NEW BUSINESS

Cherokee Enduro 6/13/21

Co-Sanction FTR/SETRA/National Enduro

Opportunity to add this event to our 20-21 Enduro schedule. Currently with the Cancellation of Croom & the River City event, we have 5 events on the schedule. If Richloam (CFTR) can reschedule for May with the Forestry Department, we would have 6 events.

Adding the Cherokee Enduro would give FTR 6 events with a possibility of 7.
