Second vote for rule change to make a Pre-Modern A and B class

Motion #1

Presented by Randy Rash

Purpose: FTR Membership representative would like to request that the Pre-Modern Class be split into "A" & "B" Class. This will permit additional riders to participate in a class that is more fitting to their riding skills. Those riders that are currently riding in any "C" class will not be automatically promoted to the "B" class if participating in Pre-Modern.

Second vote for proposal to add a Quad silver masters class

Motion # 2

Presented by Mike Ferguson

Re: Adding new Quad Silver Master Class

Presently the hare scrambles quad master category is growing and has a diverse number or riders that regularly participate. These riders are aging and have a varied level of skill, stamina, and talents. Thankfully the advances in health care appear to be working and riders are staying active much longer than previous generations.

Beyond this revelation there is also a contingency of very competitive racers who are age eligible for the present quad master's class and or close to age eligible for the quad master's class. With these riders potentially coming to the class it has the propensity to grow into a heavily populated class with a vast differential of age, skills, and talents.

I am requesting the new class / category be established to give all race the opportunity to continue racing in a fair and competitive category. This addition would give all riders a reasonable and fair opportunity to race and enjoy successful results while racing with riders of similar age, talent levels and abilities. This class addition offers senior age quad racers a similar system of class offerings and progressions that are currently afforded to other senior level groups within FTR.

I am requesting changes / amendments / additions to the rule(s) presently listed in the 2016 - 2017 FTR rule book.

I propose adding a new Quad Silver Master Class 55\* to the hare scrambles, quad category.

- Quad Silver Master,
- Age 55 and up,
- Displacement 0 open cc,
- Plate color, Silver with Black numbers no letters,
- Race 8, Row 9, Saturday 3:45 -5:15pm race

The rule(s) I am requesting be changed / amended / added will affect and need to added to the following pages of the 2016 / 2017 Florida Trail Riders Rule Book,

- Page 12, section D, Rider's Classification, left and right side columns in hare scrambles categories.
- Page 15 # 6. Equipment, Vehicle displacement classes are as follows: Lower left column through right upper column down to mid page
- Page 23 # 8. Saturday Race Schedule, right column, mid to lower portion of page

Discussion was had regarding clubs taking the rain dates at the end of the year to bring our total number of races back up several clubs are interested we are waiting on clubs to decide if they can do it and will accept the first sanctions received.

If sanctions are approved for these dates it would be with the understanding that if there is a rainout that they may have to give up the date to the club with the rainout.
