FTR Hare Scrambles Proposal submitted by William Toreki

December 5, 2020

Purpose: To clarify definition of how many races count towards final championship point totals. Language currently refers to “sanctioned events”. Suggested change to refer to total events held during the season.

Also – add language to Section 10 (same language currently in section 2).

Chapter VII

Hare Scrambles Scoring

B. Championship Series Points System

6. Year-end class and overall positions will be based on 70% of the sanctioned total number of events held during the season. Rounding will be done to the nearest whole number with .50 being rounded up. FTR High Point and class winners will be determined at the end of the year and will receive awards at the annual FTR awards banquet. To qualify for year-end awards in the FTR Hare Scrambles Series, a rider must enter score points in at least 50% of the sanctioned events held during the season that year. A worked run can count as an entry.

10. Computing points for year-end scores is based on applying the above rules in the following manner:

- 70% of the sanctioned completed races are considered (e.g. 12 sanctioned completed races X 70% = 8.4, round to 8 races). The rider’s best scores of the considered number (in this example 8) are computed.
- A rider changing divisions, either voluntarily or through promotion will take 90% of their earned points to the class they move to. However, riders voluntarily advancing themselves to a higher division after 50% of the scheduled events have been completed will carry no points to the higher division. Points earned in the lower division will remain in the lower division. EXCEPTION: If 90% of their points places them in a higher position in the new division, they will be awarded only enough points to attain an equal position in the new division. A hypothetical EXAMPLE for a 12-race series follows:

Hare Scrambles Scoring

A. General

1. Cumulative scoring for the entire series will be handled by the Hare Scrambles Committee Chairman or appointed Hare Scrambles Scorekeeper.
2. A rider can register only one number per class per competition year. The rider will be scored only under that registered number during the competition year. To keep a rider number (bike #), members must renew their FTR membership before July 1.
3.
 - a. A rider may ride multiple events per day if they are eligible for each event being ridden. Riders are limited to entry into only one class per event. Advancement points for each class will be kept separately.
 - b. A rider may not compete on both Saturday and Sunday at the same Meet (weekend), unless the Saturday class is Evolution, Vintage, Pre-Modern, or Quad (except Quad Junior), except as noted in section 3c below.
 - c. A Mini or Junior rider may compete in both a Saturday and Sunday class at the same Meet (weekend) one time; however, they will no longer be eligible for the Saturday class at future Meets (see 3b above). The rider may receive season points in each class.
4. The promoter will receive from the Hare Scrambles Committee a list of previously registered numbers for number plates. Florida Trail Riders, Inc. 10/2019 | 31
5. A rider classed as A or B including specialty classes cannot move down without petitioning the Hare Scrambles Committee, regardless of elapsed time since previous racing, except as noted in Section C9 below. (NOTE: C riders cannot return to Beginners Class.)
6. Clubs shall be required to post scores with times, for all riders competing, during the 30 minute protest period.
7. Race results are official at the conclusion of the final protest period on the race day.
8. Riders shall be awarded points if they complete 1 lap or more.
