

FTR General Membership Meeting Minutes

July 20, 2024

FTR Banquet, Orlando, FL

Call to Order: 11:39 AM, by Randy Faul

Roll Call / Quorum Count: Quorum present

Opening Remarks (Randy Faul):

New Business:

FTR is accepting Volunteers or Nominations (you can nominate yourself) for Rider Representatives to the Hare Scramble and Enduro Competition Committees. Please send names to either the Hare Scramble Chair (Randy Rash), or Enduro Chair (George Tolson) for the following positions:

- Hare Scramble: A/AA, BC, Specialty A/B, Specialty C/Women, Saturday Classes, Quads.
- Enduro: A/AA, BC, Specialty A/B, Specialty C/Women.

Carol Preston asked that everyone go to the CanAm website and provide feedback thanking them for their help with the safety/medical vehicle.

After extensive discussion regarding graphics for the FTR Sign-up trailer and the new Scoring (finish line) trailer, it was decided that images of the current AA-Quad and AA-Enduro Champions will replace the images of last-year's champions. Secretary will ask HBD to provide a quote for this. Also, the EC will make final decision regarding graphics on the new Scoring trailer. This should include clear display of FTR's web address, and it was also suggested that the rear panel should display an aerial image of our starting grid. Significant FTR sponsors should also be displayed (RM, CanAm, others). The Scoring trailer will also have a QR scan-code that links to the Live Scoring website.

Adjourned 12:22 PM (approximately)

APPENDIX

Confirmed Rule Changes for next season:

Hare Scramble Rules

- New Schedule for Saturday event times (see attached).
- Proposal 1/24: Modify the top 10 AA advancement rule to exclude all age-specific classes.
- Proposal 2/24: Allow 85 cc 2-stroke bikes to compete in the junior A/B/C/G classes (currently 86-200cc).
- Proposal 3/24: Create Women-C class to run Saturday afternoon. Yellow plates w/ Black numbers, no points carried to Sunday classes. Row 8 with Electric bike class. Passed HSC 2x.
- Proposal 5/24: Create an electric M/C class to start row 8 on Saturday afternoon. Blue number plates with white numbers, no pedals, minimum 19" front wheel, row 8.
- Proposal 6/24: Move Elite Master A from row 10 and to Row 7 (with Golden Master A). No rows being added.
- The specific number size requirement (3" / 5") has been removed and replaced with a requirement that number plates "...*must be readable from 40 feet away so that the scorekeepers can quickly identify the color, number and letter...*"

Enduro Rules

- Enduro EVO class has been Removed due to low participation.
- New scoring points system for Team participation. Event points awarded based on class participation and not just finishing position within class.*

General Rules

Add requirement that Chest and Back Protection for all riders in Youth Classes. This is to be consistent with new AMA requirement
