David Jenson brought a grievance to the committee on behalf of his son Clayton. Clayton had been disqualified for course cutting at the PBTTR race in Okeechobee. However, the DQ was not turned in to the scorekeeper until the morning following the race. The majority of committee members believed that the rule in Chapter VII, A, 7 was not followed and voted to overturn the penalty and reinstate the riders points.

Joshua Hickey brought a grievance to the committee that related to him running number plates at the OSDR race, that had insufficient background color to indicate his class. He was disqualified by an FTR official after going through tech inspection and being told it was OK for that race. The committee voted to overturn the disqualification.

Michael Hall presented a petition to the committee to be allowed to move from the "A" division to the "B" division. He cited working two jobs and not being able to ride or race as much, has made him uncompetitive in the "A" class in the last few years. He brought data from the seven races he's participated in this season showing that his times would only put him in the middle of the B-Open class with his best finish a 3rd. The committee voted to accept the petition and allow him to move to the "B" division effective immediately.

The meeting was adjourned at 7:25pm Mike Belle (HSC Chairman)
