Fun Bike Center, Lakeland, Florida

Meeting called to order at 1:40 PM by President Randy Faul.

Members present: Randy Faul (President), James Hill (Vice President), Allen Pearce (Treasurer), Randy Rash (HS Chair), George Tolson (Enduro Chair), Carol Preston (MX Chair)

1. An issue pertaining to the age of a Peewee racer was discussed. The racer's age had been called into question at the last few Hare Scrambles of the season. It was determined that the Peewee racer was not eligible for the Peewee classes. The mother and her boyfriend were both signing the entry forms with the incorrect age listed. The boyfriend was present at the meeting and was questioned about the issue. The mother is not a member of FTR. After discussion, Allen Pearce made a motion to suspend the boyfriend for a period of 3 months at the start of the next race season. He will be eligible to start racing again in December, 2019. A letter will be sent to him.
2. On January 5, 2019, Ryan Mayfield entered a Hare Scramble with a One Day Membership. He then raced at the Apollo Hare Scramble without entering the event at all. He was seen on the track by race personnel. After some discussion of the events, Randy Rash made a motion to permanently suspend/expel Mr. Mayfield from FTR for conduct unbecoming of a member. The motion was seconded and passed unanimously. A letter will be sent to him.

Allen Pearce made a motion to adjourn and was seconded. The motion passed unanimously and the meeting was adjourned at 2:00 PM
