1. Randy Faul called the EC together to review and discuss the incident that happened on Saturday, 02/11/17.

A racer had left the course for a mechanical reason. She returned and asked if she could complete her race and was directed by Randy Rash to re-enter where she exited the course. Randy asked her if she knew where she was going and she stated she did. Randy kept an eye on her when she turned the wrong direction with oncoming racers approaching. Randy chased her down, grabbed her bike and steered her into the bushes while positioning his body between her and the oncoming racers. The incident was witnessed by Donny Richardson, George Pollard and others.

Later, Sean Sweeney approached Randy Faul and became aggressive because he was upset that someone had grabbed his sister by the helmet. He first accused Randy Faul. Randy Faul saw Randy Rash and called him over with George Pollard. Randy Faul had to intervene to prevent Mr.

Sweeney from throwing punches after he had pushed Randy Rash. The situation was explained to Mr. Sweeney but he did not appear to accept the explanation and was on the verge of being out of control. Others were witness to the altercation.

After reviewing the incident, Randy Faul asked for a vote to suspend Sean Sweeney for 1 year from the date of the incident. He will not be able to participate and is not permitted on the property at FTR events during this period. Vote was unanimous to suspend under these terms.

**Adjourned:**

Motion to adjourn 9:37 AM – unanimously accepted.
