RCDR	Aki Polvikoski
DDR	
BSTR	Allen Pearce

Old Business:

Motion to accept notes from last meeting:

Cbob

Second:

Allen Pearce

Vote to accept:

Unanimous

NEW BUSINESS

No new rules being submitted at this time.

Jacob Berard gave update on the Straight Arrow Enduro. Permits for land use to be submitted in December and January. More details will be available early January on use.

Sandlapper was approved on our schedule as an alternate if for some reason Straight Arrow was to be postponed from original date.

Aki Polvikoski gave update on RCDR enduro. They are currently working on trails and progress has been slow since this is a totally new piece of property. Will be tough to make the January event date. Decision will be made in the coming weeks as go or no go.

Apollo Club is working on securing property for their HS and still looking for Enduro possibilities.

Discussion on Team Riding and Team formations. Looking at going back to make this a true Club sponsored team competition. Glenn Hunt is looking into some verbiage for rule change to possibly restructure teams and make them true club vs club.

Call to Adjourn:

5:50PM

Motion:

Glenn Hunt

Second:

Sam Boydston
