

FLORIDA TRAIL RIDERS SCHOLARSHIP PROGRAM

INTENT

The Florida Trail Riders established this scholarship program to provide a means to supplement educational expenses for its members and their dependents. FTR acknowledges that the scholarship will not provide a member with complete reimbursement of educational expenses; however, it may make the difference between someone furthering their education or not being able to attend college or trade school.

The FTR scholarship is reliant on the donations of clubs and individuals, so the amount varies from year to year. The minimum amount awarded is \$500.00. The scholarship can only be used for actual educational expenses (tuition, books, room and board, laboratory fees, computers, etc.). Receipts must be presented to FTR for payment within five years of award. Any unused portion will be returned to the FTR general fund.

The FTR encourages its members to continue their education and hopes this program will be beneficial.

ELIGIBILITY CRITERIA

- Must be a FTR member or a dependent of a FTR member. A dependent is anyone the member contributes 50% or more support (step children, foster children, etc.). The FTR member must be a member in good standing at the time of application and at the time of award.

USE OF SCHOLARSHIP

- Can be used for actual educational expenses: i.e., tuition, books, room and board, etc. Computer will be considered an actual expense.
- Cannot be used for other expenses: i.e., transportation, clothes, etc.

SELECTION PROCESS

- The Scholarship Committee Chairman will mark through all references to applicant names to prevent a bias review and forward copies of the applications to the selection committee for review.
- The selection committee members evaluate each application and forward their results to the Committee Chairman.
- The following is guidance on what the Selection Committee is looking for in each selection criteria category:
 - Academic records/ Test scores (20 points) – Determined by information shown on provided transcripts, test results and “Information Form”. If any of this information is missing, an explanation should be provided. If an applicant has not been enrolled in school for more than 10 years and academic records/test scores are unavailable, the Selection Committee will proportionately increase the other categories’ points so that the maximum score is still 100 points.
 - Autobiography (10 points) – Points will be given based upon information provided in Item A of the Application.
 - Career objectives and Goals (20 points) – Points will be given based upon information provided in Item B of the Application.
 - Extracurricular activities (10 points) – Points will be awarded based upon information provided in Item C of the Application.
 - FTR Experiences and Involvement with FTR and/or affiliated clubs (35 points) - Since this is the FTR Scholarship, the largest portion of points is allocated to FTR experiences and involvement. Twenty (20) points will be based upon the applicant’s experiences in FTR, what FTR means to the applicant, and the impact FTR has had on the applicant’s life. Points will be awarded based upon information provided in Item D of the Application. Fifteen (15) points are based upon the applicant’s involvement whether in FTR or FTR affiliated clubs. The applicant should provide detailed information on these activities. Points will be awarded based upon information provided in Item D of the Application and on the “Involvement Form”. A listing of how many races the applicant has attended and/or raced is not what these points will be based upon.
 - Completeness of application/Overall presentation (5 points) – This criteria category is self-explanatory. It should be noted that the selection committee is inclined to be more favorably impressed with informative paragraphs that exhibit proper grammar and spelling.
- The selection committee members evaluate each application and forward their results to the Committee Chairman.
- The Committee Chairman will compile the results and determine the top three applicants based on total scores and rankings.
- All applicants will be notified by email or telephone prior to the Awards Banquet.
- Award/awards presented at Awards Banquet.
- Check/checks will be mailed to the recipient after the recipient has submitted receipts to the FTR Business Manager.
