Motion 1

was made by the chair to accept a proposal from the board of directors to adjust the minimum age to ride a bike over 250 cc to 14 years of age on the date of the event this is to come in line with new AMA rules.

This proposal is made as an emergency rule change to take effect immediately as to avoid any liability as the AMA rules are used as the standard in such matters.

From the BOD meeting minuets

BOD decided that FTR rules need to be consistent with AMA and GNCC rules.

A moton was made to modify FTR rule Chapter III secton D (Rider Classifcaton so that current subsection 3 be renumbered as subsection 4. The new rule to be inserted as subsection 3, worded as follows: "A rider must be 14 or older to ride motorcycles above 250cc. The age of the rider is determined as of the date of the event." Moton 2nd and Passed (frst vote).

Motion 2

Presented by Bill Toreki

This motion was intended to clarify an existing rule pertaining to riding multiple classes in one weekend.

Existing reads

3. A rider may ride one division or class per day, except #10 below. If they elect to move to another division, they must stay in the higher division and not return to the lower division without written request to and approval by the Hare Scrambles Committee. The division that the rider rides first (if the rider decides to change divisions on race day) will be the one that points will be kept on for that race. This is the lower-ranking of the divisions. After the race, they will be scored in the higher division. They will take up to 90% of the earned lower division points with them.

PROPOSED:

Hare Scramble Rules, Chapter VII, Section A-3 (page 24):

3a. A rider may only ride one class per day, except #10 below.

3b. If a youth rider elects to compete in a higher class during the season (i.e. Pee-Wee to 65, 65 to Mini, Mini to Junior, or Junior to Sunday) they must stay in the higher class, and not return to the lower class, without written request to and approval by the Hare Scrambles Committee. Points earned will not transfer between classes.

3c. A rider may not compete on both Saturday and Sunday at the same Meet (weekend), unless the Saturday class is Evo, Vintage, Pre-modern, or Quad (except Quad Junior), except as noted in section 3d, below.

3d. A Mini or Junior rider may compete in both a Saturday and Sunday class at the same meet (weekend) one time; however, they will no longer be eligible for the Saturday class at future meets (see 3b, above). The rider may receive season points in each class.

After discussion it was decided to eliminate 3b and accept the revised proposal to read as below.

3a. A rider may only ride one class per day, except #10 below.

3b. A rider may not compete on both Saturday and Sunday at the same Meet (weekend), unless the Saturday class is Evo, Vintage, Pre-modern, or Quad (except Quad Junior), except as noted in section 3d, below.

3c. A Mini or Junior rider may compete in both a Saturday and Sunday class at the same meet (weekend) one time; however, they will no longer be eligible for the Saturday class at future meets (see 3b, above). The rider may receive season points in each class

Motion 3

Presented by Bryce Coster

Motion to create a Pre Modern B class

It is felt that the number of A/AA riders competing is discouraging other riders from participating.

It was generally agreed that this may be the case but the proposal must be written to include all areas of the rule book that it will affect and needs to be presented in the proper format.
