain, third place was Michael Hotlen, and fourth place was Dan Hilker. The team trophy went to the Sunrunners Red.

The clean up was a breeze. I would like to thank everyone for taking your trash with you and picking up the area where you parked. The land owner (Rick Hale) provided the concessions for the weekend. He had set up a large grill and provided hamburgers, hot dogs and french fries. I would like to thank the land owners for having us on their land for all of the days we were there. I would like to thank everyone in our club for their participation at our event. It is a lot of work and it wouldn't have been as easy, if you were not there to help! I wont try to name everyone because I sure do not want to leave anyone out. I would also like to thank everyone that helped at the scoring table, that was not in our club.

Won any lately?...Try it on one of these!

Husky wins big in the 1996 ISDE with the 125cc win, the 500cc win, the top three Light-weight Four-Stroke wins (5 of the top 8 were 410 Huskys), and the Manufacturers Team title with first and second place. In fact, of the 60 Huskys starting — an incredible 51 finished! That's unparalleled performance and reliability against the toughest competition in the world!

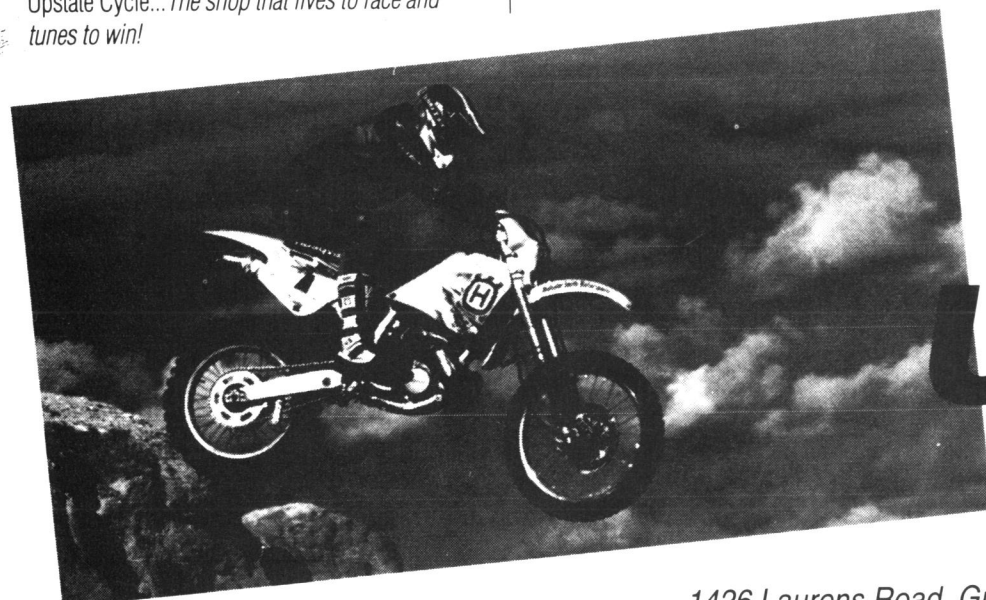

This year, all the 97 Huskys come in a new frame color with new plastic and exciting new graphics in both WXE and WXC trim.

The new **125** gets the trick Marzocchi fork, a heavily revised motor including new bore and stroke, connecting rod, revised porting, revised head profile, a new crankcase and cover, a new pipe & silencer and a new front brake caliper.

The **250** and **360** get the new front caliper, a new crankcase, a revised ignition curve and an improved kickstart lever.

The four stroke **410** and **610** get beefed up with reinforced crank and transmission cases, a double-wound ignition coil, new camshaft/rocker arm reinforcement, reinforced steering head, the new front brake caliper, an improved steel kickstart lever and much more. Dirt Bike magazine said of the 610, "the standard of the big four-stroke class," and "nothing else offers the power, — suspension excellence — or handling for either race or play in motocross or in the woods".

Ride the best. Ride the proven Husqvarnas from Upstate Cycle...*The shop that lives to race and tunes to win!*

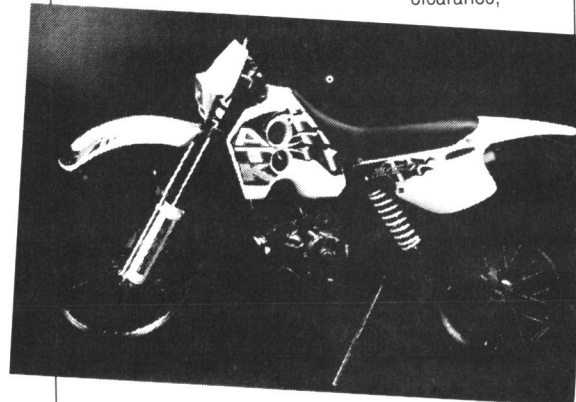

Racing Fuel

ATK *Made in America*

ATK offers eight models for 1997. The outstanding **250LQ** Cross Country and **260LQ** Enduro (liquid cooled two strokes) get a 35mm Mikuni TMX carb, Type 6 White Power fork, a revalved WP shock, firmer seat foam & stronger footpegs and kickstand bracket.

The **four strokes** (350cc and 605cc) come in either Cross Country trim as either kick or electric start and in Dual Sport trim with electric start only. All four strokes get a new heat shield for the frame backbone, a repositioned muffler for better clearance,

improved fit and finish of body panels, and a new 3 bolt chain guide with thicker aluminum cover. ATK builds beautiful bikes from proven top-shelf components assembled in track-tested nickel plated frames. *ATK's are built to last!*

For Kids Only

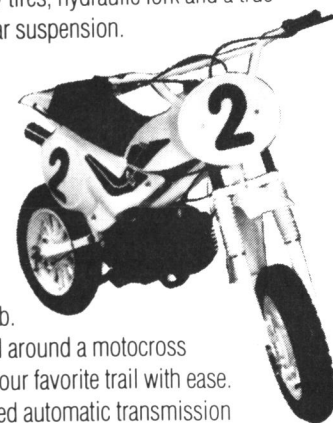

LEM CR2-S

The exciting **LEM CR2-S** is a real 49cc motorcycle for the 4 to 6 year-old. Weighing in at only 62 lbs., the CR2-S is a safe but highly capable entry level bike for your

budding supercross champ. The **LEM CR3** for the 7 to 8 year-old has big bike features and is only 81 lbs. A proven race winner or a fun trail bike, the CR3 has an adjustable 23" to 26" seat height. Both LEM's have an easy to ride single speed auto transmission, real 10" knobby tires, hydraulic fork and a true mono-shock rear suspension.

The brand new 50cc **Tomos TX50** may be the new king of the mini-hill! This 80 lb. mini-might will pull a 125 lb.

7 to 12 year-old around a motocross track or down your favorite trail with ease. With a two-speed automatic transmission and a broad power band this little demon will pull the giant hills with the big boys. A 42" wheelbase, a 26" seat height and 10" mag wheels with dual sport tires round out an excellent package.

approximately **\$1000⁰⁰**

Suspension rebuilds, Husky & ATK engine tuning, an unbelievable array of new and used gear, tee shirts, fluids, tires, race fuel, videos, decals, posters, bars, plastic, blah, blah, blah.....*Yeah, we got it!*

FTR BOARD OF DIRECTORS MEETING at the HYATT ORLANDO 3/29/97

The FTR Board of Directors held a meeting on March 29, 1996. The meeting was called to order at 10:10 with a roll call of the Area Directors and Executive Committee.

EXECUTIVE COMMITTEE

President Conrad Eigenmann
Vice President..... Jack Terrell
Secretary Sharon Huffman
Treasurer Steve New
Hare Scrambles Chairman Tim Myers
Enduro Chairman Lane Sheppard

Jacksonville Tim Weber
Leesburg Tommy Neal
Miami William Thompson
Ocala Mike LaCrone
Orlando Kieth Finnerty
Palatka Dwayne Brantley
Plant City Tim Myers
Sarasota Randy Faul
St. Petersburg John Schnelbach
Tallahassee Carol & David Tharp
West Palm Beach Bill Girard
NOT PRESENT
Daytona Greg Griffin
Vero Beach Ronnie Meeks

AREA DIRECTORS

Boca Raton Max Cole
Brevard Jack Huffman
Croom Brian Martin
Ft. Lauderdale Randy Rash
Ft. Myers Joe Moulton

The first point of business for the Area Directors was to select a chairman for the Election Committee. Liz Thompson was nominated. Steve New stated he had talked to Liz and she cannot chair the committee this year. Next Mark Edenfield volunteered and was accepted as the Board of Area Director's Election Committee Chairman for the 1998 elections. (One Election Committee member is appointed by each of the following: Hare Scrambles Committee, Enduro Committee and the Board of Directors. The Board of Directors' appointee acts as the Election Committee Chairman. See rule book Article IX)

A letter received from Mark Edenfield was read asking for the magazine to print the list of those who voted in this years election. The names of FTR members who voted in this years election were not printed in the magazine as has been the practice in the past because the Election Committee directed the list not be printed. Mark amended his written request to: Publish the list of FTR members who voted in this year election and publish the voting rules with the list. Accepted 19 yes 1 no

The Directors were asked to clarify the areas in FTR for the Area Directors. A motion was made and seconded that stated "You must live in an area to vote for a director or to run for a directors office." Accepted 16 for 3 against

Tom Russell had written a letter asking how the Areas for Area Directors were chosen. The question was asked how we got two more directors this year than last year. It was explained that two areas Tallahassee and Palatka had no votes for Area Director last year but did have nominees and votes this year. Therefore the Election Committee included those two areas. Tim Weber made a motion to organize a committee to look into the areas used for the 1997 election. Tim Weber will head up the committee with Tommy Neal, Jack Terrell, Max Cole and Mark Edenfield. The 1998 elections will use the same areas as in 1997 and any restructure will begin with in 1999 to be voted in at the next directors meeting and passed as per the rule book. Committee accepted 20 to 1

A written request had been received from Don Dehart to mail each member a Rule book along with their membership package. Some discussion followed. The cost to mail the rule book would be about \$1.00 each. The Directors voted 18 no to 4 yes and not to mail the books.

Max Cole made a motion that rule books be handed out by the Area Directors at each event as part of their duties. If a member needs a rule book they should contact their Area Director. This proposal was passed Unanimously.

Don Dehart also made a motion to have a membership director made available to all FTR members and clubs. Since members can sign-up all during the year it would be impossible to have a director with all members in it at one time therefore the motion was defeated 15 to 4.

At the last Executive Committee meeting a motion was made to change the amount of the minimum insurance coverage to \$500,000.00. This motion was presented to the Area Directors and accepted Unanimously. Note: this rule changes will not go into effect until printed in the magazine and approved by the General Membership. This change if passed will take affect next season.

continued on the next page

It was suggested that the words on pages 9 and 10 of the rule book, para V. C. be changed to read:

"FTR Magazine Staff: Responsible to publish and distribute a monthly magazine to the membership informing them of FTR business. Compensation includes an Editor and an Advertising Manager. The selection of both positions shall be made by vote of the Executive Committee from among those seeking the jobs. The fee for both jobs is to be set by the Executive Committee on a year-to-year basis."

A letter was received from a newly organized club in Brevard County, "S.C.O.R." SPACE COAST OFFROAD RIDERS. The letter (which is printed elsewhere in this magazine) volunteered this club to handle all the Saturday sign-up (lobby) activities at this year Banquet on July 26.

Information had been received from Paul Maloy on radios. Dwayne Brantly from Azalea City volunteered to head up a radio committee and put together a package for the FTR on radios. It was suggested that Dwayne have a proposal available at the banquet and provide the proposal to the Executiv Committee prior to the banquet meeting.

Jack Terrell made a proposal to have 10 enduros and 14 hare scrambles each year. After much discussion the motion was amended to state "There will be no more than 12 Enduros and 14 Hare Scrambles per year sanctioned by FTR. (rule book page 7 para. E Sanctions sentence 3) Approved 19 for and 2 against.

Tim Weber, River City Dirt Riders and Frank Bush, Azalea City were requested to state the position of their clubs on the reason why they did not have insurance for their Saturday events at their hare scrambles. Both representatives stated this was a oversight and did not intend for this to happen again. River City Dirt Riders let Azalea City obtain the insurance for the RCDR/Azalea City Hare Scrambles. Azalea City, Gary Wyatt, apologized to the FTR for the error.

The FTR Executive Committee will have the Business Manager contact our insurance company and have the master policy revised to show if a club requests insurance for a hare scrambles they must buy two (2) days of coverage as all FTR Hare Scrambles are two day events not one day.

Jack Terrell requested support at the Forest Service Public Meetings listed on page 47 of the March magazine. If the FTR membership does not provide input at these meetings there will be less and less land for public use. David Tharp suggested a sample letter be printed in the magazine that lists the type of input that would be helpful. The input should include all names of family members, express objections to only riding where we are told we can ride, state that the Forestry Service should let us the users of the public land tell them where we have been riding and request a copy of all pro OHV future comments and meetings be mailed to them. The magazine editors will include this information in the next magazine. The Area Directors were challenged to get this information out to the shops and clubs in their area.

Land use activities. This year there were two application for Croom day use 1 and 2 improvements submitted by the CFTR and FTR. The applications did not include a bathroom at day use area 1 because of costs. Although no official notice has been given it is believed both of these application will be approved. The FTR was only able to apply for two grants in matching funds of \$25,000 and \$22,000. The FTR left a quarter million dollars on the table because we had no state or community backing.

David Tharp proposed the FTR raise it dues by \$5.00 effective with the July 1, 1997 dues. The \$5.00 per membership will be used for land use expenses. The dues scale would be Regular membership - \$30, Family membership \$60, Associate - \$80 and Trail Rider \$20. The current declining scale for dues will also be adjusted by \$5. This proposal was passed with a vote of 20 for the increase.

Announcements: The FTR has liability insurance of one million dollars for all FTR activities other than sanctioned events. The FTR sent a check to the Florida Forestry Association for one years membership in their association.

Conrad Eigenmann reminded the Area Directors of all their duties as listed on page 2 and 3, Article VII of the rule book.

Respectfully submitted by Sharon Huffman, FTR Secretary

This year 218 different motorcycle races all end at the bank. Because Suzuki's Off-Road Contingency Program is posting **\$775,700** in winnings for 1996. So grab some deposit slips and a Suzuki RMX250 or DR350. They're famous for winning championships. Like the 1994 and 1995 AMA National Reliability Enduro Series and the 1995 AMA Four-Stroke Grand National Cross Country Series. This year you can ride them to fortune. Stop by your local Suzuki dealer for a brochure with all the details and a complete pay-out schedule. Then get ready for a season of whoop-munching, rock-hopping, bark-busting, mud-slinging scrambles to the finish. In other words, just another trip to the bank.

**There's a reason bank tellers
know Suzuki racers
by name.**

SUZUKI

1996 Off-Road Contingency Program

Call 1-800-828-RIDE for the name of your nearest Suzuki motorcycle dealer. At Suzuki we want every ride to be safe and enjoyable. So always wear a helmet, eye protection and protective clothing. Never ride under the influence of alcohol or other drugs. Study your owner's manual and always inspect your Suzuki before riding. Along with concerned conservationists everywhere, Suzuki urges you to "TREAD LIGHTLY" on public and private land. Preserve your future riding opportunities by showing respect for the environment, local laws and the rights of others when you ride. Professional rider photographed under closed course conditions.

EXECUTIVE COMMITTEE MEETING 3/29/97 AT THE HYATT ORLANDO

The FTR Executive Committee held a committee meeting on March 29, 1996. The meeting began at 1:45 and was attended by: President, Conrad Eigenmann; Vice President, Jack Terrell; Secretary, Sharon Huffman; Treasurer, Steve New; Hare Scrambles Chairman, Tim Myers and Enduro Chairman, Lane Sheppard.

This was the first meeting Lane Sheppard the Enduro Chairman was able to attend so all correspondence since January 1997 on enduro problems was turned over to him.

The Business Manager will give Lane copies of the last 2 years magazines that had enduro meeting minutes to help being Lane up to date.

Lane announced his first Enduro meeting will be held at Olustee. Since the magazine will not reach all members prior to the May 4th Enduro the Business Manager will send a notice to all Enduro riders announcing the Olustee May 4 meeting to begin at 6:00 and a second meeting at Daytona on May 31 to begin immediately after the sanctioning meeting at 4:00. The exact location of these meetings will be posted at the sign-up table.

The Business Manager will contact George Knight Insurance and have our master policy clarified that a hare scrambles is a two day event. FTR does not have any one day hare scrambles and if a club requests hare scrambles insurance they must pay for two days. Also the FTR will request a clarification on poker run insurance and ATV coverage.

A letter received from HSKS inquiring into the accounting practices of the FTR. The Executive Committee decided to seek financial and professional advise on the FTR's legal status.

FTR received a letter from the Apollo Motorcycle Club stating they would not pay the \$296.15 of the head tax collected at their event because of the late arrival of the FTR magazine. The FTR provided copies of their flyer at the January events and a set of mailing labels. Apollo had the largest event of the year. A motion was made and passed unanimously that Apollo is required to pay the FTR head tax collected at their event. This check is to be received by April 15, 1997.

Tim Myers was appointed to the position of Hare Scrambles Chairman subsequently to being elected to the position of Area Director. This leaves the Area Director position for Plant City open. Rick Long has volunteered to accept the Plant City Area Director position.

Sharon and Jack Huffman announced they will no longer be able to perform the duties of editors, ad manager and Business Manager for the FTR. The Executive Committee will accept all written proposals for these positions. Proposals should be sent to Conrad Eigenmann at 480 N. Washington Avenue, Titusville, FL 32796. Written proposals must be received by May 15, 1997.

The Enduro and Hare Scrambles Scorekeeper positions are also open of the 1998 season. Any one interested in these position should also contact Conrad Eigenmann by May 15.

The Banquet is drawing near and only a few have stepped forward and volunteered. Steve Hill, Frank Fiegl Brandy Lacey and a new club S.C.O.R. are the only volunteers so far. If you would like to volunteer your services please contact Conrad Eigenmann.

The Banquet trophies will be purchased for each division based on the head tax collected at the events for each division. (Enduro, Hare Scrambles, Motocross)

Scholarship Committee - Conrad Eigenmann will contact the following individuals to request their services: Jennie Lamb, Frank Bush, David and Carol Sharp and Bob Brown.

The meeting was adjourned at 3:08.

Respectfully submitted by Sharon Huffman, FTR Secretary

EDITORS NOTE: The use of meeting room used for the Board of Directors and Executive Committee was donated to the FTR by the HYATT of ORLANDO.

VOTERS

The Board of Directors voted 19 to 1 to over turned the Election Committee's decision to not print in the magazine the names of voters in this years election. The following names were given to us by the election committee as FTR members who took the time and cared enough about the organization to vote.

In each election, for some years now, some votes for Area Directors were not counted. Either because the voter didn't live in the area or because they voted for more than one area director. In these cases the voters selection of Executive Officers were counted, but not their vote for Area Director.

ATTENTION H/S RIDERS!

HEADS UP RIDERS... Please contact us with any changes concerning the correct spelling of your name, make of bike you are riding and problems with your scores. We are working on the final Series Standings and all corrections need to be made **NOW!**

If you noted a problem or requested a correction at the Brooksville race (last race), April 5th and 6th, we didn't get it. There were NO correction/change notices for us at that race? Please get back to us!

Jenni and Scott, FTR H/S Scorekeepers

ATTENTION ENDURO RIDERS!

TO: All FTR Enduro Riders

FROM: Lane Sheppard - Enduro
Committee Chairman

SUBJECT: Post Event Scoring Questions or
Disputes

I'm sure all regular enduro riders retain their copy of the score card for future reference. If it is necessary for the scorekeeper to review a riders points, a letter should be written and submitted with a score card copy to support the facts. This will help all involved to complete a review in a timely manner.

Thank you for your assistance in advance.

Lane

CLASS WANTED

Open Letter to All F.T.R.
Members:

A limited number of you may now be in the same age bracket as I am, some of you may even be willing to admit it. Reaching this plateau in life is revered in the Chinese culture. Unfortunately in this country it means some skinny kid with terminal zits gets to roost large quantities of dirt into your face as he blows you off the trail. No Respect!!!

In order to retain some semblance of pride and not appear too vain, I've decided to ask the F.T.R. to consider a Golden Master Class for next seasons, Enduro and/or Hare Scrambles. That way I calculate, I'll maybe finish 7th or 8th on a fairly regular basis. Pretty shrewd, huh!

But seriously folks, --- I do believe the over "58" guys need a more level playing field and this additional Class would stimulate increased participation by enough people to justify its' existence. A.M.A. and S.E.&T.R.A. have one. Timely change for F.T.R.? How do the rest of you feel? Would you sign up? Comments, observations, constructive ideas and thoughts will all be welcomed.

Thanks for your time. Let me hear from You!

John Schnelbach, F.T.R. St. Petersburg Area Director

Dear FTR

Lets give a big round of applause to the Sunrunners M/C. From what I could see, the races on Saturday were flawless. I was especially impressed with how quickly and accurately the registration and scoring was handled. These kind of events just make you want to keep coming back for more.

I also want to thank each and every club and the members who put together the races for making this year, (my first year as a racer) truly a memorable one.

Yours Truly,
Kevin Dzielak
#33T
S.W.F.T.R.

March 8, 1997

Dear FTR Members

My boyfriend Greg Schaef (883 SSR-C) and many other people were hurt in the February 23rd race at 10:00 A.M. Just a note to thank everyone who helped get him out of the woods. Thanks to Linda Rorrio (9B) for getting his bike and flack jacket back to our truck. We have also heard some of the people aren't doing so well. We wish them and they're family's all the best. I enclosed a picture of some of us outside the hospital that day. We were all pulling for everyone in there. Thanks again to everyone who helped us and our best to those who weren't as lucky as Greg.

Sincerely,

Greg & Tammi

Editors Note: Tammy, we were unable to use your picture. Due to the lack of contrast in it our printer couldn't get it to print right. Thanks for your concern and effort.

HURT AND HATING IT! HURT AND LOVING IT!

This all started on February 23, 1997. I was 300 miles from home and as they say "DO-DO Occurs"! I must say it DO, DO!

Just after the start at 12:00 I hit the proverbial "unseen stump"! The result was a broken femora, "thigh bone" and the end of a great season early! The following 6 days were spent at Charlotte Regional Medical Center in Punta Gorda. This was absolutely the worst experience of my life. Four hours under the knife and hammer resulting in a 26" rod inserted inside my femur.

This was the worst of it. Now the best of being hurt. To start with thank you to everyone who stopped to check on me. Double thanks to, #1B Michael Scott. He was leading the pack, almost certain to win the B-Open. Michael not only stopped, but also pulled me from the middle of the trail. Helped me to calm down and provided an unmeasurable amount of moral support. As the seconds clicked slowly, many, many other riders stopped to check on me. It seemed an eternity waiting to be retrieved. Thanks to the guys who tapped the pine limb to my leg, and trucked me to meet the ambulance.

While in the hospital I was overwhelmed with phone calls from friends. "At least 200 total". The cards, flowers and fruit basket made things a little easier. The visitors were few but appreciated more than any one knows. Thanks Big Man, Lorain and Bob Edmenston (Bob was a fellow inmate). One other visitor who unavoidably showed up while I was drug delirious, but thank you to the unknown Plumbers.

After I arrived home the flood of phone calls and visitors started. Thank you everyone for caring.

I am expecting about 2 months of therapy before I walk correctly again. And they remove the rod from my leg in 12 months.

All in all an experience I'll never forget. And again THANK YOU to everyone for all the support and help.

Sincerely
Steve Hill #63A

P.S. To Mike Scott #1B. This is the 2nd time you've run to my assistance with no thought to yourself. Your a true HERO! We need more men like you!

P.S.S. A Big Thanks to "The Bandit #61B" for transporting my stuff and supporting Susan through it all.

ACERBIS USA OFFERS SUPPORT RIDER PROGRAM FOR ARS APPAREL

Acerbis USA announced today that it will offer a special support rider program on it's recently introduced ARS line of off road racing apparel.

Acerbis is interested in having riders in all areas of off road competition under this program, however the number of rides is limited so it would be best for a rider to act fast!

Interested riders should submit a resume to:

Bill Berroth
Acerbis USA
Attn: ARS support rider coordinator
13200 Gregg Street
Poway Ca 92064

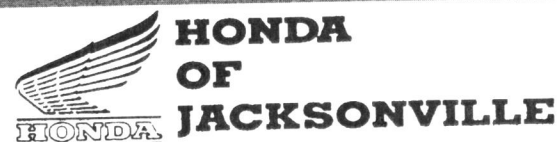

THANKS Treasure Coast Trail Riders

The Apollo Motorcycle Club would like to take this opportunity to thank the Treasure Coast Trail Riders for providing the use of their FM Radios at our February 1 and 2, 1997 Astronaut Trail Hare Scrambles. We are not sure that the other FTR clubs who have never used these radios or the riders themselves realize how important they are to the riders safety. These radios help us manage the limited rescue ambulance resources that are an event and to make sure they are available when someone is seriously injured. These radios also allow for quick response time to correct unsafe problems that may occur the course during the event. Lastly, FM radios give the clubs the ability to help assist families in locating their riders who have not reported in due to mechanical failures.

We also want to thank the Treasure Coast Trail Riders for taking it on themselves to purchase these radios when FTR failed to use the fund provided for Come on FTR.... The radios are far more important than GPS units.

Mike Mc Leod, President
Apollo Motorcycle Club

TO: FLORIDA TRAIL RIDERS

We at **HONDA of JACKSONVILLE** would like to take this opportunity to reintroduce ourselves to the Florida Trail Riders and the River City Dirt Riders.

In a serious attempt to support the sport of off-road riding in the state of Florida we have introduced and are supporting a race contingency program along with competitive pricing and parts and accessories discounts. This program, although directed to Honda riders, will have implications for all riders regardless of make.

If you are interested, please stop by the store or call Paul Goyette for details. We would appreciate each and every opportunity to earn your business.

Thank You for Your Support,

Skip

LAND USE REPORT

1997 COST SHARE CHALLENGE PROJECT by Tallahassee Trail Riders and Team Frog
With John Cameron and David Coleman of the Wakulla Ranger District of the U.S.F.S.

In the general area of the Capital City Enduro trails, a great deal of restricted land is being trespassed on by trucks. The Forest Service puts posts in the ground at "2-track trail" entrances as well as places where "DITCH HOPPING" access is being made to keep trucks and cars out of the area. TTR/Team Frog met John Cameron and David Coleman on a day "from Heaven" (Sunny-Breezy-Cool) and spent 4-5 hours replacing and/or adding treated posts we put in a whole pickup truck load in several areas where trespassing was occurring. TTR/Team Frog rented a power auger which allowed about twice as many posts to be planted in the time available. We split up into two groups to go to the various sites. David Coleman with one group and John Cameron with the other in order to have a U.S.F.S. radio with each group.

Wayne Mixson (former Lieutenant Governor of Florida) happened up on Bill Wyrrough, John Cameron and Neal Aymonds group on his way to the rifle range. The range is near the reset area between David Tharps and Samey Fenns sections at the intersection of Forest Road 305 and 376. Seems some "DIPSTICK" had stolen the rifle range sign at Silver Lake Rd and 305 and the directions Mr. Mixson was given included no road numbers! "Just go several miles down Silver Lake Road and turn at the rifle range sign." Bill Wyrrough and Neal Aymond took a much needed break for some ice water and helped John Cameron direct former Lt. Gov. Mixson to the rifle range to "pattern" his new quail gun.

The Lt. Gov. was impressed with the OHV bunch and John and David of U.S.F.S. sweating it out working on the post hole project on a day best suited to any kind of recreation that could occur outdoors. This is the 3rd work day in the last several years spend on projects good for the whole forest, and multiple user groups and not at all specifically beneficial to OHV users which involved John Cameron and co-workers. John and David Coleman really "dove in" to this project same as the other 2 projects and got a lot done in a little bit of time using sweat equity, ingenuity, and can-do attitudes.

Incidentally: District Ranger Andy Colaninno of Apalachicola and Wakulla Ranger district and John Cameron of the Wakulla Ranger District all year during 1996 worked long and hard to allow (us TTR) to have a great enduro with better trail and much improved start, camping and scoring area this year.

If you haven't already written a letter of thanks concerning Capital City Enduro now would be a perfect time. Write to: Karl Siderits, Forest Supervisor, Wood Crest Office Park, 325 John Knox Road, Suite F-100, Tallahassee, FL 32303-4160.

Andy is District Ranger over 2 large districts and he is short on manpower in both districts. He should be thanked for his October Enduro help from himself and staff, and thanked for providing John Cameron and David Coleman and other staff to coordinate with TTR and Team Frog and FTR in all our Apalachicola National Forest projects.

Thanks and see you at the races, Carol and David Tharp

RE: Tallahassee Trail Riders Enduro Permit

We would like to thank the Tallahassee Trail Riders for volunteering on March 15, 1997. The group came out to the Apalachicola National Forest and helped close the NO MOTORIZED VEHICLE AREA on the Wakulla Ranger District. Each year posts are removed by violators who access the closed area by vehicles. This results in an increase in erosion and accumulation of garbage.

The Tallahassee Trail Riders demonstrated their commitment to protecting the environment by helping to replace barricades at Moore Lake, Dog Lake Tower Road, Silver Lake Road, and Aeon Church Road. In particular, we would like to acknowledge Neal Aymond, Bill Wyrrough, David Tharp, Bill Fordham, Gary Williams, Nick George, and Robin Hampton.

We look forward to working with The Tallahassee Trail Riders on this year's enduro, and appreciate your interest in protecting the Apalachicola National Forest.

Sincerely,
ANDREW COLANINNO, District Ranger

Caring for the Land and Serving the People

FTR Land Use Notes:

National Recreational Trails funding program Advisory Council meeting.

Mark Schmidt of Seminole Power Sports Longwood, FL (Orlando Area) attended as the All Terrain Vehicle Riding member of the council.

David Tharp of Tallahassee Trail Riders and Team Frog attended as the Off Highway Motorcycling member of the advisory council.

The purpose of the meeting was to finalize the councils scoring of grant applications for the one million dollars plus available this year in grant money for recreational trail projects in Florida. The source of funding for this State administered program (through DEP) is Federal Gasoline Tax money. The Federal Government, using a complex formula, determines how many gallons of gas is used in each state for off highway outdoor recreational use each year. Then the government makes a portion of these highway gas tax dollars paid for dirt bikes, ATVs, bass boats, jet skis, etc., available to the state for purchasing, developing and/or maintaining recreational trails. There was over 1 million dollars available this year in Florida for National Recreational Trails Funding Program grants. 30% for non-motorized trails, 30% for motorized trails and 40% for mixed use trails. The maximum amount available for a single grant is \$50,000 on a 50/50 matching funds basis (or a \$50,000 grant from the trails funds for a project costing \$100,000 total). There was over \$307,000 available for motorized grants and only \$47,000 applied for - leaving over \$260,000 "in the pot" un-applied for!!! More grant applications will be accepted in December 1997. For next years funding and what was left over. To receive information and grant applications contact Alex Weiss, Bureau of Design and Recreation Services, 904-488-7896. Other people in her office you can talk with are Linda Reeves, Mary Ann Lee and Tamika Bass. Alex and all her co-workers are very helpful and knowledgeable. Please find someone in your area to develop a grant proposal.

For additional information about this Jack and Sally Terrell know how to deal with the grant process.

See y'all at the races

Carol and David Tharp "Ribbitt - Ribbitt"

The National Recreational Trails Fund Council is actively seeking motorized grant applications, as well as other types and FTR needs to take advantage of this grant program. After all, we are a big part of the funding source and motorized trails are desperately needed in all areas of the state (particularly the far southern part and the western pan handle areas).

There are members of FTR familiar with the process to help you get started and offer advice and encouragement.

Like the Croom fence project all of your half of the grant project cost doesn't have to be all cash. A great deal of it can be donated labor (which is credited at a fairly reasonable rate). It also would work out well for more than one local club to pool their resources of money and manpower to complete a project.

Come on FTR lets stop cursing the darkness and light a candle!

David and Carol Tharp
FTR, TTR, Team Frog

HAPPY BIRTHDAY

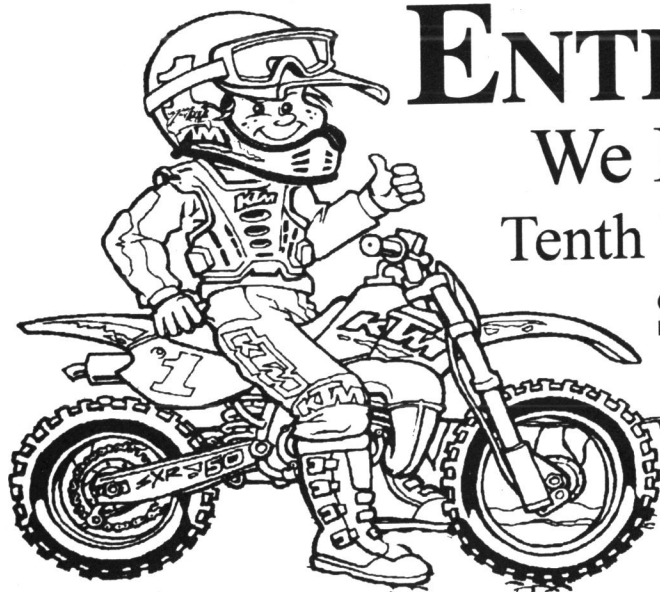

Congratulations to Lori and Andrew Ewing
who are the proud parents of a new River City Dirt Rider member.

CATHARINE EWING

Catharine was born on March 14, 1997 with a weight of 7lbs. 14 oz.
She has all the makings of an excellent future Peewee rider.

Less Than 30 Minutes
From Croom Riding Area

To whom it may concern: The Okeechobee race was a cold one to start with on Sat, 18th, Of Jan. After my race I was hot and not just my body temperature, but my head was hot also. It seems there is a need to have officials at all double green arrows, because if your running in an open field and he's behind, he can cut the field and nobody know's, just like the race at Sun State Raceway. There were people cutting

through the groves. When you protest that person and he knows you and him are the only ones at that area of which you protested it's your word against someone who doesn't want to play fair anyway. I love racing, it doesn't matter motocross, hare scrambles with FTR without FTR. It don't matter, I just love to race, but not with cheaters.

I would like to know why they have a bike where the quad's suppose to be? On the trophy.

Keith A. Knauss Quad B-4-Stroke 777B

Editors Note: Thanks for the letter Keith. You have mentioned some items that we have heard complaints about this year. An effort is being made to inform all the promoters of problems that they might expect at their races. When your club starts working on their race get involved and see if you can help them correct the problems you have mentioned. As for Quads on the trophies? Would that also mean there should be Peewee's on their trophies? And how about the Women and Vintage awards? The FTR doesn't specify what goes on the trophies, that's up to the clubs! Maybe your club could set an example for the others to follow?

NO COMMERCIAL... My son Sean and I have been coming to the races for about a year now. I did the best I could. I gave the Motherly puppy-dog look for a good neighbor to lend a sparkplug wrench or some back yard mechanic ideas; and they worked too. Sean would crack a few jokes and make friends and someone would show him the hare scramble way of taking off on the starting line. We met so many friends. Dug a few post holes at Croom. Thanks Sally, for all the race dates I always forgot. Thanks guys at Hard Rock for the warm campfire at 6 a.m., when my generator broke and I got tired of hanging out in the warm bathrooms.

We always had fun though. Even when the bike broke down again! But guess what! Whatever I did it worked and paid off. Who says you can't find lone on a dirt track. I met my new love and guess what - again I made out! He's a mechanic too. No more Honda (\$200.00 a stop) shop! FTR changed my life. (Does this sound like a motorcycle mechanics school commercial or what!)

So clear the tracks now. Guess what he gave me! His old Suzuki 80. So when you see some middle aged woman going around in circles switching gears "wave", and give me a few pointers.

Enjoying the new year

Carol LaFollette (no # yet) and John Pennington #6C and Pit Crew 98B

New Club Formed I am writing this letter in part to introduce our new club to the FTR and the membership and to say a few things about how we got started. The name of our club is SPACE COAST OFFROAD RIDERS - (S.C.O.R. for short). Like many clubs, I assume, we started with a handful of people who found a common interest in racing the various FTR events. It seemed that whether it was at an FTR Hare Scramble in Okeechobee, or at an FTR Motocross in Tallahassee, we kept bumping into each other and would end up sharing the same campsite, fun and laughter over the entire weekend. So those of us that resided in the Brevard county area started riding to events together. Pretty soon a few folks from Orlando and Melbourne joined in and the next thing we know we're having meetings and voting on stuff. Being that we are all new to this, a lot of the FTR membership has helped us with guidance and advice. For that we are very grateful! So, at our last meeting, we decided as a club that we would like to volunteer our services to help with the FTR banquet. Specifically, we'd like to volunteer to run the registration table and lobby activities on Saturday, July 26. This way we can give back a little of what so many friendly folks have given us...support and a few smiles. Several of us helped last, year and every one of us had a blast! Not to mention the excellent chow!

I realize that there are many clubs associated with the FTR Several of you have been very kind in offering to help us get started and we most certainly will be seeking advice from time to time. Speaking for our membership, we sincerely hope that we can be of positive impact to the FTR and the associated club community. Several of you have extended a warm welcome and offered assistance for various ideas which is very reassuring at this stage. I have always maintained that the members of FTR are some of the finest people I've known and you all have always stepped up to the plate to prove that.

So, "HELLO OUT THERE" and we look forward to sharing some good times.

Sincerely, Ed Swinson, President and Kip Carroll, Vice President

CFTR'S "STRAIGHT ARROW ENDURO"

The Central Florida Trail Riders are again proud to sponsor the Straight Arrow Enduro. We welcome the return of the SE&TRA riders who have helped make this event even better in the past. Please keep in mind that all riders must be current AMA members and you must bring your AMA card to sign-up. Otherwise, plan on joining or renewing prior to riding. Also, as noted on the flyer, membership in either FTR or SE&TRA is required. All Florida residents must be FTR members.

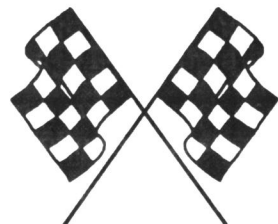

As in the past, all bikes entered in the event must have either a Croom permit or the one day permit that will be available for sale at the event. We will be inspecting for those at the line.

Please note that row and route information will not be available prior to the event.

The CFTR is looking forward to a great event and we hope as many riders as possible will come out and help make it one. We also hope everyone will keep in mind that we are dependent on volunteers to make this enduro happen and that in spite of everyone's best efforts, things don't always go as planned. Please be patient with us and we'll do our best to give you quality competition.

HARE SCRAMBLE RIDERS and anyone else that would like to try an ENDURO

"Do You Wanna Do Something Fun and Different?"
Ride on some new and different trails?

Here is your chance to ride an Enduro without all the hassle of getting a tag and installing lights. The SCRUB OAK Enduro on June 1, is run entirely on private property with no public land or roads being used. The only required equipment will be a **SPARK ARRESTER**. The new H/S BEGINNER class riders are invited out to try out a enduro. YOU can even enter the Beginners class if you like. The other H/S riders need to ride in their class. If your looking for a new place to ride, this event is it. Although you can only ride here on this date. The property is off limits and closed the rest of the year.

So remember all you will need is a spark arrester and a watch, if you want to try to do some time keeping, and you can take your hare scrambles bike and ride a Enduro, you don't even have to take of your plates. So fill out the flyer on the next page and bring your friends to ride our fun Enduro and do something fun and different!
