Enduro Scoring

D. Championship Series Points System

7. Worked Run Credit

The work points awarded will be counted the same as those awarded to a rider who enters the event. There will be no work run average or substitution at the end of the year. Work run points will be assigned and certified by the event Trail Boss. Workers must fill out an entry form (marked "WORK RUN CREDIT") to be eligible to receive work run points, and these forms (along with the Trail Boss's assignment of points) must be received by the scorekeeper within 30 days of the event. Individuals will earn 25 points per day worked, up to a maximum of 100 points. An individual can receive work points for only one club promoted event per competition year. For a non-club sponsored event, (i.e.: FTR Enduro Committee sponsored), the work points will be equal to the best race score performed in the year end results, unless a club work is not taken, then the standard 100 points if given. All other work rules still apply.
